TABOR STORE ROBBED

A two thousand dollar robbery occurred at Tabor, Iowa, Tuesday when the Woman's Toggery, owned by Mrs. Abbie Tarpensing, was looted of a larger part of the stock of goods. The burglars obtained entrance to the store by prying open the iron bars protecting a rear window, with a hydraulic automobile jack. The night watchman, making his rounds at 10 o'clock, found the back door open, entered the store, and noticing nothing unusual, locked up and left.

There was no money taken in the robbery, but the clothing taken comprised the entire new fall stock. There was no burglary insurance carried by the owner of the store. The news of the robbery was received here and Sheriff Homer Sylvester started an investigation to learn if the burglars had passed this way, the fact being discovered that the auto party had apparently crossed here before the alarm was given and had made good their escape into Omaha.
