**GOES A.W.O.L.—RECAPTURED**

KEARNEY, Neb., Aug. 5 (UP)—John Osborne, 18, of Nebraska City, a trusty at the state industrial school went A.W.O.L. Thursday afternoon, according to Superintendent J. F. Gettman. He was recaptured several hours later hiding in a barn south of the city.

**SERVES WIFE'S SENTENCE**

CAMDEN, N. J., Aug. 6 (UP)—Harry Roder and his wife were arrested for selling four cans of beer without a license.

Magistrate Fred J. Wagner fined them \$100 each.

"We can't pay," Roder said. "Thirty days each, then," said Wagner.

"I don't want my wife to go to jail," the husband pleaded. "Let me serve my wife's sentence too."

Today Roder is serving a 60-day jail sentence while his wife waits customers at their service station.

**NEW TRAFFIC CONTROL**

KEARNEY, Neb., Aug. 6 (UP)—Kearney police today considered the possibility of adopting Jugoslavia methods of traffic control.

Police Chief Lloyd Frank said that in the Balkan nation when police catch a speeder they deflate all four tires. Then the officers go away, leaving the offender to think it over and to pump them up.

Chief Frank said the system may be tried here as an experiment.

# Plattsmouth Leads in Twin Valley

Beating Davey last Sunday, 10 to 2, Plattsmouth has won all but one of the ten Twin Valley league games played to date and is well out ahead in the percentage column. This coming Sunday they play at Waverly.

# OUR PHOTO-FLASHES

Going, Going—Marineland, Fla.—The only two porpoises in captivity are shown in their pool at Marineland, Florida's giant new aquarium which was recently opened.

Check Your Heart—Yes, before looking over this bevy of charming bathing girls, be sure and check your heart at the door.

Man-made "Earthquake" Tumbles Old School Into Ruins—Pasadena, Calif.—Remains of old Benjamin Franklin High School here caught by the camera hanging in mid-air a split second before they crashed to earth in a thunder of broken masonry, during wrecking operations recently. The building was erected in 1903.

Lucky Girl—Convention does not demand a swimming costume for a little girl aged two. She can take a cooler in the garden, and finds the enamel pail an excellent way of getting the maximum cooling value from the minimum amount of water.

Aristocrat of the Kitchen—Perhaps it should be called "duocrad"—is the combined monel sink and range unit which saves steps for the weary housewife. It fits flush against the wall and thus presents an unbroken line of silvery work surfaces.

Style Hints—(1) New York, N. Y.—A hint of Oriental allure, this evening dress of forest green lame, faintly shot with silver, and trimmed with vivid pink. (2) Paris—Smart, streamlined mantle of delightful black and yellow print. (3) Paris—This smart new beach costume of bright rust-colored linen with dark blue and white leather accessories and neck scarf.

A Map of the World Bathing Suit From Paris—Water proofed silk bathing suit printed with a seventeenth century map of the world, in greens and browns, with green kid sandals.

England's Nearest Approach to Venice—Canterbury, Kent, England—When the American school girls encounter a flood they call it a day and don't attend their classes. But these English misses, in rain or shine, must row to their school every day.

Those Days Are Gone Forever—With modern drug stores all across the country preparing to celebrate Nationally Advertised Brands Week the first of September, Consumers Information dug this picture from its files as a reminder of the drug stores of a generation and more ago. Development of nationally advertised brands, it points out, protects the consumer against many former dangers, in addition to saving him money.

Jimmy Fox—One of baseball's big shots in all departments.

# ALVO

Mr. and Mrs. Roy Bell and son, Roger, of Waverly, were Sunday evening dinner guests at the Glenn Dimmitt home.

Archie Miller was in charge of the Sunday school services Sunday morning in the absence of the superintendent, Mrs. A. B. Stroemer.

The little nephew of Mr. and Mrs. Ben Muenchau, Donald Smith, of Lincoln, is spending the week with his aunt and uncle at the farm.

Friday marked the close of the summer school term at the University of Nebraska, which has been attended by Supt. Orville Buehler of the local schools.

Mr. and Mrs. A. B. Stroemer and daughter and Mr. Brown drove to Omaha Sunday to take Mr. Brown's sister, Mrs. Johnson, who was leaving for her home in Chicago after a three weeks' visit with relatives here.

**Repairing Home**

The repair work on the Jesse Hardnock home that was badly damaged by fire about three weeks ago is now under way and the building will be put back in good condition.

**Return Home from Illinois**

Mr. and Mrs. Paul Coatman and son Billy George returned home last Wednesday night after enjoying a week's trip to Illinois. They visited at Woodstock and drove on to Chicago to see the city.

They report having had a very fine time and that everything looked good on their trip.

**Superintendent to Move**

Supt. and Mrs. Buehler will soon move to a new location. They have been living the past year at the home formerly occupied by Supt. and Mrs. Hauptman, the P. J. Lynch property. They will move into the property of Mrs. J. L. Dimmitt, which is located just a block south of where they have been living.

**Children Taking Swimming**

About thirty children from Alvo have been going to South Bend this week, where they are taking the swimming lessons sponsored by the Red Cross. The children have been transported in one of J. B. Elliott's big trucks. Roy Coatman drove the truck and nearly every day one of the mothers has been in charge assisting with the sponsoring of the group. Mrs. Simon Rehmeier has also assisted with the transportation and the care of the children. Mrs. W. C. Timblin has been in charge of the arrangements. The children have had a splendid opportunity to take advantage of a worthwhile project.

**To Leave Soon for Montana**

Betty and Anna Lee Lancaster will leave some time next week for Montana, where they expect to remain to attend school. They will stay with an uncle, Lee Prouty, formerly of Alvo. Anna Lee will attend business college and Betty will attend high school.

**Move to Lincoln**

Mr. and Mrs. Wyman moved to Lincoln Tuesday, where they will make their home. Since their marriage, Mr. Wyman has continued his work in Lincoln while Mrs. Wyman continued to work as bookkeeper for J. B. Elliott, Jr., the hardware and

implement dealer, until a week ago. Mr. Wyman had to leave for work so early each morning they decided it would be more convenient for them to reside in Lincoln.

Mrs. Wyman has lived in this community her entire life time and friends regretted losing them from the community.

**Couple Married**

Paul B. Johnson, elder son of Mr. and Mrs. Carl Johnson, was married to Miss Melba Wall of Eagle Saturday evening at the home of Mr. and Mrs. John Tillot, Jr., in a simple, but beautiful ceremony.

Only a few of the close relatives were present to witness the ceremony.

Paul grew to manhood in this community and has been engaged in farming. He and his bride will reside on the farm southwest of town, where Paul has been farming the past two years.

Friends wish them great success and happiness in their new life's venture.

**Aid Society Elects Officers**

The Ladies Aid Society held an election of officers Wednesday afternoon, August 6, at the church basement at the regular August meeting.

The election resulted in the selection of the following: Mrs. Talbert Edwards, president; Mrs. Ben Muenchau, vice president; Mrs. Lee Coatman, secretary, and Mrs. Walter Vincent, treasurer.

The retiring officers are Mrs. Ben Muenchau, president; Mrs. Frank Taylor, vice president; Mrs. Clarence Froelich, secretary, and Mrs. Charles Godby, treasurer.

Mrs. Frank Taylor reported that the ladies cleared \$79.38 serving lunches during the firemen's two-day celebration.

At the close of the meeting, the hostess group, Mesdames W. L. Copple, Charles Edwards, Davis and Turner McKinnon served delicious ice cold watermelon.

**WOULD BOMB INDUSTRIES**

SHANGHAI, China, Aug. 6 (UP)—Japanese consular officers on the basis of information from Tokyo said today that 2,000 Japanese planes are at present at Manchukuo including long range bombers capable of reaching Siberian industrial areas.
