

YOU ARE TO BE THE JUDGE!

JEFFERSON SAID:

"I BELIEVE that there are certain substances, by which, applied to the Human Body, either externally or internally, or both, NATURE CAN BE ASSISTED, and by such assistance accomplish IN A SHORT TIME what Nature otherwise, unaided would do SLOWLY."

And Jefferson believed but little in doctors. What was TRUE in his time is true TODAY, that at best we CAN ONLY ASSIST NATURE. This is ALL we claim for Vitæ-Ore, itself a PRODUCT OF NATURE, mined from the ground like gold and silver. Nothing unreasonable, unnatural or super-natural. IT ASSISTS NATURE and thus accomplishes in A SHORT TIME what Nature unaided would DO SLOWLY. It only HURRIES, makes more rapid and satisfactory, the NATURAL PROCESSES OF RECUPERATION from disease, from exhaustion, from waste and decay. It stimulates the NATURAL FORCES to greater activity, to QUICKER ACTION, in a rational, health making manner, and thus CURES where revolutionary treatments FAIL EVEN TO BENEFIT.

We WANT YOU TO JUDGE IT, to learn for yourself whether or not Jefferson was right, and at our expense. We are willing to take the risk!

Read Our Special Offer TO COMMONER SUBSCRIBERS and READERS

WE WILL SEND to every subscriber or reader of THE COMMONER or worthy person recommended by a subscriber, a full-sized ONE DOLLAR package of VITÆ-ORE, by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt. If the receiver can truthfully say that its use has done him or her more good than all the drugs or dopes of quacks or good doctors or patent medicines he or she has ever used. READ this over again carefully, and understand we ask our pay only WHEN IT HAS DONE YOU GOOD AND NOT BEFORE. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. VITÆ-ORE is a natural, hard, adamant, rock-like substance—mineral—Ore—mined from the ground like gold and silver, and requires about twenty years for oxidization. It contains free iron, free sulphur, and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as RHEUMATISM, BRUITS DISEASE, BLOOD POISONING, HEART TROUBLE, DROPSY, CATARRH AND THROAT AFFECTI-ONS, LIVER, KIDNEY AND BLADDER AILMENTS, STOMACH AND FEMALE DISORDERS, LA GRIPPE, MALARIAL FEVER, NERVOUS PROSTRATION AND GENERAL DEBILITY, as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITÆ-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

VITÆ-ORE will do the same for you as it has for hundred of readers of this paper if you will give it a trial. SEND FOR A \$1.00 PACKAGE AT OUR RISK. You have nothing to lose but the stamp to answer this announcement. If the medicine does not benefit you, WRITE US SO AND THE RISK IS NO HARM DONE. WE WANT NO ONE'S MONEY WHEN VITÆ-ORE CANNOT BENEFIT. Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try VITÆ-ORE on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. WE MEAN JUST WHAT WE SAY in this announcement, and will do just what we agree. Write today for a package at our risk and expense, giving your age and ailments, and mention this paper, so that we may know that you are entitled to this liberal offer.

You Are to Be the Judge!

Don't Experiment

Some experiments are necessary for the advancement of civilization; and although frequently lives are lost and much damage done, the ultimate results and benefits are the cause of such good to humanity. Others result in loss of life from no apparent cause other than the obstinacy of the experimenter, who will not heed the advice of friends, and refuses to see that his experiment is IMPOSSIBLE AND IMPRACTICABLE FOR THE RESULTS AIMED AT OR INTENDED.

As all experiments are dangerous, so it is a dangerous thing to experiment with worthless patent medicines and nostrums of the kind that springs up in the night, and "none know from whence they came" or what their origin. It is seeking after an impossible result to look for health in a bottle of ALCOHOL and SARSAPARILLA, or a package of SENNA and STRAW; and such experiments are often disastrous to the experimenter.

VITÆ-ORE, Nature's Remedy, is not an experiment, and the sick or suffering person who seeks its aid is not experimenting. IT HAS STOOD THE TEST of the American public, a critical judge, for a generation of time, and is growing in popularity and selling more rapidly from year to year, and has fully substantiated our claim to being the best thing in, on, or out of the earth for afflicted people. Beware of experiments in medicine, and when you need a remedy LET THE EXPERIENCE OF OTHERS BE YOUR GUIDE. If you have been using other treatments without the results that were promised and that you anticipated, THROW THEM AWAY and begin with this natural healing and curing ORE. IT WILL NOT FAIL YOU.

Mrs. Geo. L. Sackett,

President Women's Christian Temperance Union, Testifies.

READ WHAT SHE SAYS:

I have taken my temperance paper for a number of years and would not like to be without it, but now I am doubly grateful to it since I secured from its pages my first knowledge of a remedy which has restored me to health after many years of ill health and suffering.

Vitæ-Ore is the remedy, and I wish that I could tell every one of my ailing sisters about it. It had not been advertised in my paper I perhaps would never have learned of it or given it a trial. For twenty-five years I had suffered mainly with Catarrh, and other ailments, in fact my doctors long ago said that I had not a sound organ in my body except my lungs. I suffered and doctored during all this time and spent hundreds of dollars with but little benefit, until I commenced taking Vitæ-Ore. When I began using it I was very weak and could eat but little; those about me did not think that I would ever be able to do anything, and I almost agreed with them. After taking a few doses of Vitæ-Ore my entire condition changed; I began to feel hungry again and in a little while food tasted good; I was able to eat and work, and can now perform most of my household duties. This is after having scarcely seen a well day during the past quarter of a century, which makes the great improvement in my case almost a miracle—MRS. GEO. L. SACKETT, 58 Lowell St., Merrick, Mass. Former President Merrick W. C. T. U.

OWES HIS LIFE TO VITÆ-ORE.

Suffered for Years with Kidney, Heart, Stomach and Rheumatic Troubles—Made a Well Man Again by Vitæ-Ore.

COVINA, CAL.—I owe to Vitæ-Ore that I am alive today. For eight years I have suffered from kidney trouble, called by different names according to the whim of the doctor treating me, and I can honestly say that I never knew a well day. I became so bloated and fat that it was burdensome to me to make any exertion and a continual pain about my heart never left me. It was impossible for me to lie on my left side and sometimes I could not lie down at all. In addition to this I was tortured with rheumatic pains and even my digestive organs were diseased, acute attacks of cramps and neuralgic pains of the stomach being so severe as to threaten death.

Four years ago I was attacked with typhoid fever and two doctors attended me. They broke the fever and treated me for other troubles, but I became weaker and weaker and every one thought me past recovery. My sister would not give up hope, but persuaded me to try Vitæ-Ore. She and my wife said if I would swallow a few doses I would find myself improved; if I did not they would cease urging me. I began taking it, and the result which they predicted came about. I began to improve at once and became in the course of a few weeks a well man and have continued so ever since. I am able to do the hardest kind of manual labor. My heart never gives me any uneasiness, and my cramps, pains and fat are things of the past.

I could write as much more about the wonderful cure it effected, used as a gargle and swab in a case of Violent Diphtheria. The case was our only child and he is alive and well, while many of others died who were treated by doctors. I cannot sufficiently praise Vitæ-Ore and only wish I could reach all sufferers with a message of health and happiness.
