Lee," Let them draw all the consolation they ean from it-we want no such glory in

To reply to "E. A. J.," Onarge Ill. we would say that plenty of government land, the finest in the world, can be had on Salt Crack, thirty miles west from Plattennuth. This region of country is obrious people, and is bound, e'er many Years, to be the most populous and wealthy part of Nebrasks. Schools, Churches, Stores, Mills, and all the convenience of an older settled country, are already there, and the Salt Springs and richness of the soil of the surrounding country will soon draw man ufacturing capital ...

In regard to the action of our legislature relative to emigration, all that has city will be wonderful. be a done so far looks only to a disseminntion of a knowledge of the country.

No mail from the north to-daycan't or so the Platte.

The ice still holds, but should it det loose to get a better hold, it will be a "goner."

TDr. Renner delivered a Jecture in Nebraska City last Tuesday evening, on the subject of "Nebraska City; its present history and future condition."

The News says thirty-six men have been found in Nebraska City who favor State, and says that eighty are claimed to be in favor of it.

Why don't some one start a water it, however. on two wheels-hitch a horse to it and the day of sale.

Let ever body prepare for business There never was a time that indicated so much "go-ahead" in Plattsmouth as at the present Already men from the eastern cities are here looking out a them to sell or rent will be the ones who something. There is no other way that
