Popular Young Couple Married in Metropolis

First Lutheran Church, Omaha, Scene of Happy Nuptial Ceremony— Occurred February 9th.

From Friday's Daily
The Cass county friends of Charles Stander, son of Mr. and Mrs. Henry Stander, of west of Louisville, and Miss Selma Rohrdanz, daughter of Mr. and Mrs. William Rohrdanz, of near Manly, were much interested and pleased to learn of their marriage last Tuesday afternoon, February 9, at Omaha. The ceremony was performed at the First Lutheran church at 31st and Jackson streets, the pastor, Rev. Lawrence Acker, officiating.

The ceremony was witnessed by the groom's mother and J. Fricke. The bride was becomingly attired in a dress of blue-silk crepe and gold. She wore a matching black straw hat. After the ceremony they drove to the home of the groom's parents for a wedding supper.

The young people have a large circle of friends among whom they are popular. They represent two of Cass county's pioneer families of prominence. The bride is a granddaughter of Mr. and Mrs. Wendel Heil, of Louisville.

They will go to housekeeping at once on the farm of the groom in the vicinity of Murdock. This splendid young couple begin their wedded life under the most favorable auspices. Both are highly esteemed by all who know them, they enjoy good health, popularity and own a fine farm home and their best of friends rejoice that their future prospects are so bright.

They have been staying with the groom's parents, while their home is undergoing some remodeling and interior decorating.

A shower was given in their

honor last Saturday afternoon by the groom's mother, Mrs. Stander, who was assisted by her daughters, Mrs. Bert Mooney and Mrs. Louis Roebert in serving and entertaining the guests, numbering about fifty relatives and friends. Among those present were the bride's parents and immediate family.—Louisville Courier.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious headache, or feel all beam-up, take this delicious syrup instead of the

usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself free of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to crowd those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

The great grandmother was making her home in Virginia, when the coverlet was made, and following that the family moved to Ohio where they resided for many years before they moved to Nebraska, which was near fifty years ago. The Oklahoma executive announced late Friday he had sent a telegram to Georgia citizens advising them he would permit his name to be filed in that state for the democratic preference primaries. "I should have waited until tomorrow," he added.

The Oklahoma party convention will be held here Saturday. The Murray-for-president theme song of Oklahoma's democracy was carried officially to Governor Murray's door for the first time Friday when the state democratic central committee requested him to become a candidate.

Despite the movement in his behalf in several states, Governor Murray had not committed himself prior to making his announcement to his Georgia followers.

WE can never be sure just what makes an infant restless, but the remedy can always be the same—Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy and give it promptly. Relief will follow very promptly; if it doesn't you should call a physician.

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth.
