Flouring AND WOOL- CARDING.

Hel for Salt Creck, where you can kill two birds with one stone, get your Grain Ground and Wood Carded at the same time; the machinery for both is in perfect order. We use the Patent Machine Cards, which were run enough has year to establish their superiority over the old kind, as all who used the can testify. The superiority of Mr. S. Twiss as a Carder is well known, and his services are still setained for the benefit of the public. With the above advantages we faster curse ives that we can make it to the advantage of all who want work in our line to rome this way.
