

Planning for Twelfth District Convention

District President, Legion Auxiliary, Here to Discuss Preliminary Arrangements Friday.

Although time of holding the 12th district convention of the American Legion and Legion Auxiliary in this city is two months or more off (the exact date not to be set until after the National convention in Los Angeles next month) preliminary plans for the Auxiliary's participation were formulated at the local unit's meeting held at the home of Mrs. W. G. Kieck Friday afternoon. Associate hostesses were Mrs. John Turner, Mrs. Wm. Kraeger and Mrs. Claud Ruse.

Mrs. Eugene Nutzman, 12th district president, and Mrs. Verner Lundberg, the district secretary, both of Nehawka, came to Plattsmouth to attend the meeting and discuss with the ladies their part in entertaining the 150 or more Auxiliary members expected to be here from the nineteen units in the 12th district.

In addition to the Nehawka visitors, a delegation of five, headed by Unit President Mrs. Forest Brunson, were present from Louisville. Others in this group were Mrs. Earl Mayfield, Mrs. V. W. Flinity, Mrs. Crawford and Mrs. D. W. Webb. Twenty members of the local unit and two or three prospective eligibles as guests, also attended.

Reports on the recent state convention at Fremont were given by Mrs. Raymond Larson, Mrs. Fay McClintock, Mrs. Eugene Vroman and Mrs. Robert Cappell, four of the six local delegates to that meeting. Mrs. C. A. Marshall, another of the delegates, was unable to attend yesterday's meeting and will give her report next month.

It was decided to make a unit banner and have it ready for the district convention.

It was also decided to hold an Armistice eve chicken pie supper on Thursday evening, November 10. In the early days of the Auxiliary here, this was an annual custom.

Approve Planning Board Program
Mrs. H. L. Gayer, Auxiliary representative on the City Planning Board and chairman thereof, reported on the recent meeting of that body and its endorsement of four

prospective PWA projects, repaving of Chicago avenue and widening of Highways 73-75 from the Welshmer station to the Masonic home over 7th street, completion of the community building, repair and modernization of Central building and rebuilding of the old High school building to house Junior High classes. She said the Planning Board's finding after preliminary estimates was that the total cost to the city and school district for all the projects would not exceed \$35,000.00 with the Federal Government contributing an almost equal amount. On motion the Auxiliary went on record as favoring all four projects.

Mrs. Adelaide Boynton was named Child Welfare chairman, to fill vacancy, with Mrs. Robert Cappell as the assistant member.

Mrs. Nutzman also reported on the Past President's parley at the state convention, which none of the local delegation had attended. Refreshments of home made ice cream, cake, iced tea and nuts were served. September meeting on the 15th will be held at home of Mrs. Max Valley, west of town, with Mrs. Dave Pickrell, Mrs. R. T. Cutrell and Mrs. Frank Rice associate hostesses. A delegation from Green-

wood unit, headed by County President Mrs. Mildred Comstock, will attend that meeting.

Convention Responsibilities
The local unit's part in arranging for the district convention will be to provide the meeting hall, a noon day luncheon and evening banquet, together with such musical numbers on the business and banquet programs as may be requested by the district president, who will make up the program.

Working under a general chairman, local unit committees to arrange and carry out convention details will include: Banquet, Courtesy, Distinguished Guests, Decorations, Favors, Finance, Pages (two allotted the local unit), Parade, Program (to secure local musical numbers as requested), Publicity, Registration and Smilgeage.

Mrs. Raymond Larson, the district vice president, has been designated by Mrs. Nutzman to have charge of the Salt and Pepper initiation. This will probably be held in conjunction with the evening banquet, separate, in all probability, from that of the Legion.

4-H CLUB MEETS

The Klover Leaf Korn Klub has held two interesting afternoon meetings recently.

One was at the home of Elmer Iske. The lesson on judging and scoring of ears was made interesting by our leader, Guy Kiser.

It was decided to combine with two other 4-H clubs and have a picnic at the Louisville lakes, August 21st.

The second meeting was at the home of Dale Topfiff and the lesson was a review.

Everyone enjoyed the delicious ice cream and cake served at these meetings.

Cardinals to Stage a Try-Out Camp at Omaha

Will Give Young Men of This Section Chance for Tryouts With Farm Clubs if Good.

OMAHA, Aug. 18 (UP)—Robert L. Finch, vice-president of all minor league clubs owned by the St. Louis Cardinals, will be in charge of the try-out camp to be conducted here at Fontenelle Park, beginning Monday, Aug. 29, it was announced today by John Eckler, field representative of the Cardinal-owned Columbus club of the American Association, who is in this territory to do the advance work on the camp.

The camp is being sponsored by the four largest clubs in the Cardinal organization — Sacramento of the Pacific Coast League, Rochester (N. Y.) of the International League, Ouston of the Texas League and Columbus. And proof that the Cardinal organization plans to leave no stone unturned to discover outstanding talent is seen in the announcement that Finch will be here to take charge of the camp.

Finch will be assisted by Joe Mathes and Joe Sugden, scouts of the Rochester club. Both men have had years of experience in handling young ball players. Mathes is one of the field chiefs in the Cardinal system. Sugden, the veteran of all Cardinal organization scouts, is noted for his ability to develop pitchers and catchers. He was a star catcher in the majors around the turn of the century. The presence of these men in the Omaha camp assures every boy of a thorough and a fair trial.

Boys between the ages of 17 and 23 who believe they have a future in professional baseball are urged to attend the camp, with the first session scheduled for Monday morning, Aug. 29, at 9 o'clock. The camp will last approximately one week and out-of-town boys should plan to remain here three or four days in order to be given a thorough trial. No fee is charged but the boys must bring their own shoes, glove and uniform and must pay their own expenses while here.

WANTED—NAMES OF BIG FAMILIES FOR KARNIVAL

There are lots of big things grown in Nebraska but what about the type of families that Theodore Roosevelt used to talk about—the big families of 6, 8 or a dozen or more? Are they still with us?

As one feature of the coming King Korn Karnival the program committee would like to honor the old-fashioned big families in either Cass or Sarpy counties. We think there are some and we would like to have their names. If you belong to such a family or if you know of any such families in the two counties, will you please send the name to C. C. Westcott, chairman program committee of Plattsmouth, Neb.

In order to qualify, these families must be monogential or from one father and mother and must be present in Plattsmouth on the specified day. Now we know there are some large families that cannot qualify because they are scattered and probably could not get together at one time and place but the family that can have the largest number present will be given a royal good dinner and a royal good time at our expense. If either father or mother are deceased the family can still qualify. Let us have these names just as soon as possible. We cannot make all our plans until we know how many there are.

REX IS BACK

Rex Bourne, who was formerly engaged as clerk at the Sharpnack liquor store, but who for several months has been engaged in other activities, will resume his post at this well known establishment Monday morning. Mr. Bourne is a very capable and accommodating salesman and the patrons will be pleased to see him back at the post.

Joe McNeal, who has been engaged at the Sharpnack store will take up work at the Bryant garage where he was employed prior to serving in the liquor store.
