SEND FOR A DOCTOR

Crosbyton Review: The lady who laughs heartily is a doctor without a diploma. Her face does more good in a sickroom than a bushel of powders or a gallon of bitter draughts. People are always glad to see her. Their hands instinctive-

ly go half way out to meet her grasp, while they turn involuntarily from the dampy touch of the dyspeptic, who speaks in the groaning key. She laughs you out of your faults, while you never dream of being offended with her, and you never know what a pleasant world you live in until she points out the sunny streaks on her pathway. It is true—all true. But it isn't easy these days for a lady to laugh heartily. If she is dressed up a hearty laugh is likely to burst something or disarrange her hair. Besides, the modern woman has so many things to make her miserable she cannot be expected to laugh with the hilarity that characterizes the care-free. Four times a year the women folk have to change styles, and they are compelled to spend much of the time between changes in getting the things to change with. The result is that their lives are given up mostly to clothes, and clothes are no laughing matter. If you get sick, better send for a doctor and not depend upon any cachinative neighborine.—Dallas, Texas, News.

CONGRATULATIONS TO MGR.

SCHREMBES

The appointment of Rt. Rev. Monsignor Schrembs as auxiliary bishop of the diocese of Grand Rapids comes as a deserved recognition of a brilliant and useful career. The public at large, as well as the Catholic laity and clergy, will be gratified by the honor thus conferred on a distinguished Grand Rapids citizen.

Monsignor Schrembs is a big man, big in intellect. In human sympathy, in passion for the right and hatred for the wrong. An aggressive and powerful spiritual leader, he also is a patriotic and high-minded citizen, public-spirited, broad in his viewpoint and earnest in his desire to serve the community. He was a member of the city plan commission, has taken a prominent part in the work of charter revision, is a member of the board of trade and in many ways and on many occasions has proved that he has a lofty sense of his civic responsibilities. Whether or not one always agrees with his conclusions, he is that type of man who must be respected for his courage and his sincerity.

The people of Grand Rapids will recall that about nine years ago the prelate's series of lectures on the Catholic faith revealed him as an orator of marked power and since then he has demonstrated more than once that he is a speaker with that magical gift of language which holds audiences spellbound.

Both the Catholic and non-Catholic members of the community will join in congratulating Monsignor Schrembs on his elevation and in wishing him that success in his future that his commanding abilities deserve.—Grand Rapids (Michigan) Press.

NO PREJUDICE HERE

Mr. Roosevelt declares he would like to see the day when a Jew could be elected president.

We hate to spoil Mr. Roosevelt's carefully framed declaration of religious tolerance. But in our humble judgment, the day when a Jew can be elected to the presidency is here now, and has been for some time. All that is lacking is the Jew who wants the place and can demonstrate his superior fitness for it. Jews have been elected to every other position in this country. There are Jews in the senate, Jews in the house of representatives, and there are or have been Jews who were governors of states. Not for years have we been able to find any effective political prejudice against the Jew. If a Jew

is dealing corruptly in politics his race is sure to be mentioned in denunciations of him; but, even then, any harping on the race question is worse than useless.

When the Jew goes into politics as he has gone into banking, music, medicine and philanthropy, he finds himself as welcome and respected in that field as in any other.—Denver News.

FREE MEDICINE FOR CATARRH If You Suffer from this Loathsome and Dangerous Disease, Your Name and Address Will Bring to You Our Catarrh Medicine FREE. We are specialists in the treatment and cure of Catarrh. We know that we have the right treatment for Catarrh and we are going to prove it. We want to prove it in the quickest possible way; therefore we make this offer of one month's Catarrh medicine FREE. After carefully reading the symptoms enumerated below, write us indicating those you feel in your case, and upon receipt of your letter with name and address, we will send you one full month's treatment FREE. Now we will tell you why we can afford to make you this liberal offer. Ours is not a "cure-all" nostrum, such as is dealt out to all alike, independent of age, temperament or condition, but instead is a scientific course of medicine prescribed to meet the INDIVIDUAL requirements and special needs of each individual case and compounded by an up-to-date pharmacist from pure, fresh drugs. It has proven successful in so many cases that have tried numerous other-called Catarrh cures with little or no benefit, AND WE BELIEVE IT WILL CURE YOU. It is cheaper for us to give a month's medicine free, knowing that thousands will take advantage of this generous offer, and thereby quickly spread to their friends and relatives the efficiency of our method, than it would be to wait patiently for years in the old way to have this grand treatment become famous; therefore seeming generosity is really economy. LOSS OF SIGHT, DEAFNESS, and many other afflictions find their origin in the Catarrh poison lurking in the system and cannot be cured until this primary cause is removed. READ CAREFULLY the Following Symptoms EYE Do your eyes water, do they itch or burn; does matter accumulate in the corners of eyes during sleep; is vision impaired; are the eyelids inflamed or granulated; if so you need our treatment EAR Catarrh extends from the throat along the Eustachian Tubes into the ears, frequently causing better some days than others, do you have roaring or cracking or other noises in your head; do you hear any or all of these symptoms you need prompt treatment. NOSE AND THROAT This form of Catarrh is most common, resulting from neglected colds. Is your nose tender or stopped up; does dry in the morning; do you sleep with your mouth open? Now is the time to be cured—do not delay, thus allowing the trouble to become complicated and deep seated. BRONCHIAL TUBES When Catarrh of the head or throat is neglected or improperly treated it frequently extends down the wind-pipe into the bronchial tubes and in a short time may attack the lungs. Have you a cough; do you take cold easily; have you pain in the side; do you raise frothy matter or spit up little cheesy lumps, are you growing weaker? It is dangerous to neglect these warnings. Stop the disease before it becomes too late. STOMACH Catarrh of the stomach is due to swallowing mucus which drops from the head and throat during sleep. Do you suffer from nausea, or belch up gas; is your tongue coated; do you bloat after eating, is there a constant bad taste in the mouth; have you a foul disagreeable breath; do you vomit or spit up your food? If you neglect these symptoms you will regret it. LIVER DISEASE The liver is frequently affected by Catarrhal poisons carried from the stomach through the ducts into the liver. Do you get dizzy; see specks before the eyes; have you cold feet, feel generally miserable, get tired easy; have hot flashes; easily discouraged, rumbling in the bowels; constipated, sallow skin? If you have any of these symptoms prompt treatment is necessary. KIDNEY DISEASES may result by taking cold, or by overworking the kidneys in separating the Catarrhal poison which may affect any organ. Do your hands and feet swell; do you notice it more at night, is there a pain in the small of the back, has the perspiration a bad odor, is there puffiness under the eyes, do you have to get up during the night; do you notice sediment, mucus or a "brick dust" deposit? Watch out for Bright's Disease and Diabetes. NERVOUS DISEASES The majority of nervous diseases are caused by poisons in the system. Is your mind dull; are you easily excited; does your heart flutter; do your muscles twitch; are you irritable, suffer from sleeplessness, get up as tired as when you went to bed; suffer from Neuralgia; have bad dreams; have you gloomy forebodings and always a feeling that something is going to happen? To delay treatment is dangerous. Remember, send only your name and address, no money, and without delay, you will receive one month's medicine free for your particular case, also a large illustrated book, which contains much valuable information. It explains how to get well and how to keep well, and should be in every home. Address GERMAN-AMERICAN INSTITUTE, 746 Grand Ave., Kansas City, Mo.
