On Saturday afternoon Judge Duxbury was called upon to join in the bonds of wedlock at his office, William H. Rainey and Miss Katherine Thomas, both of Glenwood, who had motored here for the ceremony that was to make their life as one.

Organize Work for Christmas Season Ahead

L. S. Devoe Is Made the General Chairman of the Festivities of Pre-Christmas Season.

The retail section of the Chamber of Commerce has selected as the general chairman of the pre-Christmas festivities, L. S. Devoe, superintendent of the city schools and who will be empowered to select the various committee chairmen to function for this important community enterprise.

It has been arranged to have three special days prior to Christmas and which will be observed in a fitting manner by the city and its people in public entertainments.

On Saturday, December 10th, there will be the visit of Santa Claus to the city with public demonstration of welcome to the patron of the holiday season.

On Saturday, December 17th, Santa Claus will open his headquarters in the room on the main floor of the Masonic building, where he can be interviewed in person by the little ones of the community.

That the observances may have more of the real Christmas spirit shown, it is being arranged through the co-operation of local organizations, that on Wednesday, December 21st, there will be carol singing by various groups and who will bring the Christmas message in song and rejoicing in a fitting manner.

The committees for the event are as follows:

Soliciting—Clem Woster, Howard Davis, Bob Hartford, Carl Schneider, Carl Ofe, Henry Sennichsen, Lynn Minor, Frank Mullen, Frank Bestor.

Publicity—C. C. Wescott. Program—Mrs. J. T. Begley, Woman's club.

MYNARD COMMUNITY CLUB
The Mynard Community club held a splendid meeting Friday evening, and a large crowd was in attendance.

The meeting was called to order by Mr. E. H. Spangler, president of the organization.

The audience joined in singing some of the old familiar songs, led by Richard Livingston, with Mrs. Roy Cole accompanying.

The minutes of the previous meeting were read by the secretary, Mrs. S. W. Cole. The club voted to reduce the club dues to fifty cents a family for the coming year. It is hoped that many more will be induced to join and help promote the work of the organization which is both pleasurable and beneficial.

Next came the election of officers and the following were elected for the ensuing year:

President—Roy O. Cole. Vice-President—Jean Spangler. Secretary—Grace Livingston. Treasurer—Royal Smith.

The remainder of the evening was spent in games led by Mrs. Raymond Cook and Mrs. Henry Hild at which much merriment was had. And following the games the crowd indulged in an old time taffy pull. To add to the enjoyment of the meeting, pop corn balls were passed around. The members and friends are grateful to the game leaders and to Mrs. C. L. Wiles and her refreshment committee for the pleasant social evening.

TO HOLD FIRST OF WEEKLY COMMUNITY AUCTION SALES

On Saturday of this week, at the Joe McMaken lots and barn, three blocks north of the Heisel mill, there will be held the first of a series of weekly community auction sales, with Rex Young, popular southeastern Nebraska auctioneer in the ring.

No commission is being charged for this sale and the public is invited to bring any and all articles they may desire to sell. Information regarding listings, etc., may be obtained by telephoning No. 645.

Many people have articles they no longer need and in most cases there are other people searching for just such items and it will be the purpose of these sales to bring together the prospective buyers and sellers in a manner that will prove profitable to both parties.

Live stock, household goods and merchandise of all kinds will be offered at this first sale and the public is invited to come and bid with assurance that no reasonable offer will be refused and by-bidding will not be practiced.

Mr. Young's long and successful experience as an auctioneer lends the greatest confidence to the sale and it proves as popular as expected with the buying and selling public, other sales will be held at weekly intervals. If you have goods to list at this opening sale, you should do so at once in order that they may be advertised at least a day before the sale.

LETTER FROM "BILL" DISTELL

Post Adjutant Elmer Webb has received a letter from W. T. Distell, commander of the local Legion post last year, whose transfer to the East Chicago shops of the BREX, August 1st, terminated his term as commander here.

It was Mr. Distell who extended the invitation to 12th district Legionnaires to meet here this year, and he expresses pleasure in learning that such extensive arrangements are being made to entertain the visitors on the occasion of their visit here a week from tomorrow.

There is a possibility that Mr. Distell may be here for the convention, and he says that Mrs. Distell in reading copies of Journal mailed them a week ago has been inspired to a degree that may terminate in her also making a trip back to the old town early in December.

The Distells reside at 1313 Cleveland avenue, Hobart, Ind. Their old friends here will be pleased to welcome them back for a visit whenever and as often as they find it convenient to come.

Mr. Distell reports the post there is very active and they also have a live Auxiliary unit, the two consolidating for social meetings once each month. He also speaks of enjoying a visit from Carol Holcomb and family, former residents here when Mr. Holcomb was in charge of the pump house of the Plattsmouth Water corporations. The Holcomb family reside at Kankakee, Ill., where Mr. Holcomb is in charge of a large water-works pumping plant supplying water to the town of Kankakee. Mr. and Mrs. Distell are planning on paying them a return visit soon.

WILL GIVE CONCERT

The music organizations of Plattsmouth high school under the direction of Miss Williams, director of music and Mr. L. D. Hiatt, director of the high school band, will present a concert on the evening of December 8th at the high school auditorium. This annual concert held in December is a most popular one with the music lovers of Plattsmouth because it gives them an opportunity to see what the young musicians of the schools can do. Several new features will be added to the program this year of which the brass and stringed quartets are examples. In addition, the band, orchestra and glee clubs and smaller groups will be heard in a full evening program beginning at 8 o'clock. The price of admission will be ten cents for school people and fifteen cents for adults.

Mrs. William Weber, who has been here visiting with her daughter, Mrs. Starkjohn, is leaving for Oklahoma City, Oklahoma, where she will spend the winter there with her daughter, Miss Jeanette, who has been located there for some time with one of the large business houses of that city.
