Raymond J. Mayfield and wife were in Omaha last Monday visiting the parents of Mrs. Mayfield, also securing some pearls.

Dr. J. W. Brendel of Avoca was called to Weeping Water last Tuesday to look after some business matters for a short time.

Stuart Rough of Nehawka was a visitor in Weeping Water last Sunday coming over to visit with his sister, Miss Agnes Rough, for the day.

Walter D. Love is at this time placing a new roof on the country home of Mr. and Mrs. Ben Gibson which has been needing a new roof for some time.

W. D. Baker who has had his produce station at the C. H. Gibson store has moved it to the building just across the street from the store of Chris Rasmussen.

Pete Miller has been working for the past week on the farm of Oscar Domigno and assisting in the placing of some fodder in the silo for the winter use, and last year proved the value of this kind of feed.

Mr. and Mrs. Fred Gorder and daughter were over to Nehawka on last Sunday where they were attending the family reunion of the Henry Wessell family and where they enjoyed the day very pleasantly.

Forrest R. Cunningham of Nehawka brought his saw mill to Weeping Water and is to be here for some week sawing lumber, and will have the mill ready for active work by the latter portion of the week.

Mr. and Mrs. Ralph Keckler who were over to Chicago last week to enjoy the world's series baseball games, with the completion of the games at Chicago returned home greatly pleased with the trip and the games.

James Miller and wife who are expecting to farm the coming season near Murray, were over near Manley last Sunday to look after the purchase of some horses and also stopped at the home of James' father for a short visit.

Mr. and Mrs. Richard Keckler are this week enjoying a visit from the father of Mrs. Keckler, Mr. R. C. Duelle of Minneapolis, who is here to spend his vacation and enjoy a visit with his daughter and family. Mr. Duelle is a telegraph operator.

Uncle Lars Nelson who is now in his 79th year has been feeling pretty poorly for the past two weeks and while just now he is somewhat improved he is not in good health, his heart causing him much suffering. It is hoped that he will soon be feeling much better.

Postmaster L. E. Gorthey of Murock and family were guests for the day last Sunday at the home of Mr. and Mrs. Arthur H. Jones where all enjoyed a very fine visit and an excellent dinner. The ladies being sisters added much to the enjoyment of the visit.

George Dennis has just completed a bridge for the county some sixteen miles west of Weeping Water near the west line of the county and has another one to start the first of the week and is trying to get them done so as to be out of the cool weather which is sure to come soon, thus stopping the work of this nature.

Many Attend Convention. There was a large number of the Bible school workers of the churches of Weeping Water over to Plattsmouth last Monday where they participated in the convention of representatives from all of the schools of the county.

Mrs. George Olive at Hospital. Mrs. George Olive has not been in the very best of health for some time past and was last week taken to the Clarkson hospital in Omaha by her husband and her son, Ben Olive where she has been under observation and receiving treatment. Both the hus-

band and son were over to see her last Sunday and found her slightly better but was being given extreme care by the nurses who had little to communicate to the husband and son. They are hoping she will be improved soon.

Attend the Epworth League. The Epworth League, the young peoples society of the Methodist church, meet on Sunday evening at the church building at 6:30 and a very cordial invitation is extended to all young people not worshipping elsewhere to come and enjoy the meetings.

Car Leaves Roadway. While Glen Taylor and Paul Doty were going south some mile and a half from Weeping Water and were rounding the hill near the Peter Lund home, they met a car towing another car into town and as they were rounding the hill, they of necessity required a good deal of room and as the boys were going up the hill they tried to give the other car as much room as possible and in so doing got to near the side of the road and the car skidded from the road and rolled down an embankment, rolling over a number of times and finally rested some forty feet away with the car badly battered from the tumble. The boys were not seriously injured and escaped with only bruises and a severe shaking up.

Made a New Face. Well pretty near that, for fifty-six stitches were required to repair the face of Laura Lawthers after the sideswipe of two cars on highway No. 50 some eight miles south of Weeping Water, where they collided in the night last Saturday. A party from Weeping Water in a Model A Ford truck, containing Arthur and Frank Nickles and Misses Laura and Betty Lawthers, brothers and sisters, was returning from a dance at Oteo and another party from Avoca in the car of Bob Davis which was a Model T Ford and contained five persons, they being Bob Davis, owner of the car, Miss Marjory Jourgensen, Matt McCann, Sylvia Herman and Lillian Ebeler who were going to the dance and as they were driving along, each making fair time, the cars sideswiped.

Miss Laura Lawthers was the most severely injured, the many cuts on her face, requiring 56 stitches to close. Her sister, Betty, was very seriously cut and bruised as well, while Frank Nickles had a very severe gash in his cheek which required a number of stitches to close. Art Nickles was greatly bruised and cut about the head and face as well.

They were taken to the hospital where their wounds were treated and it is hoped that they will recover in a short time.

In the case of the occupants of the Model T, they were all injured, Bob Davis being the most lucky of all, for he was not so badly hurt. Matt McCann had his face badly bruised and lacerated as well as being bruised about the body, while Miss Marjorie Jourgensen received a deep cut over one eye requiring two stitches to close and another cut in her mouth required three stitches. Miss Lillian Ebeler who teaches school near Cook had numerous cuts and bruises that required a number of stitches to close but was able to go to her school to teach. Miss Sylvia Herman was also cut and bruised, but in all of it they got out well.

Give Farewell Party. The neighbors and friends of Mr. and Mrs. Glen Miller who have resided in the country east of town during the summer where Mr. Miller worked on the farm, gathered at the Pleasant View school, which is otherwise known as the Philpot school, and gave a party in the nature of a farewell for the Miller family, who are moving to Manley to make their

home, although Mr. Miller will pick corn for Fred Meisinger who lives a few miles west of Murray.

A very fine time was had and the Miller family were greatly pleased at the entertainment of their friends.

Steal 150 Chickens. A few nights ago the chicken house and yards of Troy Jewell were raided by thieves who stole 150 of his chickens. He had just culled the flock and those remaining were the very best, but if he had not culled the flock all of them would have probably been stolen. There should be something that could be done to break up the raids of these chicken thieves.

Enjoyed Fine Gathering. At the home of Mr. and Mrs. Ben Gibson of Weeping Water was gathered a number of their family. Mrs. Luther Wamack of near Murray was here for the past week on account of the poor health of Mrs. Gibson, her mother and on Sunday Mr. Wamack came over for the gathering and to take Mrs. Wamack home.

There were there for the occasion besides, Walter Munson and wife of Omaha; Guy Buchanan and family of near Nehawka, Jesse Davis and family of Plattsmouth. The ladies are all daughters of Mr. and Mrs. Gibson which almost completed the household and sure was greatly enjoyed by all present.

Visiting in Missouri. Mrs. Joan Carter and sister, Mrs. Rachel Noyes and Miss Agatha Colvert departed last Saturday for California, Missouri where they spent nearly a week visiting with friends and relatives and are expecting to be home again the latter portion of this week.

Pioneer Answers Call. Mrs. D. T. Dudley, one of the oldest of pioneers of Weeping Water, coming here when there was but a few houses, and who has resided here nearly sixty years, passed away at the late home on last Saturday night at 7:30. She had been making her home with her two daughters, Mrs. Edna Shannon and Miss Mable Dudley.

Mrs. Dudley was 84 years of age at the time of her death and has been a faithful member of the Congregational church for much more than a half century.

The funeral was held at the Congregational church last Monday afternoon at 2:30 and the burial had at Oakwood cemetery. The services were conducted by Rev. L. Wilson, pastor of the church and directed by the Hobson funeral home.

This is the first time in twenty-eight years that Roy has been with his mother on her birthday, but in all these years he never missed a Sunday writing to his mother.

Bliss, pastor of the Methodist church took a load in his car to the convention. A number also from each of the three churches were over, making a good representation from Elmwood.

Seeing the Great West. Emil Rosenow and wife and Mr. and Mrs. Harry Greene departed last week for the west, having as their first stop, Denver, visiting there and many other places of interest taking up a week or ten days. While they were away the service station conducted by Mr. Rosenow was looked after by Keith West.

Their first stop on the outward swing was Eaton, Colorado where Floyd Tyson and wife reside, and also a daughter of the family resides and where they enjoyed a very fine visit. Here they found excellent crops of all kinds and there the daughter and husband who have an irrigated farm have wonderful crops, they are feeding two cars of cattle and have 700 sheep as well. They put up one hundred tons of alfalfa hay for the stock and have a number of acres of potatoes which are yielding 200 to 400 bushels to the acre. They leased a ten acre lot to a Jap who grew ten car loads of cabbage on it besides six hundred bushels of onions.

This was just as he was leaving town. He stopped at the Texaco station and found no air, then turning back he continued to try each station, they all being closed, getting a little air here and there until he came to the Corryell station where he was able to get enough to inflate his tire and putting the cap on the valve stem tightly he was able to get home between one and two o'clock.
