COMMON SCHOOLS.

WM. THURBUR, Esq. has received the appointment of "County Superintendent of the Common Schools," in Nemaha county. The selection is a good one. Mr. Thurbur is well qualified, energetic, and his whole soul is in the cause of education. It will be seen, by referance to the proceedings, found in another colmn, that he has proceeded to organize "School District, No. 1," embracing the own of Brownrille, together with the claims, or farms, of Judge Benedict, Wm. Furguson, Thes L. lickets, Joel M. Wood and James W. Coleman, and intends immediately to organize the rhole county."

The common School Law of the Territory very liberal indeed, and speaks well for the ntelligence of the Legislators who passed i reference to the erection of School Buildngs, it provides that the District President, etary and Treasurer, shall constitute a Board of Education, with power to select and urchase a site; erect such buildings or building as they may deem requisite, and levy a tax, not exceeding one and a half per cent, on the taxable property within the District, to defray such expenses. This Board has been d-tax pavers, as well as the Board, in this matter, from the fact that we have been without a school for a few weeks-the building used being private property, and had to be taken
