Rotarians Hear of Modern Air Travel Service

"From Coast to Coast in 20 Hours" Presented by the United Airlines Last Evening.

The Plattsmouth Rotarians held one of their pleasant evening meetings last night at the dining room of the Hotel Riley where they had as guests for the occasion the Rotary Annex to add to the pleasures of the event.

The dinner served by the Stewart cafe was one that was delicious and much enjoyed by all of the large group present.

The members of the party enjoyed a fine musical offering by George Jesger, violinist, and E. H. Wescott, pianist, in which these talented musicians gave several numbers of beauty and charm.

The program was presided over by S. S. Davis, past president, in his usual entertaining and clever manner and who introduced as the chief feature of the evening, H. W. Peterson, district traffic manager of the United Airlines and a member of the Omaha Rotary club. The lecture was accompanied by motion pictures of an air trip across the continent and gave the Rotarians and Rotary Annex an experience of seeing their country from the air.

"From Coast to Coast in 20 Hours," was the title of the picture. The picture gave a fine idea of the convenience of air travel which is developing rapidly. The United Airlines have 60 planes now in continuous operation making the trip from New York to San Francisco in 20 hours. One hundred young women are employed in the role of hostesses for these planes looking after the comforts of the travelers. The planes are outfitted with large overstuffed lounge chairs and each plane weighs 6 tons when loaded. These planes travel at an average speed of three miles a minute. The trip from Omaha to Frisco is now made in 10 hours and 45 minutes. The schedule time between Omaha and Chicago is 2 hours and 50 minutes, but Mr. Peterson remarked that only recently one of their planes came through in 2 hours and 12 minutes. He spoke of the continual improvement in the construction for efficiency of operation, citing how the wheels of the plane are drawn up under the wings by means of the power of an electric motor, after the plane is in the air. It was found this cut down the wind resistance and increased the speed of the plane 20 miles an hour. He also explained how balloons are sent up and brought down every 4 hours at all the principal airports along the line of travel. These balloons carry weather recording machinery and indicate temperature as well as wind direction and velocity. It has been found, he explained, that it is possible for a plane to fly from Omaha to Chicago, for instance, with the wind and at the same time a plane coming from Chicago to Omaha flying at a lower or a higher altitude might also be traveling with the wind as the air currents often blow in different directions at different altitudes.

Passengers traveling from coast to coast passing through Omaha during the past years ranged in age from 3 weeks to 93 years, said Mr. Peterson, who said last week a boy of 3 came through Omaha by plane traveling alone from New York to San Francisco.

ORGANIZE JUNIOR C. D. OF A.

Tuesday afternoon at the home of Mrs. Frank Mullen there gathered a group of some eighteen young girls to participate in the re-organization of the Junior Catholic Daughters.

Miss Elizabeth Kernan, of Hastings, state chairman of the Junior Daughters, was in attendance at the meeting to take up with the girls the matter of the re-organization.

There were also in attendance Mrs. Edgar Creamer, vice-regent of the local court of the Catholic Daughters of America, Miss Genevieve Whelan and Mrs. W. V. Ryan, who are to serve as the advisory council on behalf of the Catholic Daughters of America.

A committee of councillors composed of Miss Constance Rea, Miss Helen Woolcott, Miss Mary Holy and Miss Anna Zitka, were named to assist in the work of the Junior Daughters.

It was decided to have the first regular meeting on next Tuesday evening and at which time the election of officers and the plans of organization will be more fully discussed.

At the close of the afternoon dainty refreshments were served that added to the pleasures of all of the party.

VISITS IN MINNESOTA

Mrs. Floyd Harding, former Plattsmouth lady, is now visiting at Cass Lake, Minnesota, where her husband, Captain Harding, is stationed as a member of the army in charge of the CCC camp that is maintained at that place.

Captain Harding and family have just recently returned from a tour of duty in Porto Rico, where tropical conditions prevail and at the new post of duty eleven and twelve degrees below zero is the rule.

Captain Harding has been made sub-district adjutant and quartermaster of the Citizens Conservation Corps in that area and will have several camps under his supervision.

Mrs. Harding and the children are remaining at Atchison, Kansas, at the George Falter home for the remainder of the school term as there are no school facilities at the camps where Captain Harding is stationed.

DIES AT OMAHA

Mrs. Walter Weiss, formerly Miss Betty Ptak of this city, died Saturday at her home in Omaha following a short illness. The deceased lady was a daughter of the late Mr. and Mrs. J. C. Ptak and was born and grew to womanhood in this city, the family moving to Omaha some years ago and where they have since made their home. Mrs. Weiss had reared her two children as well as three sisters and one brother, Agnes Ptak, Mrs. Helen Wetenkamp and Barbara Ptak of Omaha and John Ptak of Minneapolis. She is also a niece of Emmons Ptak and Mrs. A. J. Snyder of this city.

The funeral services were held this morning at 8:30 at the John A. Gentleman mortuary and from the Holy Angeles church at 9 o'clock. The burial was at the Holy Sepulcher cemetery at Omaha.

A NOTICE

(A notice found nailed to a tree in one of the parks of Seville, Spain. Copies from the book "Spanish Sunshine" by Elmer Elmer):

To the Wayfarer:
 Ye who pass by and would raise your hand against me!
 Hearken ere you harm me!
 I am the heat of your earth on the cold winter nights.
 The friendly shade screening you from the summer sun.
 My fruits are refreshing draughts, Quenching your thirst as you journey on.
 I am the beam that holds your house,
 The board of your table,
 The bed on which you lie,
 And the timber that builds your boat.
 I am the handle of your hoe,
 The door of your homestead,
 The wood of your cradle,
 And the shell of your coffin.
 I am the bread of kindness, and the host of beauty.
 Ye who pass by, listen to my prayer; harm me not.
