#### FLOOD WORK PROGRESSES

Washington. - Lawrence Westbrook, assistant works progress administrator, expressed confidence to Senator Norris that rehabilitation work in the flood ridden Republican river valley of Nebraska can be carried out readily.

"Our preliminary survey of the situation in the Republican river flood area," Westbrook wrote Norris, "indicated that we will be able to carry out this work without a great deal of difficulty.

"The crew that we have operating now has been able to complete most of the emergency work, and arrangements have already been made ed. It is planned to continue such charges. work as may be found advisable after the preliminary work is completed.
