Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3, our baby was taken sick with a very bad cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think that he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by F. G. Fricke & Co.
