#### GLENWOOD WINS MEET

The Glenwood-Plattsmouth high school track meet at Glenwood on Wednesday afternoon resulted in Glenwood carrying off the meet honors by the score of 96 to 53 points. Jess Taylor, in the shot and discus was a first, Kenneth Armstrong, second; Wayne Hiner was first in the high jump and Donald Cotner in the broad jump. A number of the local students accompanied the track team to the Iowa city.

#### MARRIED AT COURT HOUSE

Thursday afternoon County Judge A. H. Duxbury officiated at the marriage of Miss Edna Louise Blunt and Mr. Glen Mason, well known young people of the community. The wedding ceremony was witnessed by Mrs. May Blunt, mother of the bride and Mildred Blunt, a sister. The young people will receive the best wishes of their many friends on the happiness that has come to them.

### Honor Convocation of the High School Friday

Honors for the Year in All Lines of School Activity Held at the High School.

From Saturday's Daily  
The annual Honors Convocation was held at the high school yesterday afternoon at which time the honors for the year in all fields of activity were announced. This is one of the most important programs of the year as honor is paid to the students who have made outstanding records of achievement in scholarship, music, dramatics, declamatory, citizenship and athletics. Plattsmouth high school is proud of the unusually large number of students who are privileged to participate in this program as it is indicative of the high type of work being done in all fields of activity.

The two highest scholastic honors for the four years go to Lois Bestor, valedictorian, registered in the college preparatory course with an average of 94.89 per cent. The honor of salutatorian goes to Lillian Sedlak, registered in the commercial department, with an average of 94.64 per cent. These are remarkable grades when it is considered that the highest grade awarded in Plattsmouth high school is 95 as the grading system is based on a scale with 95 as the highest rank. An outstanding honor in the state goes to Lois Bestor in the winning of a Regents scholarship to the university which she won in competitive examinations with other high schools in the state. There are 600 high schools in the state and only 250 scholarships are awarded. Additional scholarships from the teachers colleges and denominations schools are also annually awarded to the two highest ranking students.

#### National Honor Society, 1933-34—

Composed of ten students selected from the upper 25% of the class: Lois Bestor, Lillian B. Sedlak, Martha Kaffenberger, Anna Margaret McCarty, James M. Robertson, Dorothea M. Stemonett, Ellen Marie Kelly, Dorothy M. McCarthy, Mary Anne Rosencrans, Margaret Taylor.

#### Highest Scholastic Honors

Valedictorian, Lois Bestor, college preparatory; Salutatorian, Lillian Sedlak, commercial; Regents scholarship, Lois Bestor.

#### D. A. R. Am. History Prize—

1st, William Woolcott; 2nd, Eleanor Black.

#### Am. Government Prize—

Best student, Lois Bestor; Student making greatest improvement, Earney Newton.

#### Honors Economics Prize—

Katherine Armstrong, Certificate of Honor.

#### Commercial Certificates, 1933-34—

Dorothy McCarthy, William Woolcott, Margaret Yelick, Barbara Spangler, Lorence Rhoades, Florence Lancaster, Frances Griffin, Marion Fricke, Thyra Baumgart, Lillian Sedlak.

#### Citizenship, 1933-34—

Seniors—James Robertson, Mary Anne Rosencrans, Margaret Taylor, Mary Ann Hadraba, Lois Bestor, Alice Hiatt, Matha Kaffenberger, Edwin Kalina, Ellen Kelly, Bernard Knoflieck, Anna Margaret McCarty, Lucille Meisinger, William Highfield, Frances Griffin, Dorothy McCarthy, Lillian Sedlak, Mildred Zatopke.

#### Juniors—Virginia Trively, Carl Hula, Henry Kaffenberger, Erle Johnson, John Nottelmann, Everett Petet, Ernest Seltz, Louise Bakke, Bessie Carey, Edna Carlburg, Naomi Day, Lois Giles, Lois Meade.

Sophomores—Eugene Ault, Glen Winters, Viva Palmer, Eugene Nolte, Rita Libershal, Kathryn Armstrong, Rosemarie Burcham, Sheila Albert, Wilma Friedrich, June Geist, Covert Timmas.

#### Freshmen—William Carey, John Gayer, Frank Koska, John Stoll, Robert Valley, Delia Solomon, Florence Woster, Kathryn Anthes, Edna Black, Evelyn Christy, Sybil Geist, Jacquelyn Grassman, Elva Johnston, Edna Mae Petersen, Rachel Robertson.

#### Music Contestants, 1933-34—

Peru, Mink Contest—Mildred Knoflieck, violin, Superior; Wallace Terryberry, viola, Superior; Bernard Knoflieck, cello, excellent; Lois Bestor, Alice Hiatt, Rachel Robertson, Mildred Knoflieck, violin quartette, Excellent; Margaret Taylor, girls low voice, Superior; Mary Anne Rosencrans, girls high voice, Good; Margaret Yelick, girls medium voice, Good; Jane Boedeker, piano, Excellent; William Jensen, boys low voice, Good; Girls Sextette, Excellent.

#### District Contest, Omaha—Jane Boedeker, piano, Good; Margaret Taylor, Good; Mary Anne Rosencrans, Good; Wallace Terryberry, Good; Boys Quartette, Good; Girls Sextette, Good; Mildred Knoflieck, violin, Excellent; Bernard Knoflieck, cello, Excellent; Violin Quartette, Excellent; Bernard Knoflieck, boys medium voice, Superior.

#### State Contest—Bernard Knoflieck, Superior.

#### National Athletic Scholarship Society, 1933-34—

William Edwards, Maynard McCleary, William Jensen, Edwin Kalina, Wayne Hiner, Earl Lamberson, Joe Graves, Edgar Seltz, Thomas Grosshans, Oliver Taylor, Joe Hen-

#### NUMERALS

Half Blue—Maynard McCleary, Oliver Taylor, Jesse Taylor, Kenneth Armstrong, Earl Lamberson, Donald Cotner, Lorence Rhoades, Wayne Hiner, Howard Hirz, Earle Taylor.

#### Full Blue—Donald Cotner, Howard Hirz.

#### Basketball Lettermen, 1933-34—

Maynard McCleary, Wayne Hiner, William Ronne, William Jensen, Kenneth Armstrong, Lorence Rhoades, Bernard Knoflieck, Donald Cotner, Joe Hendrix.

#### Football Lettermen, 1933-34—

Lorence Rhoades, William Ronne, William Edwards, Bernard Knoflieck, Maynard McCleary, William Jensen, Edwin Kalina, Wayne Hiner, Earl Lamberson, Howard Hirz, Joe Graves, Edgar Seltz, Kenneth Armstrong, Jesse Taylor, Thomas Grosshans, Louis Kief, William Crouch, Oliver Taylor.

#### INVESTIGATE CASE

Early Monday morning, May 7th, Omaha Police Officers Mikles and Pisanowski apprehended Earl Ray Henry of Bennet, Nebraska, with a car, in which was found a lot of stolen merchandise.

Captain Franks of the Omaha police department got in touch with State Sheriff Benton who identified the car as being stolen from Bennet the night before, and also identified some of the stolen merchandise as loot from recent burglaries at Cheney, Avoca, and Tecumseh, Nebraska.

Deputy State Sheriff Lancaster and Constable Harlin went to Omaha to return Earl Henry, and while in Omaha Deputy Lancaster compared a list of articles stolen from Avoca, Nebraska with the stolen loot and found they were identical. He also found a key in the possession of Henry that he thought might fit the lock of the Avoca store, and after returning Henry to Lincoln, Lancaster went to Avoca and found that the key did fit the lock of the Rubge General Store which was burglarized on the night of April 27th. Mr. Rubge has positively identified some of his merchandise by cost marks.

Earl Ray Henry was held in Lancaster county jail until Tuesday, May 15th, when he was taken to Plattsmouth by Deputy Sheriff Walling of Cass county. Henry will be tried in county court Tuesday, May 22nd.

#### UNDERGOES OPERATION

Mrs. Otto A. Keck of this city was operated on at the Immanuel hospital at Omaha and at the last reports was doing very nicely. Mrs. Keck has not been feeling the best of late and it was decided that an operation would be necessary to give the patient any measure of relief from her condition. The many friends will be pleased to learn that she is doing so well and trust that she may continue to improve.

#### INJURED IN WRECK

Miss Bertha White, former resident of this city and Omaha, was seriously injured one day last week in an auto accident which occurred on one of the principal streets of Los Angeles.

Miss White, daughter of Hon. and Mrs. Francis E. White, removed with her parents some years ago from Omaha to the California city where they have since made their home.

Miss White with her sister, Mrs. Louise White Haller, were motoring in their car when the car was struck by a speeding auto that was driving on the wrong side of the street, the car of Miss White being overturned and badly wrecked. In the impact Miss White suffered the fracture of seven ribs and several small cuts from glass while Mrs. Haller was uninjured beyond being shaken up and bruised to a greater or less extent.

#### ABLE TO BE OUT

William H. Woolcott, who returned home the last of the week from Omaha where he was operated on for a goiter, has so far recovered that he is now able to be around and down in the business section of the city. Mr. Woolcott shows the effect of his illness and operation but hopes in a short time to be back in his normal health.

Mrs. Alvira Roessler, who has been enjoying a visit with her children for a short time, has returned to this city and is now established in her home on Vine street after a very pleasant visit with the relatives.

### Burlington 'Zephyr' Train to Set New Record

Expects to Pass Through Plattsmouth on May 26th Between 11 and 11:30 a. m.

To signalize the re-opening of A Century of Progress Saturday, May 26, the Burlington Zephyr, the stainless-steel streamline diesel-powered flyer, will make the fastest and longest non-stop race against time ever attempted in railroad history.

The starting point will be Denver, Colo., and the fanciful tape will be opposite the Burlington suburban station at Halsted Street, Chicago.

The intervening distance is 1017 miles all to be traversed in the daytime. The actual running time is expected to be about 15 hours.

The average scheduled speed will approximate 70 miles per hour.

The signal to go will be given in the shadows of the Rockies soon after dawn and the arrival at the Lake Front is set for sometime before dusk.

It is planned that the Zephyr swing around the southern end of the city, making its first scheduled stop across the Lief Ericson Drive at the Fair. A few minutes later it will proceed to its parking place at the transportation section in A Century of Progress.

Ralph Budd, president of the Burlington, today made official announcement of the Zephyr's amazing task, following the close of the train's exhibition at the Union Station. The streamline marvel on Thursday finished its tour of the east with a record-breaking dash from Ft. Wayne.

In the face of a dust storm from the west with a velocity at times of 40 miles per hour, the Zephyr traversed the 141 miles from that Indiana city to Englewood, Chicago, in 105 minutes or an average of 80.2 miles per hour. During a previous test in the east under more favorable atmospheric conditions the Zephyr reached a maximum of 107 miles per hour.

It seems that the idea of the dash from Denver developed on the run from Ft. Wayne when Mr. Budd and Rufus C. Dawes were sitting in the solarium observation end of the flying train. Mr. Dawes inquired if there would be further speed tests after the Zephyr reached Chicago and Mr. Budd replied that longer runs at high speed would be undertaken on the Burlington's own lines.

"Your new train typifies the new century of progress," said Mr. Dawes, "why not bring it in all the way from Denver where your railroad starts?" "Agreed," was Mr. Budd's assuring answer. The problem was put up to the Burlington's operating officials and the result was a carefully worked-out time schedule.

When the Zephyr comes down the home straightaway from Aurora, the center track on the main line will be reserved for the "stretch run." In salute all trains on the two other tracks will stop momentarily as the "silver streak" flashes by.

It is difficult to compare the task set for the Zephyr with trains operated by steam. Locomotives have gone in excess of 500 miles on experimental trips but on an average of 200 miles, stops must be made for fuel or water. The Zephyr uses ordinary furnace oil for fuel, averages better than two miles to a gallon and will carry in its tank a full supply of 600 gallons when it pulls out of Denver. Its radiator demands are similar to an automobile—a supply at the start is ample for a full day's operation.

#### BONDS

We Handle Every Kind

#### Surety Bond

It isn't fair to ask a friend to sign your personal bond—he may do it, but (you know) he would rather not.

#### HE IS LIABLE

Years later he might be called upon to pay the amount of your bond.

All Purpose GRIND

### Greenwood to Seek Water from Lincoln Line

Officials of West Cass County Town Propose to Secure Supply from Lincoln-Ashland Line.

Greenwood officials have requested Commissioner Doerr of Lincoln, to make a proposition concerning water service from the Ashland supply source to the inhabitants of that town.

"We will make a thoro check as to line pressure there, height of their storage tower and other matters before giving an answer," said Doerr. "We shall be pleased to serve Greenwood and expect eventually to furnish water to Ashland and Waverly. They will have the advantage of a larger available quantity thru buying of us—an advantage worth while. It means more to have say 12 million gallons daily available than say 300,000 gallons."

If the city's proposition, when ready, is accepted by Greenwood, water will be sold direct to the municipality from the big thirty-six inch trunk main, the town doing its own pumping into pressure tower.

Early in water extension program, Commissioner Schroeder was asked by Ashland officials to quote a price on water. That was before the plant was completed. The official was not then possessed of sufficient information on costs, both construction and operation, to make a definite proposition. Additional equipment was purchased for Ashland and nothing since has been said concerning shift to Lincoln's supply.

It has long been the hope that Ashland, Greenwood and Waverly will eventually become customers. The big pipe line was constructed thru those places with this in view and facilities for connections are in the main.

William H. Woolcott, who returned home the last of the week from Omaha where he was operated on for a goiter, has so far recovered that he is now able to be around and down in the business section of the city. Mr. Woolcott shows the effect of his illness and operation but hopes in a short time to be back in his normal health.

Mrs. Alvira Roessler, who has been enjoying a visit with her children for a short time, has returned to this city and is now established in her home on Vine street after a very pleasant visit with the relatives.
