PLAN HOME REPAIR LOANS
Washington.—Already engaged in efforts to lift the mortgage, the Roosevelt administration intends to help the hard pressed home owner modernize the family mansion and keep it in repair. Legislative plans to that end were outlined by John H. Fahey, chairman of the federal home loan bank board and the Home Owners Loan corporation, who said that aid for new building was also contemplated. Fahey revealed that the program would be included probably in the measure to guarantee the entire principal of the home loan bonds. Fahey's plans aim at increasing the amount of money which building and loan associations may borrow from the bank system, and providing the direct loan of funds for modernization to home owners whose mortgages have been taken over by the Home Owners Loan corporation. Fahey stressed that care would be taken to make sound loans, and caution would be used to prevent artificial stimulating of home building by the too free use of government funds. Modernization, he said, was the principal object of the proposals.

Rotarians Hear Talk on Law Enforcement

George Allen, Chief of Police of Omaha Is Speaker at Noonday Luncheon of Club.

George Allen, chief of police of Omaha, was the guest speaker at the noonday luncheon of the Rotary club on Tuesday, bringing a very interesting story of his long experience in police work of the state's largest city.

The remarks of Mr. Allen covered the field of law enforcement and the duties of the officers of the peace in the various lines of activity that they find on the police force and other law enforcing bodies. The talk was very interesting and brought a fine appreciation to the members of the club of what a police officer in a large city has to face in his work of protecting the public in many lines, the suppression of crime as well as the regulation of traffic, one of the big problems of a city police officer.

The Rotary club had invited as guests at the dinner to meet Chief Allen, County Attorney W. G. Kleck, Sheriff Homer Sylvester, Chief of Police Joe Libershal and City Attorney J. A. Capwell. Ray Misner, new commercial manager of the Lincoln Telephone & Telegraph Co., was also present as a guest of C. H. Jensen and presented to the club.

John Kelly, senior, of the high school, who has been an honorary member of Rotary for the month of January, was called upon and gave his impressions of Rotary and his pleasure at being associated with the members for the past month.
