HELMBOLD.

FLUID EXTRACT

BUCHU.

At the Cape of Good Hope

THE HOTTENTOTS Here long used

BUCHU For a variety of Diseases.

It was borrowed from these rude practitioners by the English and Dutch Physicians, who, by their imitation it was employed in Europe, and has since since become a general use.

It is given usually in Gravel, Chronic Catarrh of the Bladder, Morbid Accumulation of the Urinary and Uterine, for Female Weakness and

DEBILITY. For Prostrated and Dying Down, or Phlegmatic Ulcer, Discharge of the Prostatic Gland, Retention, or accumulation of Urine, and all diseases requiring the use of a diuretic or cathartic, from a loss of tone in the four collected in this preparation.

It is also recommended in cases of Dyspepsia, Chronic Rheumatism, Cutaneous Affections and Dropsy.

To cure these diseases we must bring into action the muscles which are engaged in their various functions. To prevent this, however, slight may be the attack, to cure it effect the bodily health and mental powers.

Cur Flesh and Blood are supported from these sources.

PERSONS AT EVERY PERIOD OF LIFE, From Infancy to Old Age, and in every state of health, are liable to be seized by these diseases.

The Causes in many instances are unknown. The patient has, however, an admirable remedy in

HELMBOLD'S Fluid Extract of Buchu.

Philadelphia Evening Bulletin Editorial, SEPT. 15, 1865.

HELMBOLD'S GENUINE PREPARATIONS.

Its Solid and Fluid Extracts embody the full strength of the ingredients of which they are composed. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the United States Dispensatory. These remedies are prepared by H. T. Helmbold, a druggist of sixteen years' experience in this city, and we believe them to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmbold's success is certainly prima facie evidence. His Store and Chemical Warehouse, in the city of New York, is not excelled, if equaled, by any in the country, and we would advise our readers, when visiting that city to give him a call, and judge for themselves.
