ALVO BIBLE CLASS
The Alvo Bible class meets every Sunday night at 8 o'clock at Stewart hall. It is a real testimony for the class when 36 people will come out as warm a night as last Sunday was. We are very grateful indeed for this good response from the people of Alvo.

If the weather continues warm we will have an electric fan to cool us off hereafter. We were glad to see the new folks out again. We were pleased beyond measure for the interest the young people are showing. Let us keep praying that God will reach the hearts of many folks during the summer. Rev. R. R. Brown (Radio Brown) has promised to be with us for a service soon.

Galatians 1:9-12. "As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed.

For do I now persuade men, or God, or do I seek to please men? For if I yet pleased men, I should not be the servant of Christ.

"But I certify you, brethren, that the Gospel which was preached of me is not after man. For I neither received it of man, neither was I taught it, but by the revolution of Jesus Christ."

We are holding these Bible classes for the purpose of helping folks to have a better understanding of the Word of God. And to show men, women and children how to get to Heaven.

This class has no connection with any church. I belong to the church of my choice, you join the church of your choice. Let us study the Bible together.

V. S. BARKEY, Bible Teacher.

RIVER AS SWIMMING PLACE

A number of the more youthful devotees of the swimming sport are turning to the big muddy as their favorite recreation spot, rather than the bathing beaches or pits. The river affords them more privacy than the more popular resorts and when they wish to swim in the "raw" they may do so without attracting widespread attention. There is a certain amount of risk for the swimmers in the river current and only those who are experienced should make the experiment of river swimming.
