She is also a writer of drama and has prepared a number of pageants that have been adopted and in use of the country. Report Dillinger Headed West for Nebraska-Kansas

Sheriff Homer Sylvester Notified by State Sheriff to Guard the Bridge Here.

Following the sensational raid on the jail at Warsaw, Indiana, by John Dillinger and his gang, taking guns and ammunition, the bandits were reported as fleeing west.

The office of State Sheriff Fred Benton this morning notified Sheriff Homer Sylvester that the bandit car was reported to have been seen in Iowa and it was thought was coming west on No. 34. The sheriff was requested to maintain a watch at the Plattsmouth bridge over the Missouri river for the car or any suspicious parties that might answer the description of the much sought killer.

Since the daring escape of Dillinger from the Crown Point, Indiana, jail, the bandit has been reported in many sections of the country, but apparently had not gone far from the scene of his escape.

Sheriff Sylvester as soon as the information was received here started the patrol of the bridge here in case the bandit gang should attempt the crossing. Similar patrols are being kept at the other bridges along the Missouri to try and effect the capture of Dillinger before he reaches his evident goal in the southwest.
