Former Cass County Man Dies. Charles Lovell was born near Liverpool, England, Sept. 23, 1848 coming to this country in 1854, locating in Massachusetts, later moving to Burlington, Iowa, where he became

a member of the Catholic church and married Anna Cullan. Later they moved to Plattsouth where he was employed with the Burlington shops. Six children were born, four dying in infancy, the other two being John Lovell of Des Moines, Iowa, and Walter of Weeping Water.

Mr. Lovell, who was a forman in the Burlington shops for a number of years, finally moving to a farm near Mynard, where they resided for a number of years. The wife died and a few years later he was united in marriage with Miss Minnie Rauth in 1897. To this union five children were born, one dying in infancy, the others now residing at Chappell with the mother, where Mr. Lovell had resided for over twenty-five years.

During the past few months he has been in poor health and on February 7th as he lingered very sick as he lingered very sick and unconscious, the priest, Father Nally with the entire membership then at services were offering petitions for a peaceful passing away of this excellent man. His soul took flight at 10:10 a. m., February 7th.

The funeral was held on February 9th. His son, Walter of Weeping Water, was in attendance at the funeral. The people of Plattsouth will remember when he was a citizen of that place.

Guy Buchanan and family from near Nehawka were guests for the day last Sunday at the home of E. Askew when they with the folks in Weeping Water surely enjoyed the day.

Had Plenty of Water. Before the coming of the spell which melted the snow the lake from which Weeping Water gets her water supply, was nearly empty, but now is well filled and that they might have a plentiful supply of good water the hydrants were opened and the reservoir drained and again refilled with pure water. The matter of water supply for the city has been a question but just now they have an abundance of good pure water.

Under Care Private Nurse. Sam Baler who has been very ill was taken to the Kunkel hospital where he was treated for a time and later as he was improving was taken to the home of Mr. and Mrs. W. H. STORE OPENS FRIDAY

Friday morning the formal opening of the Gamble store in this city will be held, the store being located in the building formerly occupied by the Farmers State bank.

This unit of the Gamble organization is owned by Maynard Dahms, of Glenwood where he has a similar store in operation. The Gamble stores are all owned independently but cooperate in the common buying agencies that makes it a distinct advantage to them. There are now 1,500 of these stores in the United States.

The lines handled will include auto supplies, tires, radios, refrigerators, batteries, sport goods, oils, greases and hardware.

The opening here on Friday will also represent the twelfth annual sale of the Gamble organization.

The Plattsouth store will be under the management of Mr. Rex York, who has been here for the past week arranging the placement of the stocks and the final details for the opening day.

Their advertising of the opening day appears elsewhere in this issue.

SPEAKS ON CATTLE

Art Troop, successful farmer of this community spoke to the high school industrial geography class Tuesday morning on breeds, care and feeding of cattle. He told of ways to produce profitable cattle. He also touched upon the relationship between the government and the farmer.

The class has been studying the theoretical side of agriculture. Mr. Troop presented the practical application. The talk proved profitable to the students.

VISITORS FROM LINCOLN

Mr. and Mrs. F. R. Gobelman were given a very pleasant surprise Sunday when a group of relatives and friends from Lincoln were here to enjoy a few hours in visiting.

It's farther between filling stations in the Ford "60"

THE 60-horsepower Ford V-8 engine was first developed for Europe, where fuel costs are high. Two years' usage there proved its unusual economy.

When the "60" came to this country this year, the Ford Motor Company made no mileage claims—waited for facts, written on American roads by American drivers.

Now Ford "60" owners are reporting averages of 22 to 27 miles on a gallon of gasoline. That makes it the most economical Ford car ever built!

Best of all, the Ford "60" is just as big and roomy—just as handsome, sturdy and safe—as the famous 85-horsepower Ford V-8. And it sells at the lowest Ford price in years.

If you want a big car for a small budget—a car you can drive with pride and profit—see the thrifty "60" soon!
