Above, left to right, Stuart Porter, 200; George Adam, 145, and Kenneth Armstrong, 230, former Plattsmouth high school football stars, now ripping them up at Tarkio, Missouri, college.

These proteges of Coach Rothert have made a big hit at Tarkio, where the "Moose" and Porter, first year men, are now regular tackles. Adam has been transferred to guard, where his excellent blocking is expected to overcome his lack of weight. The Tarkio line averages 190.

Tarkio will play their first conference game on Friday with Central college at Fayette, Missouri, under the lights.

That is One on Us

We mean the white car, which some here call a bread wagon, and truly it has been the one that assisted us to win our daily bread, went fluey last Wednesday when we were returning from a trip out in the county. Well, we worked on the old boat but were not able to get it finished by Monday morning, as we were to have another one by that time, but it failed to materialize and we started out along the highway to make the mid-week territory. We had gotten only out a few blocks along Chicago avenue in Plattsmouth when Charles Dysart and wife came along, picking us up and set us down in Murray, ready to begin our work. When we had finished there, W. T. Schlichtemeier, wife and daughter, who were up from Nehawka, picked us up and took us back with them. As we finished up in Nehawka and were at the elevator, Stuart Rough locked up for sixteen minutes while he whisked us over to Union. After working that town, we were fortunate to get a ride back to Plattsmouth with Charles Staska. So our day of hitch-hiking turned out most successfully with very little hiking, for which we say "Thank you" to all the kind friends named who so graciously gave us a lift, getting us around the day's route with all the speed we are wont to make in our own chariot.
