JAPAN BACKS POLAND

WARSAW, Poland, Oct. 1 (UP)—Foreign Minister Joseph Beck received a cablegram from the Japanese government supporting Poland's minority demands 100 per cent. "Although we are far from the conflict, we fully sympathize with Poland's steps" the message said.

COST OF STATE GOVERNMENT

LINCOLN, Sept. 30 (UP)—Cost of operating Nebraska's state government during August amounted to \$3,002,975, the largest monthly expenditure since September 1937, State Tax Commissioner W. H. Smith reported today.

An increase in warrants drawn for state highway construction and maintenance, board of control, state assistance and the University of Nebraska was responsible for the increase. With 10 months remaining in the biennium, slightly less than two-thirds of the appropriations have been expended. Some \$34,562,847 has been spent to date from total appropriations calculated by the state auditors at \$55,213,000.

Confesses Plot to Flood Country with Fake Checks

Chicago Police State Revelation Will Lead to Arrest of Many in Midwestern States.

CHICAGO, Oct. 1 (UP)—Police Lieut. Thomas Kelly said today that revelations of an expert engraver, who elaborated on a confession that he had participated in a gang plot to flood scores of cities with \$1,000,000 in fake checks and securities will lead to arrest of a dozen persons in southern, eastern and midwestern states.

Berger Hanson, one of three men arrested last week in a raid on a "loop" printing shop, made the confession. Last night he elaborated on the gang's activities, Kelly said, and gave information warranting arrest of several "passers."

Thirteen persons, including Hanson, already have been seized. They include George (Bugs) Moran, prohibition era leader in Chicago, and Frankie Parker, airplane bootlegger, who are charged with having been leaders of the gang. Police seized them and eight other men last June after some members of the gang, acting in haste, had cashed forged American Express company travelers checks in Chicago and Pittsburgh. Moran and Parker were indicted and will be tried October 27.

Hanson confessed last week that he had produced and helped distribute approximately \$400,000 worth of fake railroad bonds and \$42,000 worth of travelers' checks.

Last night he gave details of that counterfeiting and admitted also he had manufactured \$65,000 worth of liquor and cigaret tax stamps.

The swindling of innocent persons through elaborate printed or engraved documents representing cashier's checks or other valuable vouchers is not new to this part of the country. Two such operators have victimized Plattsmouth residents in late years. Wm. Bowen, an itinerant painter, who left behind him a trail of alleged cashier's checks of a local bank until the law caught up with him, and Earl Freeman who was bold enough to have his picture on alleged salary checks, also captured and now serving time. In both cases the men refused to divulge the names of the printers who had supplied them with their blanks.

Now, with the tables turned, and one of the higher ups in custody, it appears he is not averse to "squealing" on the confederates who were wont to protect him when they themselves got into trouble.

At the times both these local offenders were sentenced to prison, the Journal called attention to the fact that it was equally or more important to apprehend the printer who was unlawfully supplying them with the forms by which they were able to successfully carry on their respective swindling games.

HALLIBURTON INCORPORATES PACIFIC "JUNK" EXPEDITION

SACRAMENTO, Cal. (UP)—Richard Halliburton, author and globe girder, has filed articles of incorporation for the "Richard Halliburton Trans-Pacific Junk Expedition, Inc."

He explains that the "junk" involved is not the kind that the Japanese transport to Japan for making war material but is that particular brand of a Chinese ship that is called a "junk." He expects to purchase it in China and sail it to San Francisco in connection with cruises for the 1939 Golden Gate International exposition.

November 30 Date for District Meeting Here

Legionnaires and Auxiliaries from Twenty Towns to be Guests of Plattsmouth Then

November 30 is the date set for the 12th district Legion and Legion Auxiliary convention in Plattsmouth, according to word received today by the local post adjutant. This district comprises Cass, Otoe, Lancaster and Seward counties, numbering twenty posts, as follows: Beaver Crossing, Bennet, Cordova, Deyer, Elmwood, Greenwood, Hickman, Lincoln, Louisville, Milford, Nebraska City, Nehawka, Palmyra, Plattsmouth, Seward, Syracuse, Talmage, Tamora, Utica and Weeping Water.

About the same number of Auxiliary units also exist. Fred Liebers, of Bennett, is the district Legion commander and Mrs. Eugene Nutzman, of Nehawka, is district Auxiliary president.

There are thirteen districts in the state. The first convention will be that of the fifth district at North Platte on November 1, and the last of the fourth district at Bridgeport on December 12.

North Platte, Oxford, Holdrege, Ainsworth, St. Paul and Stromsburg will hold their conventions between November 1 and November 9. Then the state officers will take time out to attend a national conference in Indianapolis, starting the district conventions again on November 28 at Geneva, 29th at Falls City, 30th at Plattsmouth, Dec. 1st at Blair, 5th at Wiener, 6th at Columbus, and 12th at Bridgeport.

Local Legionnaires and Auxiliaries would have preferred having the convention earlier, but must accept the dates assigned by the state department and make the best of the situation. Six years ago the convention here was held the first week in December, with below zero temperature and snow-blocked roads to cut down the attendance. Last year's convention at Nebraska City was held November 9.

MAKES DRAMATIC DEBUT

Ann Parr Hazzard, daughter of the late Jack Hazzard and Alice Dovey Hazzard, is making her debut on the stage where her parents were for a number of years brilliant figures.

Miss Hazzard has been studying dramatics at one of the leading schools at Hollywood for the past two years, her mother now being a resident of the movie capital. Her training and inherited love for the stage has brought her the opportunity of being in the cast of "Light", a revival of the great success of twenty years ago. The company is headed by Fred Stone, noted comedian, who takes the role made famous by Bacon and with his brilliancy as an actor is bringing it a great success. The play is now being played in New York.

Plattsmouth residents will watch with interest the career of this young girl, whose mother, Alice Dovey, was a Plattsmouth girl, a daughter of Mr. and Mrs. George E. Dovey. Her aunt, Mrs. R. F. Patterson, is the only member of the family remaining here, although two aunts, Mrs. George H. Falter and Mrs. John W. Falter, both former residents here, now reside at Atchison, Kansas, and Falls City, Nebr., respectively.

INVITED TO CREIGHTON GAME

The Plattsmouth Junior drum and bugle corps have been invited and will probably accept the invitation to attend the Creighton University-Oklahoma A. & M. football game in Omaha next Saturday night, October 8th. Originally invitation had been sent for tonight's game, but this date not being acceptable, it has been moved ahead a week.

Not only the corps but drivers of cars taking them to Omaha will be given free admission tickets and a good seat at the game. E. S. Hickey, business manager of Creighton's department of athletics, advises.

Leslie Niel, in charge of transportation arrangements when the corps go out of town, will be glad to hear from car drivers willing to take a load of the boys in exchange for a free Annie Oakley to the football game.

The local corps attended one of the Creighton games last year, but were just about crowded off the drill field by parading bands, and Mr. Hickey has promised to correct this situation this year.
