

MURDOCK ITEMS

Jackie Amgwert had his tonsils and adenoids removed in an Omaha hospital November 29th.

The Ladies Aid will meet at the home of Mrs. W. O. Gillespie Tuesday to quilt and have the annual election of officers.

Mr. and Mrs. Henry Amgwert and son Jackie enjoyed a visit in Omaha on Thanksgiving day, being guests at the home of a sister of Mr. Amgwert, Mrs. Joseph Wilson and family.

Frank Dean, J. Johansen and Homer H. Lawton are still busily engaged in cutting wood near Wabash, piling up an ample supply for their respective needs this winter and far into the coming summer.

Mr. and Mrs. W. P. Meyers and little son of Sioux City were visiting here over the week end at the home of the parents of Mrs. Meyers, A. J. Tool and wife, as well as at the home of Mr. Meyers' mother, Mrs. Dan Panska and family.

Frank Dean and wife and Henry Heinemann were in Omaha on last Tuesday, where Mr. Dean was called to look after some business matters, and while they were away, Mrs. Henry Heinemann was looking after business at the store.

George M. Porter, of Lincoln, representing the Nebraska Children's home, was a visitor in Murdock last Wednesday, soliciting funds for the support of the home and care of the dependent children. Mr. Porter pays Murdock a visit once each year.

The Royal Neighbors of America enjoyed a most pleasant meeting on Thursday evening of last week, when they ate supper together and afterwards enjoyed themselves in social conversation and a nicely arranged program. The affair was held at their regular meeting place and was largely attended.

L. Neitzel was suddenly taken ill last Wednesday evening and had to go home and was confined to his bed for a number of days. However at this time is feeling better and was down to the store for the first time last Saturday. Charles Kupke was looking after the business during the absence of Mr. Neitzel.

Dr. and Mrs. L. D. Lee and son, Larry, were in Lincoln last Thursday, where they attended the football game between the Cornhuskers and Oregon state. They returned home by way of Ithica, where a brother of Dr. Lee resides and where the Doctor and family enjoyed a fine Thanksgiving supper.

Mr. and Mrs. J. A. Semke and sons Robert and Charles of Omaha were guests at the home of Rev. and Mrs. Schwab and Robert Veryl last Sunday afternoon and evening. They remained for the evening worship service. They felt, it seemed, like former days when the pastor's family was with them, until recently, at Omaha First church.

Attended O. E. S. Meeting

A number of the members of the Order of Eastern Star of Elmwood who reside in and near Murdock, were over to Elmwood Wednesday to attend the meeting of the order which was held that day. The trip was made in the car of Mr. and Mrs. R. Kuehn, who were accompanied by Mrs. A. J. Tool, Mrs. C. A. Kupke and Mrs. Henry A. Tool.

Guests at Sunday Dinner

The Lincoln district Brotherhood will hold its initial meeting at that time, commencing at 2:00 p. m.

Bishop Stauffacher will speak at the supper hour and will deliver the principal address in the evening. Laymen from the district will have full charge of the afternoon program and will speak principally upon men's work in the local church.

The general public of men are cordially invited to attend.

Held Election of Officers.

The Mission Band had the annual election of officers last Sunday for 1936, at the church. Those elected were: Russel Gorthey, president; Keith Schmidt, vice president; Marcus Rikil, secretary, and Carolyn Schaefer, treasurer.

Held Monthly Study Meeting

The Murdock Woman's Missionary society met at the church December 1st for the monthly study on "Latin America." This is proving to be an interesting series of studies for the women. Added interest is felt when the lesson leaders present the subject in a unique manner, as they did last Sunday afternoon.

After the lesson study, the annual election of officers was held, under the direction of the pastor. The new officers chosen for the coming year are:

Mrs. William Rikil, president; Mrs. Otto Miller, vice president; Mrs. Lydia Schweppe, recording secretary; Mrs. Carl Schlaphof, corresponding secretary; Mrs. August Ruge, treasurer; Mrs. Alvin Oehelking, Y. P. M. C. superintendent; Mrs. Alvin Bornemeier, mission band superintendent; Mrs. Louis Schmidt, assistant M. B. leader; Mrs. Roy Gorthey, Little Herolds' superintendent.

The Missionary society received Mrs. W. L. Elsey as a new member at the November meeting. The organization has at the present time a total of 46 active members and one associate member. Four new members have been received since July, 1935.

This active society has in the last four months received several large special gifts for missionary purposes. One gift of \$50.00 was contributed for the African work, a gift of \$50.00 for the Mountaineer schools of Kentucky of the Evangelical church, a gift of \$50.00 for general missions and a special gift of \$40.00 for partial support of missionaries in China and Africa.

Such special gifts are deeply appreciated by the society and the general missionary interests of the denomination. God richly blesses such consecrated gifts, as it is used for His unfinished tasks.

Callahan Church Notes

All the regular services next Lord's day. Sunday school at 10 o'clock; morning worship at 11; E. L. C. E. at 7 and evening worship, 7:30.

Everybody is either helping or hindering the progress of Christ's kingdom. Either you are for Christ or you are against him. Either you are helping the church or you are hindering it. Christians, stop and think; check up on yourself and see whether your life is helping or retarding the work of the Master.

How may you help? First, be a regular church goer; Second, support the church and its activities; Third, be a sincere Christian in your daily life. "Let your light shine." Fourth, boost your church, don't knock.

How you hinder: First, by being indifferent, careless and cold towards your church; Second, by being absent from congregation meetings and then complaining because things are not run to your liking; Third, by giving little or nothing for the work; Fourth, by not reading and studying the word of God.

You may depend upon the Lord; may the Lord depend upon you?

Visited with Father Thursday Mr. and Mrs. Henry Amgwert and their son, Jackie, were spending the

week end at the home of the father of Mrs. Amgwert, Rev. C. Jannen, of Hastings, where they went to help celebrate the passing of the birthday of her father. There were also two other sisters present, Mrs. Hulda Marshall and Mrs. Ruth Mathews.

Fred Stock Very Poorly

On Friday of last week, while Uncle Fred Stock was out looking after the chores at the farm and was in the feed lot near the barn, he suffered a severe attack of paralysis and fell to the ground. His power of speech was not impaired and he called loudly for help, his calls being heard by Mrs. Stock who came to his assistance. Together they were able to get him to the house and the doctor was called, arriving in short order. He rendered medical aid and the patient is feeling better, but still far from completely recovered from the severe attack he suffered.

Mr. Stock has been suffering for some time from what was diagnosed as hardening of the arteries, and it is presumed it was this that brought on his attack.

The many friends of Uncle Fred, as he is familiarly known, are hopeful that he will continue to improve and be restored to his former good health.

Damage Case Settled

The suit for damages which was brought against I. G. Hornbeck and party as a result of a collision between the car of Mr. Hornbeck, that was being driven by Miss Mary Bornemeier at the time, and a Lincoln party, was settled without coming to trial, by the insurance companies carrying the risks on the respective cars involved. The case was to have been heard last Tuesday, but was withdrawn when settled.

Defeated Greenwood

The first and second basketball teams of the Murdock schools went to Greenwood last Tuesday, where they played like teams of the Greenwood schools, winning both games. The score of the game between the first teams was 15 to 4, and that of the second teams, 9 to 5. The local boys give promise of winning their full share of games this year and are to meet some of the best teams of the county.

Fire Department Meets

The Murdock Fire Department met at the drug store one evening last week, looking after the transaction of some business claiming their attention and discussing various matters for the welfare of the organization.

Cuts Finger Very Badly

While Fred A. Lau was splitting wood and getting kindling prepared for the building of fires at the country home, a mislick with the hatchet cut one of his fingers very severely. It was necessary to have the injury treated by a doctor and it is not getting along any too well yet.

We Will Have a Tree.

The days between now and Christmas are speeding rapidly by and the happy day will soon be here. A number of the business places have trees in their windows, that are lighted at night and prove attractive to passers-by. The question of having a large, outdoor tree is one that remains unanswered, but it would be a splendid thing, and perhaps those interested will be able to get the arrangements made for same before the arrival of Christmas eve.

Later Frank Melvin and others installed one on the street.

Sustained Fractured Arm

Kenneth Gerdes, who makes his home near Wabash, but who has been picking corn for Albert Bornemeier, while driving a spirited team of mules, found himself involved in a runaway, and although he tried to stop them, one of the wheels of the wagon to which they were hitched passed over his foot and ankle, causing a severe fracture of the bones. This has put Guy out of the corn picking business for the remainder of the season and also proven very painful. His friends trust the fractured bones will heal rapidly and he will be able to get about with all his well known agility in a few weeks.

Thanks Red Cross Members.

Since the completion of the Red Cross roll call is over, I desire to express my thanks for the very fine manner in which the people have responded to the cause of humanity and to all who have contributed to the increase in membership.—Mrs. Hannah McDonald, Murdock, Nebr.

HOPE FOR OIL IN NEBRASKA

McCook, Neb.—Hundreds of acres of land in southwestern Nebraska are being leased by oil companies and residents hope oil may be discovered in this section of the state.

The Nebraska company, a group of McCook citizens, announced work will be resumed on its test well five miles southeast of here in about two weeks. Tests had been drilled to 1,275 feet when the derrick burned recently, halting activities.

A new contract signed with an Oklahoma drilling concern means the test will be continued to about 2,000 feet unless oil is found at a higher level.

Representatives of five large oil companies are leasing land in Red Willow, Hitchcock and other counties of this area. Three seismograph crews are working in the area seeking oil.

ROUND UP PEACE SIGNERS

Cambridge, Mass.—A campaign to obtain 50 million signatures in all nations that signed the Kellogg peace pact, to a petition advocating the eventual abandonment of all arms, was started by the Women's International League for Peace and Freedom. Harvard university students were the first asked to sign the document.

Miss Sarah Dupont, cousin of Pierre Du Pont, munitions manufacturer, who sold her holdings in the Du Pont company and became a peace advocate, was among those present at Monday's meeting. The petition, league officials said, would be presented to the League of Nations at Geneva in the spring.

DOCTORS KNOW

Mothers read this:

A cleansing dose today, a smaller quantity tomorrow; less each time, until bowels need no help at all.

Why do people come home from a hospital with bowels working like a well-regulated watch? The answer is simple, and it's the answer to all your bowel worries if you will only realize it: many doctors and hospitals use a liquid laxative.

If you knew what a doctor knows, you would use only the liquid form. A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation. Ask a doctor about this. Ask your druggist how very popular liquid laxatives have become. They give the right kind of help, and right amount of help. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that can form no habit, even in children. So, try Syrup Pepsin. You just take regulated doses till Nature restores regularity.

FOR NATIONAL LABOR PARTY

Middletown, Conn.—Formation of a national labor party which would enter the 1936 election was urged by Robert Minor, a member of the central executive committee of the communist party of the United States. Minor asserted the Roosevelt administration is no barrier to fascism. He spoke before the Wesleyan university parley on "labor relations."
