

TEXAS PENSION ROLLS CUT BY 11 PER CENT

AUSTIN, Tex. (UP)—Texas has put on the brakes against accelerating old-age assistance.

Legislators failed to pass a tax bill to provide more money and refused to liberalize the eligibility provisions. Re-investigations have struck 14,000 names from rolls that had reached a total of 128,000. At the peak, a senate committee reported that Texas paid pensions to 46 per cent of all people in the state who were past 65. "With one exception, this is the highest percentage in the United States. The average is 19 per cent," the report said.

The house and senate failed to agree on how far children should be allowed to shift the burden of parent support upon the state. The house refused to withdraw a demand that pensions be granted without considering the ability of relatives or friends to aid the applicants. The senate refused to accept this liberalization. Neither did anything about forcing children to contribute. Each case was left to individual decision by the administrators.

A senate committee reported that present recipients of old-age aid own real estate valued at \$26,000,000. Pension administrators proposed a remedy but it was left without action. Administrators proposed a lien be taken on property of pensioners for post-mortem payment from the estate of all aid given by the state.

BOOSTS FARM INCOME

That the hen and the cow provide a surprisingly large share of the farm income in Nebraska, including Cass county, was shown this week in a report from the Nebraska college of agriculture.

Arthur George, extension economist, in summarizing results of 1936 farm account cooperators found that Nebraska farmers in 1936 received around one-sixth of their gross income from dairy products and poultry flocks. His statement is based upon data from farm account books kept by farmers in seven counties. Of the poultry and dairy income, approximately two-fifth came from poultry.

For instance in Buffalo county, records showed gross returns of \$428 from dairy and poultry with the total gross returns \$2,656. The twelve most profitable farms received an average gross return of \$4,054 of which \$490 was derived from dairying and the poultry flock.

Records from Cass county showed \$490 gross income from poultry and dairy where the gross income was \$2,550. The low group had a slightly higher return on poultry than the high group and a smaller return from dairy.

FEDERATED CLUB MEETING

The State Federated Garden clubs will meet at Lincoln on Tuesday, December 7th, at 9 a. m. Meetings will be at room 306 of the agricultural hall.

The national and regional presidents will be present and all interested in gardens are invited to attend regardless of whether they are club members or not.

A large number from this city are expected to attend.

INDOOR TRACK MEET

Scoutmaster Raymond Larson has arranged a novel and interesting contest for the Scouts at their meeting Monday night in the high school gymnasium, in the form of an indoor track meet. Some surprises are in store for the boys.

The troop committee from Union may be here to conduct inspection that night also, and it is desired that every Scout be present.

SPEAKS AT CEDAR CREEK

Mrs. H. G. McCluskey was at Cedar Creek Wednesday afternoon, a guest of the Cedar Creek ladies society of the Presbyterian church. Mrs. McCluskey gave a very interesting talk on the mission work of the church, both at home and in foreign fields that was much enjoyed. This was very much appreciated by the ladies of the church.

STEER BRINGS GOOD PRICE

CHICAGO, Dec. 2 (UP)—Ashbourne Orange, grand champion steer of the international live stock exposition was sold at auction today for \$2.35 per pound. The steer which weighed 1,115 pounds, was purchased by Wilson and Co. meat packing firm for the Palmer House hotel. Last year's champion, G. Page, brought \$3.00 a pound.

FIRES REDUCED TO RECORD LOW IN U. S. FORESTS

WASHINGTON (UP)—Tourists this year set an all-time record for care in preventing forest fires, the U. S. Forest Service reports.

A check of the 161 national forests showed loss from man-caused fires this year was reduced more than 70 per cent from the annual average of the past five years.

Up to Oct. 1, 5,141 forest fires were caused by human agency. Last year the figure was 9,609 for the same period. The annual average for the nine-months period during the past five years has been 5,294 fires.

The greatest reduction in the number of man-caused fires during the period was reported in the 34 eastern states, where only 3,045 such fires occurred, compared with 7,368 in 1936.

During the first nine months of the year only 464 acres per million of national forests were burned. The lowest previous record for an entire season was 800 acres per million burned in 1933.

Ray Headley, chief of the fire control division of the Forest Service, attributed the new record to "the fact that the traveling public is exercising greater care with fire."

OPOSES HIGHWAY CUT

LINCOLN, Dec. 2 (UP)—Governor Cochran said today that so far as Nebraska is concerned the highway program would be an "unfortunate" place in which to start the federal economy drive. He referred to President Roosevelt's message this week, recommending that federal highway aid be discontinued for the 1939 fiscal year and reduced from the present levels beginning in 1940.

This would mean, the governor said, that no federal aid roads would be constructed in Nebraska after September 1938 and that the state would lose about \$4,000,000 in highway funds in 1939.

"Naturally I would dislike to see this done," Governor Cochran said. "I would like to see the program continued. On the other hand I can see that if we are going to cut federal expenditures we are going to have to make a start somewhere."

DOUBLE DEATH

SWEET HOME, Ore., Dec. 3 (UP)—John Munice, working on a new home on his ranch near here toppled over and fell to the ground. His wife ran for a doctor. Munice died of a heart attack and a half mile from their ranch his wife fell dead of over-exertion.

FUNERAL OF BANKER

HARLAN, Ia., Dec. 2 (UP)—Funeral services will be held here Saturday for William J. Lewis, 46, Harlan bank president, who died late yesterday. Lewis was a director of the Omaha Federal Land bank.

RURAL CARRIERS AID BIRDS

WASHINGTON, Dec. 2 (UP)—Postmaster General James A. Farley Wednesday issued an order permitting rural mail carriers during the winter season to scatter grain for birds when the ground is covered with snow.

RECREATION TEAM WINS

From Friday's Daily—

The Recreation team won two games from the creamery last night. Something very unusual took place in the last game. Instead of the Creamery giving the Recreation a handicap it reversed in the last game and the Recreation gave the Creamery a 10-pin spot. Schutz had high game of 167 for the Creamery and Graves 168 for the Recreation.

The individual scores:
Schutz, 417; Gayer, 411; Walden, 346; Kohrel, 363; Straw, 415. Total 1851.
Recreation—Dr. Westover, 392; Waters, 386; Sylvester, 338; Win-scott, 355; Graves, 455. Total, 1926.

WILL TENDER RECEPTION

The members of the Methodist congregation and friends of the church are invited to attend a reception on Tuesday evening at 8 o'clock at the church parlors. This will be an official welcome to the city for Rev. and Mrs. J. C. Lowson and family. A program and refreshments will be enjoyed.

FINISH WORK PERIODS ON DECEMBER 23RD

WPA workers will not work December 24, 25 or 26. Time-keepers and foremen of projects are being advised to have the men complete their work periods by the evening of December 23rd. The new work period will begin Monday, December 27.

HEADACHE REMEDY STARTS WORKING IN SECONDS

THE REASON BAYER ASPIRIN WORKS SO FAST
Drop a Bayer Aspirin tablet into a tumbler of water. By the time it hits the bottom of the glass it is dissolving. This speed of disintegration enables genuine BAYER Aspirin tablets to start "taking hold" of headache and similar pains a few minutes after taking.

All people who suffer occasionally from headaches ought to know this way to quick relief.

At the first sign of such pain, take two Bayer Aspirin tablets with a half glass of water. Sometimes if the pain is unusually severe, one more tablet is necessary later, according to directions.

If headaches keep coming back we advise you to see your own physician. He will look for the cause in order to correct it.

BOWLING RESULTS

The Knights of Columbus won two games from the Recreation in their match last night. The K. C. team finally got started and have made a good comeback in the past two weeks. Total scores were 1808 to 1775. Pucelik, with 475, was high on the K. C. team, and Graves, with 387, topped the Recreation group.

The Bestor & Swatek team took all three of their games with the Bowman barber shop team. Scores were 2235 to 1870. Lancaster, with 478, led the Bestors, but Mays, E. Thimgan and R. Bestor trailed close behind with 467, 464 and 440, respectively. Bourne of the Bowmans had a score of 450 and Porter 393, but the others were all below the 300 mark.

TO WINTER ON COAST

Henry Sanders, who for the past several years has served Uncle Sam as the official hauler of the mail to and from the postoffice to the railroad stations, is soon to head his way to the west.

Mr. Sanders ceased his activity with the mail Wednesday and will now make his preparations to journey to California for the winter season.

He will join his daughter, Miss Anna, who is making her home in Los Angeles and there among the old time friends from this section of Nebraska he will enjoy the winter season.

FEED LARGE NUMBER

From Thursday's Daily—
The chicken pie supper, which for many years has been served by the Presbyterian ladies at the Fellowship room of the church, was held last evening. There were between 350 and 400 persons served with the repast and which was much enjoyed and which was a very good success for the ladies.

MOVE TO THE WEST

Mr. and Mrs. Glen Embery and little child, are leaving this city for the southwest where they expect to locate at Phoenix, Arizona, for the present at least. They are making this move in the hope that the health of Mrs. Embery, which as not been the best, may improve in the higher and dryer climate of the southwest.

SELLS FARM

Mrs. Hazel F. Hendricks has sold her farm near Murray to Harry H. Buffington, of White River, South Dakota. Mr. and Mrs. Buffington and family will move to the farm in the near future. The Buffingtons are former residents of Cass county and their many friends will welcome them home again.

Platte River Overflows into the Lowlands

Some of the Bottom Lands East of the City Receive Water From Platte Overflow.

With the Missouri river well blocked with ice and the Platte open and checked at its mouth, much flood water has been forced into the lowlands north of the Platte and on the bottoms along the west side of the Missouri where flood water has penetrated into the chutes and thence in several low lying places.

The overflow is not dangerous to the residents along the lowlands but in several places near the mouth of the Platte has penetrated into made land back of the river dykes and re-ventments but not to the extent to do any serious damage.

The roads leading to the Platte pleasure resorts at Sokol and Plamora park have been waterlogged for the past two days while on the Cass county side of the river the overflow has backed up in low places near the old highway and the Belle gravel pits.

LARGE WHEAT ACRE-AGE IS IN PROSPECT

Another large U. S. seeding of wheat for 1938 harvest was reported in prospect by the Bureau of Agricultural Economics in its annual wheat outlook report. "If wheat growers respond to relatively high prices they received for wheat in 1937 as they have in the past it is probable that the wheat acreage for 1938 harvest will not differ greatly from the \$1,000,000 acres seeded for harvest this year, which was the largest seeded acreage in the history of the country," the bureau said.

RE-ENROLLING SCOUT TROOP

Re-enrollment of the Plattsmouth Boy Scout troop must be effected in the next week or ten days. Dues of adult Scouters are \$1 a year and 50 cents a year for the Scouts. Last year's enrollment reached nearly 40. Some of the older boys will drop out this year, but there are enough 12-year-olds coming on to more than offset the number that will be dropped, again emphasizing the need of a second troop in Plattsmouth.

At the Legion meeting Thursday night, it was voted to contribute \$25 from Community Building club funds to help carry on the Scout program and to continue to pay the dues of members of the troop committee, the Scoutmaster and assistant. This will bring the total of Community Building money thus applied to \$50 in the nearly two years the club has been in existence.

DRAMATIC CLUB ACTIVE

The local dramatic club has resumed its fall and winter activities and are getting ready to enjoy the preparation of several entertaining features for the winter. Robert Wurl is the president for this year.
