THE LATEST PARODY

THE PHINTER'S CONSOLATION

Tell me, we gentle winds That round my pathway play, Is there no place on earth Where printers get their pay? The whisp'ring breeze went by With accent fitted with wor; A voice borne on the sorr'wing sir, In sadness answered " No."

Tell me, ye flowing streams That smoothly glide along, Is there no cherished place Where printers most no wrong ?

The gentle brook replied In murmers saft and low-And winding on its verdant way, It markly unswered "No."

Tell me, ye mucky clouds, Now rising in the west, In there upon the globe, One spot by printers blest ? The fla-bing clouds outspoke, With an indignant glow-A voice that fill'd the earth with awe, In thunder, answered "No."

I me, har bearted man, Withholding day by day, Is there no honor in thy breast, The printers bil to pay ? Unnaw'ring turns he roundflow plain his actions show-An uitered onth-capped is heard, His actions answered "No"

Tell sue thou gentle nymph Who blessest life's hours through Is there no sacred shrine Where printers get their due? A mantitug blush her check suffused, Did tenfold grace impact; A suft responsive sigh replied "Tes found in woman's heart." Tell me angelte house, Ve messengers of love, Shall suff'ring printer's here below Have no redress above? The angel bands replied-· To us is knowledge given-Delinquents on the printer's book

Thus we see that American energy and American enterprise reaches and benefits the uttermost parts of the earth.

LOVE A WIFE AND RULE A WIFE. I wish every husband would copy into his memorandum book this sentence, from a recently published work:

" Women must be constituted very differently from men. A word said, a line written, and we are happy ; smitted, our hearts ache as if for a great missortune. Men cannot feel it, or puose at it; if they did, the most careless of thom would be slow to wound us so.15

The grave hides many a heart which has been stung to death, because one who might after all, have loved it after a certain careless fashion, was deaf, dumb and blind to the truth in the sentence we have just quot d, or f not was at least restive and impatient with regard to it. Many men, marrying late in life, being accustomed only to take care of themselves, and ing whenever and wherever their faucy, or unquestionable, prompted ; come at last, when they get tired of this, with their selfish habits fixed as fate, to-matrimony. For a while it is a novelty. Shortly, it is strange as irksome this always being obliged to consider the comfort and happiness of another. To have something hanging on the arm, which used to swing free, or at most, but twirl a came. Then they think their duty done if they provide food and clothing, and refrain (possibly) from baren words. Ah-is it?-Listen to that sign as you close the door .-Watch the gradual fading of the eye, and paling of the check, not from age-she should be yet young-but gnawing pain at the heart, born of the settled conviction that the great hungry craving of her soul, as far as you are concerned, must go forward unsatisfied. God help such wives, and keep them from attempting to slake their souls' thirst at poisoned fountains.

Late scrivals bring interesting intelligence her. If you call these things "childish" and be hung. from the Amoor River. The Russian Gevern. "heneath your notics," then you should never fortress near Micolaefek, a town of three remain forever single. You are one.
