

Pushing The Commoner Million Army Plan

Through The Commoner's million army plan it is hoped to circulate this publication in every precinct in every state in the union. To this end The Commoner will be sent to those who take advantage of this plan for 60 cents from now until after the November election.

Cut out, sign and return the certificate printed on this page for your own membership. Or if you do not care to mutilate your copy of The Commoner send in a request asking for a number of blank certificates and they will be forwarded to you, thus enabling you to give your acquaintances an opportunity to join in the work of building up the "army of a million plan" and enabling them also to secure The Commoner from now until November, 1908, for only sixty cents.
