UNION ITEMS.

Charles Atteberry was a visitor at Nehawka on Monday of this week and was looking after some business for the county while there.

Martin Bloom of Plattsmouth was a visitor in Union last Tuesday and was in consultation with John R. Roddy about some business matters.

W. H. Porter was delivering some five truck loads of very fine cattle to the Omaha market for his friend, Reuben E. Porter on Monday of this week.

A. L. Becker is kept busy these times in the delivering of wood to the Swift Company of Omaha where it is being used for the curing of meats.

Mr. and Mrs. W. H. Porter were over to Lincoln on last Sunday where they were visiting for the day at the home of Mrs. Mary Taylor and daughter, Miss Rachel.

R. D. Stine and son, George, were over to Nebraska City on last Sunday afternoon where George was getting a tooth extracted, which had been giving him trouble.

Mrs. M. Lynde who has been making her home at Vern, Kansas, arrived in Union and is making an extended visit at the home of her daughter, Mrs. Roy Upton.

District Judge James T. Begley was a visitor in Union on last Monday and was meeting and becoming better acquainted with the voters and making many new friends.

A. N. Stoll of Omaha who owns a farm near Union, was down for a time during the week and was looking after things at the farm where Mr. M. R. Hickie lives and farms.

C. H. Whitworth who is one of the best fellows, has been looking after the work of gathering news for the Union Weekly News and has been furnishing a very good line of news.

Leonard J. Austin was a visitor in Omaha on Tuesday of this week where he went to take a load of wood with one of the trucks of H. H. Becker, who is selling much wood to Omaha parties.

Aubrey H. Duxbury, the present county judge and who is hustling for re-election, was a visitor in Union on last Monday and was meeting his friends and getting better acquainted with them.

Joseph W. Banning and wife were over to Alvo on last Sunday where they visited with the twin brother of Mr. Banning, John W. Banning and wife and where they all enjoyed a very pleasant time.

F. H. McCarthy was looking after business matters in the west end of the county at the many towns in that portion of the county and was also at Louisville and Cedar Creek on Tuesday as well.

Tony Sudduth of Weeping Water was a visitor in Union for a time on last Tuesday driving over to look after some business and was accompanied by the wife who was visiting with friends here.

W. B. Banning was called to Lincoln on last Tuesday where he had some business matters to look after and where he drove in his car, stopping at a number of places on the way to attend to some business matters.

Wm. Creamer who is employed on the road work and which affords work but only a portion of the time, with his wife and little daughter were visiting for the day on last Sunday at the home of Mr. and Mrs. Victor Wehrlein west of Murray.

On last Sunday with the arrival of the caterpillar power road making machinery it was decided to get the same unloaded and Charles Atteberry was asked to assist in getting the machinery unloaded and in

proper shape for the demonstration this week.

Mrs. Mary Johnson was visiting for about ten days at Union and Murray where at Union she was guest of her brother and wife, Mr. and Mrs. Daniel Lynn and at Murray with her sister, Mrs. John Campbell, returned to her home in Weeping Water last Tuesday morning.

Floy Whitworth, daughter of Mr. and Mrs. C. H. Whitworth was quite ill for a number of days and was very closely watched by Dr. Barritt as to what the condition might develop into, and after a few days it was found that the disquietude was nothing for which grave apprehension might be had.

Mrs. G. S. Upton, who has been very poorly for some time past was visited for over the week end by her son, Earl Upton who makes his home at Brewster and ran down to visit the mother and encourage her in her illness. The visit from the son was better than medicine and while Mrs. Upton is still very poorly and was kept to her bed she enjoyed the visit of the son very much.

Miss Ella Griffin who has the diphtheria very bad is at the Emergency hospital at Omaha where she is being given special treatment and while her condition was very bad she is making a valiant fight against the disease. The physicians have placed a tube in her throat that she may be better treated and with her very strong constitution and good health is helping her in her fight for recovery.

Miss Opal Griffin who is ill at the home with diphtheria is getting along and is showing some improvement and it is hoped that she may soon be out of danger on account of the disease. A smaller sister, Ruthann also has the dread disease but is not so seriously ill, and is being given serum treatment. Her father H. W. Griffin, was over to Omaha on last Tuesday for additional serum, and was accompanied by Dean Gillespie whose son also is very ill with scarlet fever, who is showing good improvement.

Home After 11 Days Vacation
Mr. and Mrs. Frank L. Anderson who have been visiting in the west for some time past, returned home on last Monday evening after having spent some 11 days at the home of brothers and sisters. They visited at Brule with Charles Anderson, Amos Anderson, Arthur Anderson and Earl Anderson and their families, where they sure had an excellent time, then they stopped at the home of their sister, Mrs. Verner Flaishman and visited with the family there. Speaking of the visit Mr. Anderson said that they had enjoyed a very fine visit with all the folks, but that there was no place like Cass county to live in and that he would not give Cass county for all the western portion of the state.

Caterpillar Demonstration.
There has been unloaded at Union a number of power machines for the making of roads, and which is to be given a demonstration beginning on Wednesday and continuing until Thursday if the weather is nice and on Thursday and Friday if the weather is rainy, well just what to expect is the question.

However the demonstration is for the benefit of showing the county commissioners of the eastern portion of Nebraska and also of the road building and road maintaining crews of Iowa, what this machinery can do. The work is to be done on the road near what was formerly the Harry M. Frans place and which is east of the highway 75 and where there is some heavy work to be done and which will be an excellent place for the demonstration. It is expected that there will be many interested in the work there. The women's societies of Union are looking after the feeding of the visitors.

Home from East.
Miss Gussie Robb, the postmistress of Union, who has been for the past ten days visiting in the east and who attended the national convention of postmasters at Washington, D. C., returned home early this week and reports having an excellent time while she was away. Miss Robb also visited at a number of places on her return trip and saw many very interesting places and sights. In all she was greatly benefited by the trip.

Gets the Job Done in a Hurry
A car load of new type power road paving equipment was unloaded here Sunday, to be used in demonstration road building on the graded stretch of highway between Union and Nehawka. During its use here, contractors from nearby states will be brought here to see this new machinery in operation and observe the speed with which it can lay the concrete ribbon along the highway. The advance in mechanical equipment is little short of marvelous and demonstrates new

the speed with which work of this kind can be done by small forces of workmen as compared with the old laborious methods of concrete mixing and finishing, and perhaps also shows some of the reasons for widespread unemployment. The machine age is with us, and all must make the best of it, creating new demands for manpower, if possible.
