

LOCAL NEWS.

PROT. EPISCOPAL CHURCH.—Services every Sunday in Masonic Hall.

CARRIAGE.—C. W. Sturges, of the Bellevue Times called on us yesterday. He reports things lively in Bellevue.

NEW BRICK.—Wm. Harold, Esq., is building a fine store house on the corner of Main and Second streets, which is nearly completed.

COME ON.—A large number of our Nebraska City friends have been in town during the past week—probably looking for chances to buy property.

WHOLESALE.—An exclusively wholesale Grocery House will be opened in this city, in a short time—another evidence of the increasing trade of Plattsmouth.

FARMING IMPLEMENTS.—Tootle, Hanna & Co. can furnish you with Reapers, Mowers, Corn Planters, or almost any kind of farming implements you may desire. See advertisement.

GONE EAST.—Thos. Hanna, of the firm of Tootle, Hanna & Co., has gone east to purchase goods. He understands how to do business, and will purchase while goods are cheap.

DENTISTRY.—Dr. J. W. Chaddock, Dentist, has taken rooms at the Plattsmouth Valley House, where he will remain but a few days. All those in need of his services will do well to call immediately.

RE-APPOINTMENT.—Alvin Saunders has been re-appointed Governor of Nebraska. No better man has ever filled the gubernatorial chair of this Territory, and his re-appointment will give general satisfaction.

JEWELRY.—If you want anything in the jewelry line, call on Joseph Schlatter, Watchmaker and Jeweler. He can also clean or repair your jewelry, watches and clocks, on short notice and in good style. See card.

NEWS DEPOT.—Capt. A. J. Klepper, well known to most of our citizens, proposes opening a News Depot in a short time, where everybody can be supplied with papers, Magazines, &c., without sending to the publishers for them.—Success to the Capt. in this enterprise.

FUNERAL SERVICES.—Funeral services were held last Wednesday throughout the entire north. In some of the large cities of the north they were very impressive, thousands of people being in attendance. Services were held in every town in the Territory that we have heard from.

MARKETS.—Flour is selling at \$5.75 per sack of 100 lbs., Potatoes \$3 per bushel, Corn \$1 per bushel; Beef from 10 to 20 cents per pound, retail; Bacon 15¢ to 20 cents per pound; Butter 40 and 50 cts. per pound; Eggs 15 cents per dozen.

ADVERTISE.—Why don't those who have property for sale, and those who wish to purchase, let their wants be known through the columns of the Herald, instead of bothering our good natured Post Master to write their notices, and then sticking them up about his office. It will cost you but a few cents to advertise, and show your wants will be circulated more extensively.

GRAND MASS MEETING.—There will be a mass meeting of the Farmers and Freighters of Plattsmouth and Cass Co. at the Saddle and Harness shop of Murphy & Glenn, on main street, for the purpose of examining that large stock of Saddles, Harness, Collars, Bridles Whips, &c.

RIVER NEWS.—Boats are doing a good business this season.—The water is at an excellent stage, and boatmen are reaping the benefit of it. Since our last issue, Steamer J. H. Lacy, Mary E. Forsyth, Bart Ables, Jennie Lewis, Denver, Colorado and Montana, have stopped at our levee, discharging a goodly amount of freight for the business men of this place.

GOOD.—We learn that the city authorities have abandoned the idea of building a wooden bridge on 2d st., and now propose to build an arched bridge of stone in its place. This is as it should be. Let what is done be "well done," even should it cause a little extra tax to defray the expense, and our citizens will have no cause to regret it in the future.

NEW.—Wm. Stadelmann, Esq., is erecting a business house adjoining the Herald office on the east, where he will soon open a fine stock of Confectionery, Groceries, &c. He also proposes to furnish the citizens of Plattsmouth with that most delicious of all luxuries, ice cream. Good for Billy—such an establishment is much needed.

SINGING SCHOOL.—Mr. Orr closed his first term of singing school in this city on last Friday evening. A large number of citizens were present, by invitation of the school, for the purpose of judging of the improvement made by the pupils; and so far as we can learn, they were all well pleased. An effort is being made to secure the services of Mr. Orr for another term.

New Goods.—Staudt & Anderson, cor. Main and 2d sts., are receiving a heavy stock of spring and summer goods.

REPAIRING.—W. J. Hyatt, Esq., is putting under a basement, and otherwise repairing the Nebraska House for the accommodation of the traveling public. That is a good move—we need a few more good hotels.

GONE.—The two men mentioned in our last issue as having been arrested by Sheriff Gass upon the charge of murdering Tibbets, bid farewell to Plattsmouth yesterday morning, in company with a sheriff from Indiana.

COMMENCED.—Workmen are engaged in building the walls of the new building on the corner of Main and Third streets, and will be built by the Masonic and Odd Fellows of this city. This building is 100 feet front, eighty feet deep, and three stories high, besides the basement. It will be an ornament to the city, besides furnishing room for two business houses on the first floor, and a large number of offices above.

TURN OUT.—Let every farmer turn out to the Club meeting next Saturday. You all have to come to town occasionally for the purpose of trading, and why not make this day suit your convenience, and at the same time attend the club meeting. We know this is a busy time with farmers, but you may be able to learn something on this day that will be of more profit to you than the labor of a whole week—turn out and see.

FARM FOR SALE.—Read the advertisement of A. M. P. Whittier, in to-day's paper. Let every one who has property of any kind for sale, advertise it in the Herald, and we will guarantee they will not be the losers by it. We hear enquiries almost every day for property of various kinds; and if those who have it for sale will only let it be known through our columns, they will undoubtedly find a quick market, and at the highest figures.

SALT CREEK BRIDGE.—A good and substantial bridge is being erected over Salt Creek, on the road leading west from this place, in lieu of the one washed away by the high water this Spring. Every citizen of Plattsmouth should contribute something towards this improvement, as it is of great importance that we have our western roads in the best of repairs, that emigrants and freighters who start from this point may meet with no inconvenience or delay.

NEBRASKA CITY ADS.—Read our Nebraska City advertisement; and when you go there don't fail to call on L. Frost & Co., if you want a bill of groceries; Call on C. Vogt & Co., if you want anything in the line of Leather or Iron, for they have an immense stock, which they are selling cheap. D. Whittinger or John Reed & Co., can supply you with anything and everything in the drug line that you may require, and will warrant it fresh and good. Harding has everything you can wish to read, from a primer to a bible;—also all kinds of paper, envelopes, gold pens &c., in abundance.

Unquestionably the best sustained work of the kind in the World

HARPER'S

New Monthly Magazine.

[Critical notice of the Press.]

It is the foremost Magazine of the day. The first number never had a more delightful companion, nor the most popular Monthly in the world.—N. Y. Observer.

We must refer in terms of eulogy to the high and varied excellence of Harper's Magazine—a journal with a monthly circulation of about 120,000 copies—in whose pages are to be found some of the choicest light and earnest reading of the day. We speak of this work as an American one, for the American people; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood cuts; and it contains in itself the very marrow of the more philosophical, historical, and scientific literature of the day.

The volumes bound constitute of themselves a library of miscellaneous reading, such as cannot be found in the same compass in any other publication that has come under our notice.—Boston Courier.

SUBSCRIPTIONS.—1865.

The publishers have perfected a system of mailing by which they can supply the Magazine and Weekly promptly to those who prefer to receive their periodicals directly from the office of publication.

The postage on Harper's Magazine is 4 cents a year, which must be paid at the subscriber's post office.
