MANLEY NEWS

Miss Rena Christensen was visiting for a few days with her friend, Miss Teresa Rauth.

Two Model T Ford Motors, in good condition, for sale. Also two trailers, one 2-wheel and one 4-wheel. See August Krecklow, Manley.

Mr. and Mrs. J. C. Rauth were in Omaha Tuesday of last week, where they visited with friends and looked after some business matters.

Miss Ruth Maier, of Loupville, granddaughter of Mr. and Mrs. C. E. Muckenaupt, was visiting in Manley during the greater part of last week.

Pete Harms, who resides in Los Angeles, has a position manufacturing drill points for use in the oil fields out there, which is a very fair job and pays good wages.

Rudolph Bergmann and Herman Dall were in Omaha last Monday, at which place they had some business to look after and while there accidentally ran onto their friend, A. B. Hill. Mr. Hill sent his regards to friends in Manley.

Harold Krecklow and his father were in Omaha with a load of stock last Wednesday, which they took up for farmers residing in this vicinity. On their return home, they stopped

in Plattsmouth, where they sold a trailer. Mr. Krecklow has been making some good trailers of late and is finding a good demand for them, as with the automobile, they serve many useful purposes.

Had a Good Sale
The sale of Art Taylor, south of Manley, was attended by a number of citizens of this place and notwithstanding the fact that the weather was damp and rain was falling part of the time, there was a good sized crowd present and the sale was a good one. The roads got pretty bad, however, as the rain continued to fall, and some had difficulty getting back onto the gravel highway.

Attended Love Fest Tuesday
Theo Harms and wife picked up J. C. Rauth and wife last Tuesday evening and drove to Avoca to attend the ratification jubilee incident to the democratic victory at the polls. Notwithstanding the fact that it had rained a good deal during the day, there was a large crowd present and needless to say a very fine time was had by all.

Met with Accident
While J. C. Rauth was working on his car, his hand was caught on a

projecting piece of steel, causing a severe gash in the palm which required a number of stitches to close and has proven very painful. The injured member is getting better now and it is hoped it will soon be all right again.

Back to His Work Here
Aaron Irian, one of the teachers in the Manley schools, who has been on a vacation which took him home to campaign for his candidacy for clerk of the district court of his home county, returned last week and has resumed his teaching duties here. He was unsuccessful in his quest for office, losing by only eight votes.

Has an Attack of Appendicitis
Miss Ruth Hogue, one of the teachers in the Manley schools, was stricken with an attack of acute appendicitis, which caused her much suffering during the night, but the following morning she was feeling much better and was able to resume her teaching. She is feeling greatly improved now.

New Family in Manley
Mr. and Mrs. L. F. Burroughs and family of five children moved to Manley last Saturday and will make their home here for the present. They are

occupying the rental property of W. J. Rau. Their coming adds three pupils to the Manley schools.

URGED TO SAVE CANE SEED
Nebraska farmers fortunate enough to produce a crop of cane seed and adapted varieties of grain sorghums or Sudan grass, are urged to save it, P. H. Stewart, extension agronomist at the agricultural college, said surveys thruout Nebraska and other midwestern states show a shortage of annual forage crops of all kinds.

"Even tho fields may not have produced a uniformly good crop, the scarcity of this seed makes it advisable to harvest such heads as did mature," Stewart said. "Neighbors, undoubtedly, will buy any surplus seed. Planting in 1934 exhausted the supply of seed available so there is little, if any, carryover on which to fall back."

A PLEASANT EVENT
The stork made a visit to the home of Mr. and Mrs. Paul Meyer at Manley on Wednesday, November 21st, leaving with the parents a fine little son. The mother and little one are doing nicely. Mrs. Meyer was formerly Miss Mary Sheehan of Manley.

Frank McClelland Former School Head Here Dies

Deceased Was Supt. of Plattsmouth Schools in the Early Nineties — Dies in Florida.

Funeral services for the late Frank McClelland, who died in Florida, were held Thursday morning at the Crane funeral chapel at Mt. Pleasant, Iowa, with the Rev. E. L. Jeamery conducting the rites. G. E. McLean sang with Mrs. Dan Winter accompanying on the piano.

Burial was at Forest Home cemetery with the following acting as pallbearers: Frank Price, J. T. Whitling, C. H. Cook, Fred Crane, John M. Lindly of Winfield and E. G. Williams of Minneapolis.

Frank Clark McClelland was born in Carmichael, Green county, Pa., in 1862. He came to Iowa with his parents, Thomas M., and Deborah Clark, early in his boyhood, residing first in Winfield and later in Mt. Pleasant where he spent his youth. His life was devoted to educational work. He was superintendent of 17w

schools successively in Pierre, South Dakota, York and Plattsmouth, Nebraska, in the early nineties, and Sioux Falls, South Dakota, following which he taught in high and continuation schools in Chicago for twenty years. He retired in December, 1931.

Following his retirement, he made his home with his nephew, Louis G. Palmer and wife in Clearwater, Fla. He died there on Nov. 18, 1934, and was laid to rest in Mt. Pleasant, Iowa, beside his father, mother and sister, Anna. He is survived by his sisters, Mrs. Elizabeth McClelland Palmer of Washington, D. C., and Mary L. McClelland of Chicago.

COUGHING, WEAK AND THIN AFTER FLU

"I nearly died from 'flu' last October, and it left me with a terrible cough.

"I saw Milks Emulsion advertised and started using it. It helped me right from the start. I had no appetite and my stomach was in bad shape. But 12 bottles have straightened me out entirely. I eat anything without distress, my cough is gone and I have gained back my strength and flesh."—Emma Withers, Box 50, Belmont, N. C.

Milks Emulsion restores healthy, natural bowel action. Milks Emulsion is strongly recommended to those whom sickness has weakened.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Wonderful for weak, sickly children. You are urged to try Milks Emulsion. Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.
