Making Up for Time Lost The schools have resumed normal study since the weather moderated, having lost some fourteen days during the extreme cold weather. As much of the lost time as possible will be made up before time for 10.20 County Attorney Diedrichs to employ school to close, by teaching Saturdays as well as the other five days of the week. Even then, there will remain three days to be made up after the regular date set for the closing of the school year. March Winds March is the month of winds and freak storms.
