Base Ball Murray Red Sox Win Another Game

Murray Ball Park Murray Red Sox Yutan, Nebraska

Sunday, August 30 Game Called at 2:45 Admission - - - 25c

The Murray Red Sox continued their winning stride Sunday afternoon when they annexed a much one sided game from the Hughes Motor Co., of Council Bluffs by score of 9 to 3 Sunday.

The Murray team looked good in the warming up practice and promised a real struggle for the Sox but the promise failed to materialize and the Murray team was at no time in danger of defeat.

The first inning was scoreless for either team but in the second frame Joe Krejci proceeded to rap one of the offerings of Malieky to the far outfield for a circuit drive and started the fireworks going.

The third inning saw the Sox hang up two scores, Hopkins, the pitcher, hitting a hard drive to the outfield on which he made three bases and could have come on in but was held at third and scored later when Pierce was safe at first, Pierce scoring on the hit of Stone.

The visitors scored their first run in the fourth when Leverages hit for two bases and scored on the hit of Harman.

In the fifth inning with two gone, Newman hit for three bases and Svoboda was given a walk and as Pierce walked Hans scored and Svoboda on the hit of Stone tallied.

The sixth inning again saw the Sox scoring with Gansemer hitting safely and scoring on the error on Hopkins' hit at first base, "Hoppy" scoring when Newman doubled.

In the seventh Pierce and Stone each hit safely and Joe Krejci cleared up the situation with a smashing two sacker to score both runs.

The visitors scored another tally in the eighth, the last in the ninth when hitting at opportune time gave them the third and last score of the game.

The tabulated score of the game was as follows:

Table showing baseball scores for Murray and Hughes Motors teams across 9 innings.

The Mission to Cypress Acts 12:12-25

The church is now well enough established to take the God-given mission, to go to "all the world." It is not the church at Jerusalem that inaugurates the new venture; we find in Antioch of Cilicia, where many disciples had fled during the persecution, the nucleus of a church.

Now these two men are brought before the congregation, and in a very solemn way are consecrated for this important work, by laying on of hands. This is a special farewell service. Here is the beginning of the missionary enterprise of the church.

Here is the great lesson for the church, to see to it that men who apply for entry into the ministry are called by the Holy Ghost, otherwise they will be a failure and the work must suffer. It was quite a sacrifice for this church to give up two such capable men, but they lend them to the Lord. Here begins the office of Apostle for Paul; he does not offer himself, it is not his desire—but he is called and sent by the Holy Ghost. Well equipped, as these two men are, they start out. Their first stop is at Solucia, next is Cyprus, then Salamis, preaching the word in the synagogues of the Jews. Romance in the foreign missionary enterprise begins at this point.
