Mrs. Reane Britton and husband were visiting last Sunday at the home of Mrs. Britton's mother, Mrs. Edna Deles Dernier.

Mrs. E. W. Behrend and children, Darrel and Donia of Fort Collins, Colo., are vacationing at the farm home of Mrs. Etta Moore.

Women's Missionary Society of the U. Presbyterian church will serve home-made ice cream during the picture show Saturday night.

Fred Drucker was at Weeping Water last Monday, going over to secure his last corn and hog check, which had been delayed in arriving.

Miss Helene Perry left Sunday for Madison, Wisconsin, where she will attend summer school. Miss Perry is a teacher in the Plattsmouth public schools.

Mr. and Mrs. George E. Nickles were in Plattsmouth Sunday, visiting Oak Hill cemetery where the parents of Mrs. Nickles are buried, and looked after the condition of the graves.

Thomas Nelson was a visitor in Plattsmouth Sunday, being a guest of his old time friend, Charles Martin, whom he knew when they both resided at Papillion a good number of years ago.

Edgar Newton and family of Plattsmouth were guests for the day last Sunday at the home of Mrs. Vesta Clark, mother of Mrs. Newton, who is manager and chief operator at the Murray telephone exchange.

John Frans and family were visiting for the day last Sunday at Nebraska City, where they were guests at the home of their mother, Mrs. Belle Frans and as well at the home of C. K. Frans and family, who reside there.

Henry Gruber and his aggregation of fast kittenball players, went to Louisville last Sunday and gave the boys of the cement city a few pointers in the proper playing of this pastime, winning the game by a score of 8 to 4.

Earl Lancaster was threshing his wheat Monday of this week and found the yield a little above his expectations and the quality of the grain excellent. The wheat, as a general thing is good over the country. The west end of the county has more wheat in proportion than the eastern part.

Mrs. Lester Long, who was taken seriously ill in the northwest part of the state, where her husband is employed in road building projects and where they have resided since early spring, is reported as being entirely recovered and she and her husband are getting on very nicely at this time.

Russell Overhauser, a former resident of the western part of the state, was offered a position operating a

combine there during the harvest season, which is just now beginning, and departed for the west to begin his work. This offer came most conveniently as he had been desiring to visit at Wilsonville, where his parents reside, and is now given the opportunity of doing so, as well as securing work at good wages while he is there.

Picnicked at Lincoln

Miss Lola Davis, who is attending summer school at Lincoln this summer, was a visitor at the home of her father west of Murray over the week end and on Sunday the father, J. A. Davis and a sister of Miss Lola, accompanied by Everett Spangler and family took Miss Lola back to the capital city to resume her studies Monday morning. They took a plentiful supply of eats with them and at noon held a picnic in one of the parks of Lincoln. They found the weather plenty hot, but nevertheless enjoyed eating their dinner in the park.

Adds to Shop Equipment

Fay Herrigar, the blacksmith, has added a new Smith welding machine to his equipment, which puts him in position to handle welding work of all kinds, heavy or light. He has an ad elsewhere on this page, calling attention of Journal readers to this added equipment and the work he will be able to do with it.

Adding to Population

Dr. R. W. Tyson reports the arrival of a young lady who has come to make her home with the parents, Mr. and Mrs. Dick Applegate, causing much joy. Mother and babe are getting along nicely.

Also, at the home of Mr. and Mrs. Joseph Christianhaus, over near the town of Rock Bluffs, there has arrived a new son, bringing happiness to that home as well.

Meets with Painful Accident

While Earl Lancaster was helping with the threshing of his wheat on Monday and was looking after the spout that carries the grain from the machine into the wagon or truck, his hand became entangled in the machinery and was badly mangled. He hastened to town and had the injury dressed by Dr. R. W. Tyson. It was necessary to remove the thumb nail and also to take several stitches to close the lacerations in the flesh of his hand. It will be some time before the thumb is healed and ready for use as before. This is most unfortunate, coming at a busy season of the year, for, besides the pain it occasions, will interfere with his work for many weeks to come.

Overcome by Heat

W. C. Allen, who is employed by the Missouri Pacific on their track maintenance crew, was overcome by the intense heat of last Friday and has not been able to return to work since. He is reported as slightly improved, but still very sick.

Baker Family Holds Reunion

On last Sunday along a shaded hillside overlooking the Missouri

river near Plattsmouth, the Baker family gathered to enjoy a pleasant reunion, this having been an annual affair for some time. A sumptuous dinner was served and the time was spent in enjoyable conversation.

Those present included the family of Theodore Baker, of Murray; the families of George and Joseph Baker; Mrs. Frances Baker, grandmother of the younger ones; Mr. and Mrs. Hector Balkozar, John Baker and family, Mr. and Mrs. Earl Baker and Buck Baker.

Visited Over County

Mr. and Mrs. A. A. Young and Mrs. Sadie Oldham, mother of Mrs. Young, together with their guests, Mr. and Mrs. Jay Oldham, of Lincoln, drove out to the Eight Mile cemetery to look at the graves of friends buried there. They also visited Mt. Pleasant cemetery near Newark, driving on to Lincoln over the O street road. On their return they came via Ashland, stopping in that town for a short visit, as well as South Bend and Louisville through which they passed on their way home.

They were particularly well pleased with the appearance of the country and the crops in western Cass county, viewing as fine a crop of wheat as has been grown in this part of the nation for a number of years. It is all of high quality and some of it, they say, will make as much as 40 bushels to the acre.

The corn was variegated, much of it being up waist high and ready for lay-by cultivation, while there are fields and portions of fields with the maize graduated on down to that which is just coming up, and for which there can be little hope of ever making a crop.

Alfalfa and clover are still looking good in spite of the drouth, but the pastures are pretty well dried out and unless rain comes quickly, the potato crop will be hardest hit of all. Oats are being damaged by grasshoppers which eat of the stem and let the grain fall to the ground.

Gardens are also pretty well dried out, but with rain much vegetation will be revived and corn should return a fairly good yield.

Had Pleasant Vesper Services

Last Sunday evening the young people of the Presbyterian church held their young peoples' meeting which is called Vesper Services at the home of Mr. and Mrs. Roy Gerking, where they met on the spacious lawn and enjoyed the holding of their services out of doors, which was most pleasant considering the intense heat which prevailed. Miss Evelyn Meade was leader for the services.

This coming Sabbath evening the young people will meet on the crown of historic King Hill south of Rock Bluffs, where they will enjoy a fine view of the expanse of the river as spread out before them far below their meeting place, for miles to the south, east and north, including the landscape of much of our sister state of Iowa with its verdant bottom land farms, waving fields of grain and other crops that survive the drouth

United Presbyterian Church

Rev. E. G. Sloan, A.B.B.H., pastor. "Our Independence Day: Remembered" is the theme about which Rev. Sloan will preach at the 11 o'clock service in the Murray U. P. church. The choir will render special music appropriate for the occasion. At 10 o'clock the Sabbath school classes will convene at the respective places.

In the evening at 6:30 automobiles will leave the church for the Young Peoples Christian Union vesper worship service at King Hill. This popular meeting of increasing interest will begin promptly at 7 p. m., at King Hill. If the weather is inclement we will meet at the church at the usual time. There were 26 at the vesper service last Sabbath. When there are so many things of the worldly nature to attract the young people away from the church, these vesper services are attracting the youth to the church, and are helping to develop high ideals of Christian youth which will prove beneficial to the betterment of the community, because the young people of today are the citizens of tomorrow.

On Thursday at 7:30 p. m. sharp, the choir will meet for rehearsal. On Friday evening at 7:30 the young people will leave the church in automobiles for the Meade home where they will enjoy the festivities of croquet, kittenball and the necessary feed to go with them. There will also be a short business meeting. The interior decorating of the church auditorium and Sabbath school rooms will be completed in another week. The attendance is increasing at all services of the church, and general interest is increasing, even though this particular season is busy for all. As one kindly old saint said, "Not even the heat nor chores can keep me from worshipping my Heavenly Father on Sabbath."

Visitors and friends are welcome to worship at all services of this church.

DONAT'S WIN GAME

From Wednesday's Daily The Donat's last evening made their start of the second round of the kittenball season with a 15 to 9 victory over the Conis' Cardinals when they launched smashing attacks on the Cardinals in the first, second and eighth innings.

The two teams started out in the opening inning to go places and four hits and a walk gave the Cards two runs while the Donat's massed a batting attack on the Cards with doubles by Kalina, Clark, Brizendine, O'Donnell and Seitz that gave the Donat team three tallies.

The teams entered the eighth inning with a count of eight allie but the Donats proceeded to go places as their hard hitters went into action, Kalina and Rhoades hitting for doubles and Vanlandingham, Clark, Brizendine, O'Donnell singling and securing a lead that was impossible to head.

The Cardinals had their big inning in the fourth when they put over four runs to tie up the battle. Heim and Salsburg, were the leading stickers of the Cards, and in the injury of Gauer in the fourth inning they suffered a severe loss.

Brizendine led the Donats in hitting with five out of five times at bat, two doubles, a triple and a single. Kalina also had four out of five, two doubles and two singles. The box score of the game:

RETURNS FROM THE EAST

Mrs. E. H. Wescott, who has been spending several weeks in the east returned home Monday after a very pleasant outing, the larger part of the time being spent at Fanwood, New Jersey, where her daughter and son-in-law, Mr. and Mrs. P. H. Murdick, Jr., are located. The chief object of interest was the small grandstand and it was Mrs. Wescott's first visit with the young man and was much enjoyed. On the return trip she accompanied Dr. and Mrs. P. H. Murdick, Sr., on a motor trip to the New Hampshire hills and later on to Benton Harbor, Michigan where Dr. Murdick is located as pastor of a Methodist church.

Mrs. Lohnes who has not been in the best of health for some time, is now making her home here with her daughter who is caring for her. It is hoped by her many friends that she will have a speedy recovery and be in her usual health.

Rock surfacing of farm-to-market roads this winter will be of benefit to every resident and land owner in Cass county. Persistence is what gets results in advertising.

Cass county has no bonded indebtedness, as, like the state, it has paid cash for its gravel roads and other improvements. That's a mighty good policy to pursue.
