DOES HEAVY CONSTRUCTION WORK

Haverhill, Mass., 49 Water St.

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—It has been nearly a year and a half since I wore your Appliance and I feel I am completely cured. I am a carpenter on heavy mill construction and have never felt any effects from the rupture since. The work alone is enough to give a man a thorough test. Whenever I can say a good word about your trusses, I do it. Two doctors have asked me for reference for others who would be interested in your trusses, so harmless, no lias.

With best wishes,

David E. Matthews.
