

Plattsmouth Lady Has Fine Trip to East

Mrs. J. A. Donelan Returns From Extensive Motor Trip to New England States and Canada.

Mrs. J. A. Donelan of this city has just returned from a very pleasant auto trip through a large part of the northern United States, Canada and the New England states.

Mrs. Donelan was taken on the trip by her son-in-law and daughter, Mr. and Mrs. Karl Brown and daughter, Marion, of Papillion, the party being able to cover many hundred miles on the journey.

They motored east for very interesting stops at Madison and then at Milwaukee and with a lake trip to add to the pleasures of the auto travel, and found Lake Michigan a real body of water. They visited many interesting spots in Michigan, the highlight of which was the visit to the village that Henry Ford has preserved of the early America and the great men and women of the earlier years. Crossing to Canada they motored along the attractive scenery of that part of America and arrived at Niagara Falls to view the great falls from the Canadian side. The party enjoyed a trip along the St. Lawrence, which included visits at Montreal, great inland harbor of North America and in Quebec, where the Nebraska visitors found the old world atmosphere much in evidence in the French sections of the city.

After a visit in the Canadian country the party returned to the United States via Levis, Maine, through the famous pine woods country and down along the Kennebec river to Portland. In Portland they visited at the home of Henry Wadsworth Longfellow and the many interesting spots associated with his life and works.

The party then drove through New Hampshire and the White mountains and into Vermont and its famous Green mountains. They visited at Burlington on Lake Champlain and also at Dartmouth college while in New England and found much of interest in the historical spots so closely associated with the early history of the nation. A tour through the Hudson valley and the New York mountains was much enjoyed and then the party turned westward through Cleveland and Chicago to home.

BASEBALL TOURNAMENT HERE

For the grand baseball finale, Plattsmouth is topping off the list with a baseball tournament for Cass county teams only. Ray Shaffer, who is to be the tournament manager, is making arrangements with the different teams in the county. Mr. Shaffer is assisted in this work by Clyde Jackson and the tournament is under the auspices of the King Korn Carnival organization and the Recreation Center.

To provide the competition there is expected to be teams from Alvo, Eagle, Weeping Water, Union, Louisville, Greenwood and Manley and you can bet there will be plenty of competition in this group of teams. This tournament is to be held the last three days of the Korn Carnival with the final games the following Sunday with two good games and maybe more for each day.

For the baseball fans who like good, fast, smart baseball, you should see plenty of good plays at this tournament as there will be some good teams out after the first prize and they will be playing their best.

Close Decision in Baseball Game Defeats Locals

Lose 4 to 1 to U. S. Veterans' Team at Greenwood Tourny—O'Donnell Leads in Hitting.

The local Merchants last Saturday were the victims of the most questionable umpire decision of the baseball season, and the decision was the most important factor of their 4-1 defeat. The decision came in the locals' half of the ninth frame on a powerfully batted ball of "Gabby" Street, with the bases loaded and Herb Sundstrom called out when scoring. The conquerors of the locals was a team representing the U. S. Veterans' hospital of Lincoln and was composed of players from the Bob Robinson's garage and Woodman teams of Lincoln. The Vets' second baseman, Blakeville, was identified as Herman Rohrig, University of Nebraska backfield ace.

Townsend, youthful capital city hurler allowed 9 hits and struck out 7. Lloyd Thierolf, Louisville chucker, who tolled for the locals allowed the erstwhile hard-hitting Vets but 7 hits and whiffed 8 in a surprisingly good exhibition of hurling.

"Gabby" Street played center field and was scouted by Joe Mathes and another St. Louis Cardinal representative. Although "Gabby" failed to collect a hit, three "circus" catches robbed him of hits, one a potential homer with the sacks stuffed, and he convinced all present that he has dynamite in his hits.

Jack O'Donnell had two doubles to lead the local hitting.

Box score:

Table with columns AB, R, H, PO, A, E for Plattsmouth and U. S. Vets.

Return from a Trip to the West Coast

Mr. and Mrs. Arnold Lillie Travel 5,500 Miles Though West Country, Arrive in Storm.

Mr. and Mrs. Arnold Lillie arrived home Tuesday night from a 5,550 mile motor trip through the west coast and many places of interest in the midwestern section.

They made the trip in fine shape and the only mishaps to mar the enjoyment was a flat tire in Lincoln Tuesday and the arrival home last night to find the basement of their home filled with water and mud galore and also in the beauty shop of Mrs. Lillie on South Sixth street.

They were accompanied home by their son, Harvey Eggeing, of the United States navy, who is enjoying a thirty-five day furlough and will visit with the relatives and old school friends in this locality.

On their way to Los Angeles they stopped at Boulder Dam to inspect this great engineering feat and which is one of the greatest pieces of work of its kind in the country.

In Los Angeles they were surprised one day to meet Chet Smith of this city, who is engaged in operating a truck in that locality and also had the pleasure of meeting Merle McCrary, working in a branch of the Bank of America. They also called on Mr. and Mrs. Chris Bullin, old Plattsmouth friends.

While dinner guests at the home of Mr. and Mrs. Joe Faith they had the pleasure of a visit with Mr. and Mrs. Forrest Rhodes, formerly of this city.

They spent several days at San Francisco, crossing the great Golden Gate bridge and visiting the site of the 1939 world's fair which is to be held on an island in the bay. Here also they paid a visit to the fishermen's wharf where they enjoyed a repast and crab cocktail, one of the special treats of the place. From the wharf they had a fine view of Alcatraz island, United States "Devil's Island."

Before returning home they visited at Fernley, Nevada, where they visited with Mr. and Mrs. Frank Godwin, the former the superintendent of schools there. While there they met Merritt Patton and his bride-to-be, who were to be married on last Saturday at Reno, Nevada. Mr. and Mrs. Godwin to be the attendants. Dahl, of Manley, Nebraska, is the new Mercerville school teacher. Miss Ellen Ubben, of Auburn, will teach in junior high.

One of the big thrills of the trip was at Salt Lake City where they were privileged to witness the record breaking race of Captain Easton, English racer, who drove his car 345 miles per hour for a new world's record on the Bonneville salt flats. They also met Governor Blood of Utah at the racing trials.

BEG YOUR PARDON

In the account of the republican county convention, the Journal was in error as to the vice-chairman selected for the county committee. This should have been Mrs. John Harold Brunson of Louisville instead of Mrs. F. H. Bronson, as reported. Mrs. John Harold Brunson has served as the vice-chairman for the past year.

LOSE SEVERAL HORSES

Residents of the central part of the county are reporting the loss of a great many horses from various ailments and which has brought a serious loss to the farmers. Horses are reported as dying at the farms of Rudolph Hart, Virgil Ruby, Earl Wiles and at the E. M. Ruby farm.

NEW TEACHERS

Six new teachers will be added to the faculty of the Plattsmouth public schools this year. This is about the usual turn-over that the local school experiences.

The board of education has made an unusually strong search of all candidates and have selected the best possible faculty for the coming year. The following is the list of new teachers and their assignments:

David Fowler, of Fremont, Nebraska, will have charge of the music department and will teach junior high reading and spelling. Miss Genevieve Pohman, of Lincoln, Nebraska, is the new home economics teacher. She will also teach in junior high. Miss Lorraine Dahl, of Manley, Nebraska, is the new Mercerville school teacher. Miss Ellen Ubben, of Auburn, will teach in junior high.

HAVE SOME PEACHES

Mr. and Mrs. M. E. Buttery at their home on North Tenth street have a very fine peach tree that they have raised from a seedling today it is loaded with large and luscious peaches that certainly are tempting. One of the limbs, loaded with four of the large peaches, broke off and was sent to the Journal as an example of real Nebraska peaches.

The Buttery family also presented us with a lovely bouquet of the small and bright hued zinnias which certainly make a colorful display of the fall flowers.

REPAIRING DAMAGE

The linemen of the Lincoln Telephone & Telegraph company are kept busy since the storm of Saturday night repairing damage caused by the electric storm. There was a great deal of damage to the lines west of this city as well as on the Plattsmouth city lines and the repair and check of these have kept the workmen busy. They are now getting well caught up with the work and it is hoped soon will soon have everything back to normal conditions.
