HOW LONG CAN A THREE-QUARTER WIFE HOLD HER HUSBAND?

YOU have to work at marriage to make a success of it. Men may be selfish, ungrateful, but that's the way they're made and you might as well realize it. When your back aches and your nerves scream, don't take it out on your husband. He can't possibly know how you feel. For three generations some woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three decades of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age." Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."
