CLOVER FARM STORES

FUNERAL OF F. W. NOLTING

From Tuesday's Daily
The funeral services of the late Fred W. Nolting were held this afternoon at 2:30 from the First Presbyterian church, attended by a very large number of the residents of the city and the surrounding community. The long residence here and the high standing of Mr. Nolting in the community brought a very large number to take part in the services.

The services were conducted by the Rev. H. G. McClusky, pastor of the church, who gave to the bereaved family and friends the words and comfort of the message of the Christian teachings.

During the service the made quartet composed of Frank A. Cloldt, R. C. Cook, H. G. McClusky and R. W. Knorr, gave two of the old and loved hymns, "Lead Kindly Light" and "Rock of Ages."

The interment was in the family plot at the Oak Hill cemetery beside the son that had preceded the father in death some eleven years ago.

HERE FROM NEHAWKA

Henry Schoemaker, prominent resident of Nehawka, accompanied by his daughter, Mrs. Edith Thiele, also of that city, were here Saturday to spend a few hours in looking after some matters of business and visiting with the many friends in the community. While here they were callers at the Journal where they both renewed their subscription to the semi-weekly edition of the paper.

ATTENDING CAMP

Miss Jean Hayes, who is attending the regional summer camp of the Y. W. C. A. at Lake Geneva, Wisconsin, is expected home this week. This is one of the large camps that are located in several sections of the country and where the young women are given the training in the work of the recreational camps and to fit them for leadership in the girl's organization.

SHOWING IMPROVEMENT

The many friends here of Chris Metzger will be very much pleased to learn that he is now showing much improvement. Mr. Metzger was not so well for several days following his operation but in the last two days seemed to have gained a great deal of strength and it is hoped that he may soon be well on the way to recovery from the operation and its effects.

Wedding of Popular Young People Here

Miss Mary Canterbury and Mr. Robert W. Thygeson of Nebraska City Wedded at St. Luke's

From Wednesday's Daily
This morning at 10 o'clock at the St. Luke's Episcopal church occurred the marriage of two of the prominent and popular young people of Nebraska City, Miss Mary Canterbury and Mr. Robert W. Thygeson. A pretty touch of sentiment was shown in the ceremony here as it was in this church twenty-six years ago that the father and mother of the groom were married.

The altar, chancel and choir loft were charmingly arranged in the decorations of lilies and baby breath to add to the beauty of the occasion.

The bridal party entered the church as the notes of the wedding march were sounded by Mrs. Cole of Nebraska City, who also played softly during the plighting of the marriage vows.

The beautiful and impressive Episcopal marriage service was celebrated by Dr. Alfred W. Cave, rector of the St. Mary's church of Nebraska City.

The bride was beautiful in a gown of embroidered white organdy with the short length bridal veil and carrying an arm bouquet of the Bride roses.

The bride was attended by Miss Helen Wessell of Nebraska City, who wore a striking costume of pink embroidered organdie and carried a bouquet of the pink roses.

Mr. Thygeson was attended as best man by Rex Warner, also of Nebraska City. The gentlemen wore dark morning costumes.

Following the wedding, the guests were invited to the home of Mrs. J. A. Donelan, aunt of the groom, where a wedding breakfast was enjoyed. The appointments of the breakfast were in the color scheme of pink and white, carried out in the summer flowers as well as the pink candles and bows of tulle. In the serving Mrs. Donelan was assisted by Miss Marie Glessman of Papillion and Miss Fern Goddard of Nebraska City.

Mr. and Mrs. Thygeson are leaving for a honeymoon of a short time at the Century of Progress exposition at Chicago and later to the Wisconsin and Minnesota lakes, returning to Nebraska City where they will be at home to their friends in their new home after August 15th.

The young people have grown to manhood and womanhood in Nebraska City where their families have been prominent in the community life there. The bride is a daughter of Mr. and Mrs. C. A. Canterbury, now of Kansas City, Missouri, while the groom is the only son of Mr. and Mrs. J. C. Thygeson of Nebraska City. Mr. Thygeson is a grandson of the late Alfred W. White of this city.

Those here to attend the wedding ceremony were: Mr. and Mrs. C. A. Canterbury, Kansas City, Missouri; Mr. and Mrs. Marshall Pitzer, Nebraska City; Mrs. Douglas Timmerman, Lincoln; Miss Nan Thygeson, aunt of the groom, Crete; Mrs. J. E. Gaskill, Miss Janice Cleveland, Miss Imogene Souders, Miss Louise and Ruth Thygeson, Mr. and Mrs. J. C. Thygeson, Miss Fern Goddard, Nebraska City; Mr. and Mrs. F. D. Burgess, Jr., Omaha; Mr. and Mrs. Karl Brown and daughter, Marion, Miss Marie Glessman, Papillion.

WILL BECOME NUNS

At the mother house of the Sisters of St. Francis at Lafayette, Indiana, on Thursday, two former Plattsmouth young women will pronounce their temporary vows as members of the sisterhood, one of the largest religious orders of the Roman Catholic church. The nuns who will take the vows are Sister Marcelosa Hausladen and Sister Francesca Hausladen, daughters of Michael Hausladen, residing south of this city. The young women have been pursuing their studies at the convent for the past several years for entrance into the sisterhood.

RETURN TO IOWA

Dr. C. M. Gradoville and children, of Knoxville, Iowa, accompanied by Miss Dorothy Gradoville, who has been spending the past two weeks in Iowa, arrived here Saturday evening. They spent Sunday here and on their return were accompanied by Mrs. Gradoville and the baby daughter, Dorothy Loraine, who have been at the St. Catherine hospital at Omaha.

Advertising will keep the wheels of business turning, even in "depression times." Don't overlook that fact, Mr. Merchant.

SEEK HIGHWAY IMPROVEMENT

A delegation of the residents of Cass and Sarpy counties headed by Senator W. B. Banning, of Union, were callers at the office of State Engineer Roy Cochran, Tuesday.

The delegation took up with the engineer the question of spreading out sharp turns and rebuilding narrow culverts on highway No. 50 from Millard to highway No. 24, south of Weeping Water. The delegation also desired two blocks in Louisville widened from sixty to eighty feet.

State Engineer Cochran heard the request of the Cass and Sarpy delegation but that the Louisville toll bridge might interfere in getting the desired work at this time as the bridge might lead to the refusal of federal funds was expressed.

TAKEN TO HOSPITAL

Mrs. George Klinger, who has not been in the best of health for some time, has been taken to the Immanuel hospital at Omaha for treatment. Mrs. Klinger was operated on a short time ago and the condition of the patient was such that it was thought best to have her taken back for further treatment. The host of friends here are trusting that she may find relief from the sickness and be restored to her former good health and be able to resume her activities as usual.

Seed Should be Sent in Now to be Accredited

Certification in Charge of the State Wheat Growers This Year—Apply Germination Test

P. H. Stewart, extension agronomist at the Nebraska college of agriculture, reminds Nebraska farmers that applications for certification of seeds of small grain should be sent to the college immediately. The Nebraska Crop Growers association is in charge of certification work in Nebraska.

Varieties of small grains eligible for state certification for 1933 include Cheyenne and Nebraska 60 winter wheat; Ceres, Mindum and Marquis spring wheat; Nebraska 21, Burt 293 and Kamota oats; Glabron, Comfort, Spartan, Trebin and Velost barley and Rosen rye. Flax varieties include Blson, Buda and North Dakota 114. Sudan grass seed of approved origin is also eligible for certification.

Fields to be eligible for certification, must have been sown to seed which came directly from the Nebraska college of agriculture or its substations or from seed which was certified by a recognized crop im-

provement association the previous year.

Stewart says field inspections of small grain, flax and sudan grass must be made just prior to harvest. The inspector, Lawrence Newell, will determine accurately the condition of the field as to purity, disease and weeds. Fields containing bindweed or wild oats will be disqualified. Where patches of bindweed are present, they must be plowed under by the time field inspection is made. Before the crop is finally certified, each grower must submit a representative cleaned sample, similar in quality and condition to that supplied customers. A sample of the seed submitted will be put in the hands of the state seed analyst for a germination test.

TWO ENTER ANNAPOLIS

Washington—Representative Shalinger's office this week announced that John N. Neel, of Holbrook, and Ralph Kissinger, of Fairfield, have passed the necessary examinations and have been admitted to the United States naval academy at Annapolis.

GOES TO REFORESTATION

From Tuesday's Daily
This morning James Persinger, Dean Patton and J. C. Couch, three local veterans, departed for Lincoln where they were called as the quota of Cass county in the Veterans reforestation program. The three will report at Lincoln and then be assigned to the camps over the state where

special reforestation work is being planned as a part of the government program for re-employment. The local men will be used in the work in Nebraska this summer and which will afford them the opportunity of work until the general conditions are much more improved.

Journal Want-Ads cost only a few cents and get real results!

"NO BLOWOUTS on My 4th of July Trip! I'm Getting New Goodyears NOW!"

YOU don't need to be told that a thin, risky tire can take all the joy out of driving—but perhaps you have never figured that it costs you money to ride on old tires, with prices on the way up—if you pay more for new tires later on.

So buy now—enjoy your big July 4th week-end—and save yourself some money.

And while you're buying—get the SAFETY of blowout protection in every ply—get the SAFETY of grip in the center of the tread. Only Goodyear can give you the double safety of Supertwist Cord in every ply—and every ply from bead to bead—combined with the safety of the world-famous All-Weather Tread.

You can buy Goodyears—the world's first-choice tires—for not a cent more than tires which give far less value and protection.

Prices Have Started UP!
Don't wait to buy your tires!

You can see for yourself these prices are still low. Don't miss them by trying to squeeze a few more miles out of old worn-out rubber.
