**MANY ENJOY DANCE**

From Tuesday's Daily

The dance staged as a part of the entertainment features of the state serie convention of the Eagles, was very largely attended last night. The American Legion had extended the use of their hall to the Eagles to stage the ball as the convention proper was occupying the Eagles hall.

Jesse Busse and His Iowa Night Hawks, one of the popular orchestras that have been heard here on other occasions, was on the job to furnish a fine brand of the popular and enticing dance numbers.

The attendance of the visitors from out of the city was exceptionally large and despite the rain the hall was filled to its capacity by the young and old to enjoy the pleasures of the grand ball.

The dance marked the climax of a day that was well filled for the Eagles and their ladies from early in the morning until the last waltz was played last evening.

**PLAY A FINE GAME**

The kittenball game Sunday evening at Athletic park, played by the Home Dairy and the U. S. Engineers, proved perhaps the best and most exciting game that has been staged this season and one that drew the greatest of enthusiasm from the delighted fans as the aDiry won 6 to 5.

The game was hard fought and both pitchers, Knofficek for the Engineers and Miller for the Dairy, were working good throughout the contest.

One of the bright spots of the game for the Home Dairy was the fielding of Howard Hirz, "Hob" grabbing what seemed certain hits time after time to check the hitters of the Engineers.

The game was decided in the sixth inning when with the tally, knotted at five all, Clyde Brittain laid on the old mushpot and it sailed out into the darkness of the outfield for a circuit drive to break the score and giving the milkmen the win.
