

Nehawka

Miss Esther Edmiston, of Lincoln, was spending last Saturday and Sunday at the home of Mr. and Mrs. Gilbert Edmonds.

R. C. Pollard says business is fine and that last month was the best in a number of years, for which he is very thankful.

Chester Stone and his sister, Verle Stone, have each purchased new Plymouth cars through the agency of Clarence Hansen.

A. B. Rutledge and son, Glen, were in Plattsmouth on last Monday afternoon, where they were called to look after some business matters for a short time.

Frank and Hubert Roddy were looking after some business matters in Plattsmouth Monday morning, being accompanied by their father, James Roddy.

Mr. and Mrs. Gilbert Edmonds and children spent last week with Mr. Edmonds' parents, John B. Edmonds and family, where they enjoyed a very fine time.

Robert D. Taylor was out to Lamar where he purchased a truck load of very fine potatoes which he brought to Nehawka and disposed of at \$1.25 per hundred pounds.

Fred Nutzman and son, Eugene, were over to Weeping Water last Saturday night where they were attending a republican rally when Marcus Poteet, candidate for congress was the principal speaker.

A. F. Sturm who has had the lumber yard so that anyone could drive into and through it as any time without hindrance, is now having it fenced and gates placed so that they will have to be unlocked in order to enter the yard, which looks pretty good.

Superintendent Misner of the Lincoln Telephone & Telegraph company's district office at Plattsmouth, was looking after some business matters for the company in Nehawka on last Monday and was inaugurating some new features which should provide a decided improvement in the service rendered their patrons.

Albert Sill and Ed Morley, with their wives, were over from Avoca for a visit in Nehawka on last Sunday at the home of Mrs. Laura Fleischman, where they were visiting with the sister and also the parents of the la-

dies, Mr. and Mrs. T. S. Pittman. The father, Mr. T. S. Pittman, has not been in the best of health for some time and just now is quite poorly.

Got Some Pheasants

Forest R. Cunningham and Glen Rutledge, who were out to Fullerton last Saturday and Sunday, where they went to hunt the festive pheasant and where they were able to get their quota, but they say the birds were not very plentiful. Mr. Cunningham, speaking of the crops up that way, said he thought they were better than here, although the farmers were cutting their corn for fodder in a good many cases. There are some fair corn yields, however, which beats this part of the country. And "Mac" said there is plenty of green stuff for forage at this time.

Improving Building

The building which has been used for the telephone exchange, but was formerly used as a bank before being acquired by the telephone company for use as a workshop, is now being repaired and put in the best of condition in order that it may be used as an office building. Ralph Kennedy, of Murray, is making the alterations.

Cuts Foot Very Badly

While at play about the home in Union, Leo, the six year old son of Mr. and Mrs. Otis Kent, stepped on the neck of a broken bottle with the result that three of his toes were very badly cut. The father hurried the lad to a doctor here in Nehawka, where the wound was dressed and the youth made as comfortable as possible.

Attended Golden Wedding

W. H. Kruger and family were at Greta last Sunday, where they attended the golden wedding celebration of Mr. and Mrs. Frank Snodgrass, aunt and uncle of Mr. Kruger, who were married fifty years ago on October 17th, but whose celebration was held on Sunday, October 14th so a larger number of the relatives could be present. There was a large attendance at the celebration, too.

Peter Opp Poorly

Peter Opp, one of the pioneer citizens of Nehawka, who has passed his 84th birthday, was not feeling so well the first of the week and was kept to his bed for the present, hoping that he might be better in a short

JAMES MILLER
Nehawka, Nebr.

time. His many friends are hoping also that he will soon be in his former good health.

Will Return to West

Mrs. J. W. Miller, daughter of Mr. and Mrs. Henry Wessell, who makes her home in Los Angeles, but who has been here visiting during the entire summer, and who has been spending a few weeks with her brother, Arno Wessell and wife, of Des Moines, Iowa, returned to Nehawka last week and will visit here for a short time before returning to her home in the west. Dr. Miller, the husband, is still located with the Pacific fleet in Cuban waters and will in about a month depart with the fleet for the west coast, where they will be at home again during the latter portion of November.

Pictures of New Library

There are a variety of pictures of the Nehawka Public Library on exhibition in the west window of the Sheldon stores of Nehawka, which presents the new library building in a very favorable light and makes a very fine picture. Better drop around and see the exhibit and carry one of the fine pictures away with you, for indeed they are fine.

Nine Years Old

Mr. and Mrs. Guy Rood, of Burr, Nebraska, and their little daughter, Cathleen, were visiting in Nehawka last Sunday and were guests at the home of Mr. and Mrs. Nels Anderson, grandparents of the little lady, Cathleen, who was also celebrating the passing of her ninth birthday anniversary and say all had a very fine time.

Had Excellent Gathering

There was a meeting of the men of the Methodist church and some others held in the church basement on last Tuesday evening, at which time the pastor, Rev. E. S. Pangborn, was in attendance and explained the purpose and the work of the brotherhood and with the idea of organizing a brotherhood of the Methodist church in Nehawka. A very fine program and good eats were had. And while we have not been informed of the outcome, we feel sure that a brotherhood organization has been perfected for Nehawka. J. J. Pollard and Albert Anderson had charge of arranging the eats for the gathering and looked after that detail in splendid manner, providing plenty to eat and it was good, too. There were around forty in attendance.

Testing Out the New Well

On last Monday the members of the Nehawka village council were out to witness a test being made to ascertain the amount of water the new well, which was practically completed last Saturday, was capable of supplying. The screen was placed on a pipe at the bottom of the well and the pump started at about 1:30 Monday afternoon, pumping a large quantity of water in an effort to learn whether or not the supply is exhaustible.

Services at Methodist Church. Bible school every Sunday morning at 10 o'clock. Preaching every Sunday morning at 11.

A cordial invitation extended to all. E. S. PANGBORN, Pastor.

Attended the Football Game.

The members of the Nehawka high school, some thirty in number, were in attendance at the Iowa-Nebraska football game which was played at the Lincoln stadium on last Saturday and enjoyed the game immensely. They were under the sponsorship of Superintendent C. E. Stimbart.

Beginning on Their Play.

The senior class of the Nehawka high school are beginning on their class play which is "The Gypsy Rover," and which is filled with many a mirth provoking incident. They are at it early that they may find time to master all the climaxes which occur in the play. The play is being directed by Miss Jansen.

Met with Accident

While Albert Scudder, who is employed at the stone quarry, was engaged in his regular work, a stone became dislodged and rolled down onto

Congressman Edward Burke to be Here Monday

Meeting to Be Held Here at 10:00 in the Morning—All Should Hear This Able Speaker.

Congressman Edward R. Burke, candidate for United States senator, will carry the message of President Roosevelt and the New Deal to the residents of Plattsmouth and vicinity on Oct. 22 when he appears here at 10 a. m. under the auspices of the local democratic committee.

Congressman Burke is particularly critical of the campaign which his republican opponent, Robert Simmons, is conducting because he says that Simmons is denouncing the recovery and relief program of the administration at a time when these programs need support from men in public office or those aspiring for these offices. Mr. Burke will detail, while here, the benefits which the residents of Nebraska have received under the Roosevelt administration and will then compare the benefits received under this administration with similar benefits which Nebraska received under the Hoover administration, when Mr. Simmons was active in congress.

Mr. Burke says that in other states even the republican candidates are insisting that the president's program has been of infinite value to the agricultural regions and, moreover, these candidates are aiding through their co-operation, the recovery program, but that Mr. Simmons, who worked with the Hoover administration leaders, seems to want to go back to the old way of doing things when the facts are that never again will there be such inequalities at the expense of the people living in the agricultural and stock raising states.

Congressman Burke is regarded as one of the outstanding supporters of the New Deal and President Roosevelt.

His hand badly mangled two of his fingers and tearing away portions of the flesh and nails and producing a very painful and severe wound. The injured hand was treated by Dr. Walters and hopes are entertained that he will not lose the use thereof, although it will be a good long time before he will be able to work again.

United Brethren in Christ.

Rev. Otto Engebretson NEHAUKA CHURCH Bible church school 10 a. m. Evening gospel service at 7:30. The mid week prayer meeting Wednesday evening at 7:30.

READ HOW TO GET RID OF Sludge the oil eater

It's thick and disagreeable—that mass of Sludge which comes out of your crankcase when you have it drained.

In reality it is broken-down oil which makes piston rings stick, so that the engine starts pumping oil. And that is as wasteful as throwing good money out the window.

The quick sure way to put a stop to Sludge is to have your crankcase drained and refilled with Iso-Vis "D", Standard's Anti-Sludge Motor Oil!

ISO-VIS "D" 25¢ a qt. Two Other Fine Motor Oils **POLARINE 20¢ qt.** **RELIANCE 15¢ qt.** Only 8 short minutes to drain and refill with **ISO-VIS "D"** Chlorex Treated Anti-Sludge Motor Oil

BOB HARTFORD
Standard Oil Servisman

says: "Many a customer of mine has told me what a difference Iso-Vis 'D' has made in the smooth operation of his car. It makes a man feel good to know he's selling the best oil there is."

Here's where to get it:
