Governor-Elect Announces Names of His New Aides

Moose to Be Insurance Head to Succeed Lee Herdman, Veteran Democrat—Saunders Bank Head.

From Wednesday's Daily Appointment of four members of the state house "cabinet" was announced by Governor-elect R. L. Cochran in Lincoln yesterday, before entraining for Washington to attend a FERA conference. The four: Conn W. Moose of Omaha, insurance commissioner. Ben N. Saunders of Plainview, superintendent of the banking department. A. C. Tilley of Lincoln, state engineer. Dwight F. Felton of Ogallala, re-appointed director of agriculture and inspection.

Appointment of Moose aroused the most interest in democratic circles. Friends of Lee Herdman, the present insurance commissioner, had made a vigorous battle for his reappointment, while Arthur F. Mullen had sought the appointment of his uncle, George M. Mullen of Omaha. Both Luikart and Herdman extended felicitations to their successors. Luikart said of Saunders, "I don't know of any man better qualified than he is." Luikart admitted he "should have liked to have been reappointed," but Herdman said he was not surprised over his fate.

Moose, who is 46 years old, has been general agent at Omaha for the Home Life Insurance company of New York for the past 15 years. Before that he was an agency instructor for the Prudential. He is now an instructor in life insurance at Omaha Municipal university.

Only Bryan Holdover. Felton is the only one of the group who was a Bryan appointee. A native of Ohio, he homesteaded in Keya Paha county at the age of 22, and has lived at Ogallala since 1913.

Removal of E. H. Luikart as banking superintendent had been considered certain since his department became the storm center of the recent campaign.

His successor, Mr. Saunders, is 62 years old and has lived in Nebraska since he was 6 years old, coming here from Connecticut. He has been in the banking business for 25 years and now is cashier of the Plainview State bank.

Tilley was Cochran's assistant when the governor-elect was state engineer. When Cochran resigned to run for governor, Governor Bryan named A. T. Lobdell, then chief of the state bureau of roads and bridges, as state engineer. Now Lobdell will return to his former post in the bureau of roads and bridges while Tilley becomes state engineer.

Nebraska Plants to Process Large Amount of Meat

Four Cities to Process 20,000 Head of Cattle This Month—Extension of Buying Plan.

Full bulk of cattle purchased under extension of the emergency buying plan in Nebraska this month will be processed in plants in this state, it was announced.

Permission to process the 20,000 head in Nebraska plans means continuation of full operation of plants at Nebraska City and McCook, according to William Yoefel, supervisor of meat processing under the emergency program.

Loeffel said, however, that the bulk of cattle purchased under extended quotas will be sent to Omaha plants, where "we have the greatest relief load." The Lincoln plant also will share in the extended processing quota.

Orders for local processing of the cattle came from officials of the federal surplus relief corporation at Washington. Original plans had called for approximately 17,000 head to be shipped out of the state plants.

"The order was given solely in consideration of our need for relief work," said Loeffel. "We were forced to show that we could handle the job as efficiently and economically as elsewhere, and since all meat canned in these new operations will be shipped out of the state, all operations will be under inspection of the bureau of animal industry."

Loeffel said present indications point to operation of the Nebraska City FERA plant "for several months at least." He pointed out that auxiliary activities there will require at least curtailed operation for weeks after the bulk of the emergency buying has been completed. At McCook, however, operations probably will be halted with termination of the emergency buying.

VISITS IN THE CITY

William Edwards of Wahoo, was in the city Sunday to visit with Mrs. Edwards, who has been here at the home of her parents, Mr. and Mrs. W. A. Wells, for a short time. Mr. Edwards has been working at Wahoo for several months.

Mr. and Mrs. Leland Briggs and family of Wahoo were here for a visit at the homes of the W. J. Hartwick and M. S. Briggs family and to visit the new son of the C. B. Briggs family.

ASKS SALE SET ASIDE

Omaha.—The state banking department Monday filed a motion in district court asking that the sale of remaining assets of the closed Union State bank be set aside. The motion states the cash market value of the assets is more than the \$73,500 high bid of the Missouri Valley Investment company and asserts that confirmation of the sale will prevent creditors from receiving an equitable dividend.

WELCOME CHRISTMAS GIFT

Miss Mary Petersen has ordered the semi-weekly edition of the Journal sent to her sister and brother-in-law, Mr. and Mrs. Frank E. Cook, of Tacoma, Washington, as a holiday remembrance. The gift will bring the Cook family twice a week word and happenings of the old home community and make a most pleasant remembrance.

NAME IS OMITTED

In the list of those participating in the scene of the Nativity at the Woman's club program Monday evening, the name of Joe Noble was omitted. Joe was one of the shepherds and gave a very fine rendition of his role in the pageant.

MUST RETURN RELIEF PAY

New York.—Accused of accepting \$979 in relief funds when she had several thousand dollars in the bank, a frail, stooped woman of 78 was offered the choice of restoring the money or going to jail.

Miss Mary Dorrington, who was a trained nurse until she was incapacitated by a fall in 1920, stood in special sessions and heard Justice Herbert say: "This court has great consideration for old people who might suffer from exaggeration of fear and poverty. This defendant, however, has closed out bank accounts of nearly \$7,000. If she does not make full restitution by Christmas eve we will send her to jail."

CORN LOAN PLANS SHAPED

Washington.—Plans for uniform provisions for farm warehousing laws upon which federal corn loans are based, were made at a conference here between federal officials and representatives of six middle western states.

Mr. and Mrs. A. B. Fornoff and Clarence Busche and daughter, Florence, of Louisville, were in the city Tuesday to look after some matters of business and visiting with the old friends. While here Mr. Fornoff was a visitor at the Journal to renew his subscription.

HEARINGS ON PRICE-FIXING

Washington.—The national recovery administration invited "interested parties" to give their views on code price fixing. They will be heard Jan. 9 at the first of a series of hearings on major provisions of codes, ordered by the administrative board with a view to obtaining opinion of the advisability of continuing or amending these provisions. Other topics which may be discussed at later hearings include "employment conditions," "the small business situation," "code administration" and "production control."

S. Clay Williams, chairman of the board, said it planned to hold the hearings at intervals of about one a week.

UNDERGOING TREATMENT

Miss Helene Perry, one of the teachers in the Junior High is still at the hospital at Omaha, where she has been taking treatment. The many friends are hopeful that she may soon be on the highway to recovery and able to resume her work in the school.

TO HONOR MARK TWAIN

Hannibal, Mo.—Acceptance by President Roosevelt of an invitation to press an electric button Jan. 15 which will inaugurate a centennial celebration honoring the late Mark Twain, the novelist, was announced here.

HOME MAKERS EXTENSION CLUB

The Home Makers Extension club held their December meeting and Christmas Tidings on Friday evening at the home of Miss Genevieve Whelan with Mrs. Don Tinecher and Mrs. Harry Tinecher as associate hostesses.

The collect was read and the song of the month, "All Through the Night," given by the club members to fittingly open the meeting.

The project leaders gave the lesson, "Economic Food Buying," giving a very instructive lesson on this subject.

The social evening followed and in "Buncho" Mrs. W. A. Bennett proved the most skillful.

As the evening was closing Santa Claus appeared and each of the guests were presented with a token of the holiday season to add to the enjoyment of the meeting.

Dainty and delicious refreshments were served by the hostesses to complete a most delightful time for all.

SAVOYS WIN OPENER

From Tuesday's Daily Last evening the Savoy basketball team had their first contest of the season at the Louisville high school when they won from the Louisville town team by the score of 26 to 24.

The Louisville team maintained a lead on the Savoy until in the third period when the Plattsmouth quintet took a two point lead that was soon lost and they trailed by a point when a free throw by Bus McCrary tied up the score and a field goal placed the Savoy out in front in a few seconds before the close of the battle.

The Savoy were able to take only the five players to Louisville, Herchel Dew, Coffman, forwards; Donat, center; Forbes and McCrary, guards.

In the final game of the evening Louisville high school dropped the contest to North high of Omaha 50 to 17.

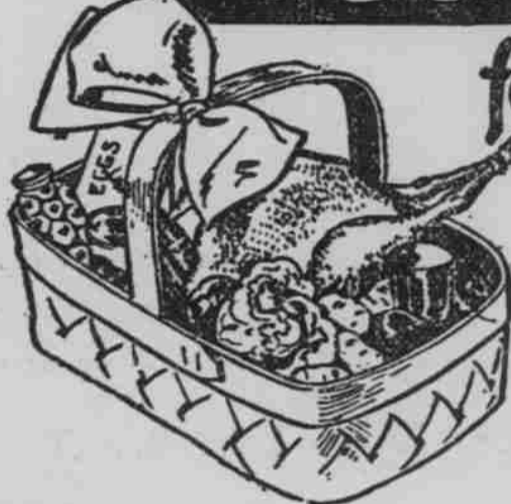

HERE FROM MONTANA

Mr. and Mrs. F. H. Hitzhausen and son, Buddie, of Billings, Montana, are in the city to enjoy a visit here with the home folks over the holiday season. They have a large circle of relatives and old friends that are delighted to have the opportunity of visiting with them during this happy holiday season.
