

IN AND AROUND THE TOWN.

I. H. Dunn has disposed of his flour and feed store to S. L. Greeson.

Silas E. Hall, the Sixth street hardware man, has been granted a soldiers' pension by the U. S. government.

The remains of an infant child of Mr. and Mrs. Louis Gibson were brought to this city from South Omaha Friday and interred at Oak Hill cemetery.

Several saloons in one city in Iowa have closed their doors, declaring they could not conduct their business at a fair profit under the law. It cannot be done.—Glenwood Times.

A large new barn on the farm of the Widow Wiles, several miles southwest of town, was totally destroyed by fire Friday night. The barn was struck by lightning.

Geo. Poissall became security for the payment of the \$35 fine assessed against Gambler Woods by Judge Chapman last week, and Woods departed for Omaha.

John Tighe returned last Saturday from Sinsinawa Mound, Wis., where he went to accompany home his daughter, who has been attending school at that place.

O. J. King, the Omaha contractor who built Cass county's splendid new courthouse, has been awarded the contract for the joint government postoffice and court house at Mankato, Minnesota.

The Elmwood Echo is booming D. K. Barr for re-election as secretary of the republican county central committee. D. K. is deserving of something better. A nomination for some office would be more fitting.

Joe C. Condon and J. Stephens were arrested at Louisville last Friday, charged with stealing harness from farmers in that section. They had in their possession a couple of sets belonging to a man living near Gretna.

The JOURNAL was partially in error on Monday when we stated that the Missouri Pacific system was tied up by the strikers. The tie-up only extends to the freight trains, all passenger trains on this division running as usual.

The county commissioners were here yesterday testing the new road grader out west of town, purchased for this, the second district, at a cost of \$225. The agent was down from Lincoln to manipulate the machine, which does excellent work.—Nehawka Register.

The Jacksonian club of Omaha are getting after Marshal Frank White and his chief deputy because he appointed a crowd of republicans as deputies to guard the Union Pacific at Julesburg. The club will ask the marshal to explain at their next meeting, on July 14th.

Harry Stevenson, aged thirteen, was drowned Monday afternoon at Nebraska City while bathing in the Missouri river. He got beyond his depth, and sank before the eyes of his companions, who were powerless to render assistance. He was a son of the late Hon. T. B. Stevenson.

Mike Conley and Isaac Plattner had an altercation at Nebraska City Sunday morning, and the former stabbed the latter with a long dirk knife, inflicting several deep gashes in the region of the heart. Plattner is in a precarious condition. Both are respectable characters.

Some of the residents of South Park complained to the police Friday of a nuisance in the shape of a dance platform that is located in their midst. This place has been a resort for a crowd that uses shocking obscene language, and the police will see that such practices are discontinued.

Clay Connor was in town Monday and reports that he will soon embark in the saloon business at Pacific Junction, having secured the requisite number of signers to comply with the provisions of the new Milet law. Considerable opposition to the opening of saloons has been shown by some of the people of Mills county.

The Weekly Herald claims to have secured 174 new subscribers, by reason of a buggy raffle, down in the neighborhood of Union. The purported number of suckers sounds very fishy, but granting it were true, THE JOURNAL stands ready to prove that it has more subscribers for its weekly than any other Plattsmouth publication.

Word comes from across the river that there are three well-developed cases of small-pox at Glenwood. Two of the patients are said to have been ill for over a week, but the Glenwood papers have purposely failed to print the facts. The disease has just about run its race at Bethlehem and Pacific Junction and there is not the slightest danger of Plattsmouth being visited by the pest.

Word reached Louisville on Friday that John Boom had lost all his household effects by the burning of his farm house Wednesday night. Boom is occupying John Polk's farm south of that town. He and his wife were working in the field when, at about 4:30, they saw smoke in the direction of the house, which is hidden from the field by a dense grove. They went to the house at once, but the flames had

gained such headway that, the wind being strong, the building, an old structure, was beyond hope and soon was totally destroyed, together with all its effects. No insurance.

Miss Gerald Hayes, daughter of Commissioner Hayes, closed her first term of school near Cedar Creek last Friday and so well were the directors and patrons pleased with her services that they insisted on her signing a contract to teach the next term, and as an evidence of good faith gave her a splendid raise in her salary. Miss Hayes is an Elmwood girl and we are proud to say that she has nobly upheld the high standard of the Elmwood educational course. Miss Hayes will remain at home during vacation.—Elmwood Echo.

For summer complaint use Gering's Blackberry Cordial.

For several years W. S. Purdy has been subject to attacks of "locomotor ataxy," and for a long time was only able to get around with the aid of crutches. During the past year his condition has wonderfully improved by electrical treatment, but on Saturday he suffered another attack while on Main street and was forced to ride home. His condition has since improved and THE JOURNAL hopes that before many days he will be able to be around again.

Drop into Lehnhoff's and drink a glass of cream soda water.

The Nebraska City Press says: Members of the turn-verein are looking forward with much interest to the turners' picnic, which is to be held in Metcalf's grove, north of the city, on August 12. The Plattsmouth Verein, which is regarded the strongest in the state, will be present and will give an exhibition in gymnastics, which is certain to be exceptionally good. Hon. John C. Watson has been invited to address the members.

It never fails—Gering's Blackberry Cordial for summer complaint.

For the first time since its organization nearly a year ago, the Omaha passenger association squarely cinched a member last week for cutting rates. The victim was General Agent Nish of the Milwaukee, who owned up to selling a Chicago ticket for \$8 when the regular fare was \$12.75. He pleaded that he did it to meet competition, but he paid the association the \$25 forfeit all the same, like a little man.

FOUND—The finest soda water in the city at Gering & Co's.

Mrs. Adelia Boyd died last Monday, June 25, 1894, at her home at the old South Bend bridge. Mrs. Boyd has been toll-gate keeper on the bridge across the Platte both at Ashland and South Bend for a dozen or more years, and enjoyed a large acquaintance in eastern Nebraska. She was between 50 and 60 years old, and leaves no immediate relatives in this vicinity.—Papillon Times.

All legal business given prompt attention, D. O. Dwyer, attorney, Plattsmouth.

The rumor is current at Nebraska City that Father Corbett, having grown weary of the delay in getting a final hearing in his case against Bishop Bonacum, has decided to make a pilgrimage to Rome to lay his grievances before the vatican in person. As a means of raising funds for his mission Corbett has arranged a lecturing tour, selecting as his theme the significant topic, "Why it is so Hard to be Good."

\$100 Reward, \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c. The "Plan Sifter" flour is the popular brand. Ask for it from your grocer.

The Dun commercial agency has been compiling crop statistics for Nebraska, as the following is the report from Cass county: Plattsmouth—Prospects for corn crop excellent. Corn unusually clean and well advanced for time of year. Oats, wheat and hay will fall short owing to early dry weather. Weeping Water—The acreage of corn will be somewhat greater this year than last. Crop all most certain. Small grain is nearly a failure.

Our Boys Win Prizes. The class of turners from this city, who were in attendance at the district tournament at Omaha on Saturday and Sunday, returned home on Monday flushed with victory. The tournament was one of the greatest successes ever achieved by the Nebraska turn-bezirk, Lincoln, Fremont, Omaha and Plattsmouth taking part and acquitting themselves well in physical prowess. The Plattsmouth class captured a total of five prizes.

In the class prize-turning the Omaha team made an average of 43.67 points; Plattsmouth averaged 42.83, and Fremont 35.84, thus giving Omaha first prize.

Putting the shot was one of the accomplishments in which Paul Wurl of Omaha distinguished himself. He threw a thirty-five pound weight eighteen feet. Tony Plambeck of Fremont followed next with seventeen feet six inches. Third came Fletcher Robbins of Plattsmouth, throwing the ball seventeen feet five inches.

In the individual apparatus exercises on the parallel bars Otto Wurl of Plattsmouth won first prize on 55.27 points; Ernest Eisener of Omaha making 54.53; Emil Wurl, Plattsmouth, 52.65; Louis Boldt, Omaha, 52.61; Henry Roth, Plattsmouth, 43.47, and Oscar Nast, Fremont, finishing with 27.54.

In the sub-tournament, comprising dumb bell exercises, lifting of heavy weights, high jumping, hop, step and jump, pole vaulting and rope climbing, in which all the turners were engaged, the highest average was made by Otto Wurl, the Plattsmouth athlete, 48.68 points being awarded to him. John Krage of Omaha stood second, with 45.75, and Paul Wurl, also of the Omaha team, made 44.03. In the individual apparatus turning Otto Wurl of Plattsmouth again captured first prize by averaging 55.03 points. He was closely followed by Ernest Eisener of Omaha with 54.47.
