### PROTECT HOME LABOR

A number of the residents here, who have been employed at various points, state that they are commencing to feel the pinch of the action of other communities in requiring that persons employed in their localities, be residents of the place.

The attitude of other cities and business interests of their communities toward protecting their workmen is one that should be followed here by the support of local institutions and home workmen, men who are living here and making a part of the community life. The workmen on several of the projects in and near this city have been to a greater extent laborers that were not residents here, while many local men were idle and could as well attend to the handling of the lines of labor as well as skilled workmanship. In the stand taken many of the business houses have taken the view that their patronages of communities that barred the Plattsburgh workmen be curtailed as a protest.

## Look! BOYS and GIRLS He's Free

Here's the cutest, friendliest, gentlest little Shetland pony you ever saw. His name is Bimbo. We're going to give him away. Some lucky boy or girl will be the proud owner of this dandy little pony, saddle, bridle, and all—and he won't cost a penny. Let us tell you all about it.

We're putting on a big contest for the children. We want you all to know more about Poll-Parrot shoes—how well these wonderful shoes fit your feet—how stylish they are—the comfort that comes from their flexible, easy-bending soles—how they hold their shape, and the long wear that Poll-Parrot solid leather shoes will give. We want you to know that Poll-Parrot shoes for live, red-blooded, active boys and girls, have built into them the same smart style, the same fine fit, and identically the same all-leather quality and good value as Star Brand Shoes for Mother and Dad.

Now about Bimbo. The very first time you have a chance, stop in at the store and join the Poll-Parrot Pony Club. It won't cost you a cent. We'll give you a button to wear. That won't cost you anything either. Then you write us a letter and tell us, in not more than thirty-five words, why Poll-Parrot shoes are better shoes for boys and girls to wear. That's easy, isn't it? And, children, that's all there is to it. The boy or girl who writes the best letter will be the one to get Bimbo—absolutely free. What do you think about that?

### RULES OF CONTEST

This contest is open to all children under fifteen years of age. It closes **SATURDAY, December 11th**, and all entries must be postmarked before midnight of that date. Name of winner will be announced and pony awarded at our store on Christmas eve, Thursday, December 24th.

No member of this store nor any member of his or her family will be allowed to participate.

Winner gets complete outfit—pony, saddle and bridle. See them on display at our store.

Come on, Boys and Girls—Let's get going. We want to hear from every one of you. We're already getting anxious to know who'll be taking Bimbo out for a canter Dec. 25th.

Three judges will decide on the best letter and their decision must be accepted as final. In the event of a tie, duplicate awards will be made.

We repeat: It does not cost one red cent to join the Poll-Parrot Pony Club and enter this contest. It is not even necessary for you to buy Poll-Parrot shoes, but, of course, if you were wearing a pair of Poll-Parrots, perhaps it would enable you to write more intelligently on the subject, otherwise it won't make any difference at all.

When You Join the Poll-Parrot Pony Club We Give You a Button to Wear.
