LAST CHANCE TO SECURE YOUR DIVIDENDS

Receiver Carl S. Foster of the First National Bank of Plattsmouth, states that he will be at the First National Bank of Plattsmouth Saturday of this week in a final effort to distribute unclaimed dividend checks to depositors of the First National Bank of Plattsmouth. He is extremely desirous of getting as many of these dividends as possible in the hands of those entitled to them, and furnishes the following list of persons who appear to have dividends yet unclaimed.

It is suggested that everyone concerned make a special effort to call at the First National bank Saturday, June 17th, and secure those dividends. Attention is again called to the necessity of parties desiring dividends bringing with them and surrendering to the receiver, receiver's certificates heretofore furnished as evidence of depositors claims. Mr. Foster advises us that under the rules laid down by the comptroller's office, dividend checks can not be delivered until such receiver's certificates are actually surrendered, so depositors should come prepared:
