

# Bargains in Good Reading

Subscribe for The Commoner and for a small additional amount you also secure a magazine or newspaper for your friend

For the accommodation of our readers who desire to avail themselves of a general line of reading, so far as newspapers and periodicals are concerned, The Commoner has arranged a number of special clubbing offers. This plan has proven to be very popular, and each year thousands of Commoner readers have taken advantage of the low prices thus made possible. This year we are pleased to be able to offer Commoner readers a larger list to select from and in many cases better prices. We get especially low prices by reason of our ability to send to the respective publications large numbers of subscribers, and our readers are given the full benefit of all reduction made in price by other publishers for clubbing purposes.

## INTEREST YOUR FRIENDS

Commoner readers who are willing to assist in the work of increasing The Commoner's circulation and influence will find it easy to interest their friends, who are not now subscribers, by bringing to their attention the extraordinarily low prices at which standard periodicals can be secured in combination with The Commoner.
