## The 1936 Red Cross Poster

**THIS** year's American Red Cross poster emphasizes the theme that the Red Cross is "of, by and for the people." Four million men and women are members of the Red Cross and through their membership dues they support its activities. Only in time of major disaster when needs for relief reach great proportions does the Red Cross ask the public for disaster relief funds. The membership funds represent the financial support of the Red Cross, and in turn this money is used to carry the Red Cross work of mercy to distressed citizens. Membership is open to all, without regard to race, color or creed, and the Red Cross services are given to all, without restriction.

The annual Roll Call for members is held Armistice Day to Thanksgiving Day, November 11-26. The poster for 1936 is by Walter W. Seaton, noted illustrator and painter of movie and radio stars.

### RECOVER STOLEN WIRE

Deputy Sheriff Cass Sylvester Tuesday night uncovered what may prove to be the gang that has in recent months been stealing copper wire in this part of Cass county.

Acting promptly in the matter the deputy sheriff was able to capture the cargo of wire, estimated at from 400 to 500 pounds as it was being brought into the city.

The arrest of Tom Warnell, a resident of the camp north of this city, followed closely on the capture of the wire and an investigation points to the fact that two other men were involved in the affair, altho they have not as yet been apprehended.

The wire which was found was identified as having been stolen from one of the sandpit lines near this city.

This is an excellent piece of work and Deputy Sheriff Sylvester is deserving of a great deal of credit for the arrest.
