

LOCAL NEWS.

TO-NIGHT

Remember the Club and Tanners meeting to-night.

See notice of postponement of session of County Commissioners Board.

There will be speaking at Stocking's school house next Saturday evening.

AT THE COURT HOUSE.

A runaway occurred on Second street last Tuesday. No damage reported.

Be on hand at the political Appomst for next Tuesday.

A new cross walk is being put in on Second street.

Oak wood is selling at six dollars per cord.

O. P. MASON.

Potatoes are selling at 50 to 75 cts per bushel.

Wheat is down, and farmers are not inclined to sell at present prices.

O. P. Mason will speak at the Court House to night.

COME AND HEAR

Work has commenced on the B. & M. R. R. at Glenwood, only eight miles from Plattsmouth.

Our old friend B. Newman, arrived in the city last Tuesday. Newman is doing a healthy business at Council Bluffs.

Mr. Magee has gone below to superintend the building of his new steam ferry boat.

The ladies of the Presbyterian church intend holding a festival some time during the coming month.

The main street culvert is at last in good shape. Leasley has it tolerably well covered, and is still at work with a good force.

Commissioner Holschuh is making preparations to repair Second st. bridge. He goes on the principle that "a stitch in time," etc.

Are you all ready, Republican reader, to "charge the enemy" next Tuesday? The bugle sounds to the charge. Let there be no skulking.

The U. P. Railroad is completed to within one hundred and fifty miles of Salt Lake City, and will reach that city this season.

The legislature convened in extra session at Omaha Tuesday to make provisions for the choosing of Presidential Electors next Tuesday.

In the language of Geo. Francis Train: "All those who are in favor of peace will say "I" next Tuesday" by voting for Grant and Colfax.

The ladies of the M. E. Church are already making preparations for their Christmas Eve Fair. We doubt not it will be a splendid affair.

Robertson recommends that the few scattering Democrats of Nebraska be colonized in Sarpy County and a stockade built around it. We shall not object, and would suggest Witz as keeper.

The Board of School directors has procured a new bell for the public school house. This is a good move, and will teach the scholars a lesson in punctuality which will be beneficial to them through life.

Remember the dance to-morrow evening, at City Hall. The last one was a fine affair—as, in fact, all are that the Johnson Bros' have anything to do with.

We made a slight mistake in our notice last week in regard to departure of mail. The Southern mail does not leave until 1 o'clock p. m. All others leave in the morning.

Minister Johnson has rendered himself obnoxious to local Americans in England, by his trading course toward rebel sympathizers in that country.

We understand that Mr. Diller has been employed as assistant teacher in the Public school in this city. Mr. Diller is said to be an efficient teacher.

We have the authority of the Cincinnati Enquirer for saying that Mr. Seymour would have been withdrawn and Chase put on in his stead only Chase refused to run in any other way than as an independent candidate. He had heard from Cass county after the election.

We understand there is to be a grand trial of Broadcast Seed Sowers one week from next Saturday, at the residence of Wm. B. Porter, Esq. We suggest that as many farmers as can be present on that occasion, and see the different machines tested by men who understand them thoroughly.

OFFICIAL NOTICE.

State of Nebraska, ss. Cass county, ss. To those whom it may concern, Notice is hereby given that the Nov. Session of the Commissioners Court in and for Co. & State of said, is hereby adjourned until Wednesday the 4th day of November 1868 at 10 o'clock a. m.

By Order of the Board of Commissioners. Witness my hand and Official Seal at my office in Plattsmouth on this 27th day of Oct. 1868. R. SPURLOCK, Co. Clerk.

S. S. Billings, Esq., is selling Shrubbery for fall setting at very low figures. Billings's shrubbery all grows, and he has some of the finest varieties in the west. Call at his vineyard and examine his stock.

Mr. J. Young, residing near Wyoming, discovered some person prowling about his premises one evening last week, and upon hailing the man and asking what he wanted was answered "none of your business." Mr. Young fired upon him and the fire was returned without injury. The skulker made his escape. We learn from the Plebeian.

We learn that Mr. Brush is elected in Saunders, Seward and Butler, over Mr. Parker, the Republican nominee. That district is strongly Republican, but the Republicans of Seward allowed local and personal matters to influence their votes. We hope this kind of work may be stopped, if men have principles at stake.

R. G. Doom acknowledges that the Democratic party is dead, but thinks another "Crop" may be raised if their patent "Seed sowers" are used extensively by the farmers of Cass and adjoining counties. He is sending a number of these machines out to the Blue, and expects to hear of some Democrats out there in about four years.

This issue closes up the campaign for the Herald, and we now invite people all over Nebraska to send us communications setting forth the history, resources, etc., of the different localities. We want communications giving such information as is sought by eastern people who contemplate moving west. Let us advertise Nebraska, and do it in an honest manner. Give the plain facts, and let them suffice.

Comp. John Sheville, P. G. U. P. of New Jersey, agent for Masonic Publishing and Manufacturing Company of New York, has been in the city for several days, looking after the interests of the house and dispensing Masonic light to the brethren. He will visit other portions of the State before returning home to New York.

We learn that L. F. Johnson, Esq., thinks of teaching a class in vocal music this fall. We hope he will, as this community has been "bored" enough with itinerant music teachers. Encourage and support a man you know.

Despain & Kennedy have just received the largest and most elegant stock of Winter Goods ever brought to Plattsmouth, consisting of Silk Plushes, Velvets, Satins, and all the new styles of Trimmings. Call, ladies, and see the cheapest goods west of the Missouri river.

Lovers of good music will be gratified to learn that Mr. and Mrs. E. R. James design giving one of their unrivalled musical entertainments in the M. E. Church on Monday evening. They have secured the assistance of Mrs. Sue Vinton, and Prof. R. Baxter Windham, both singers of acknowledged talent. We predict a good time. The price of admission is only twenty five cents. You can't afford to stay away at that price.—Commonwealth.

The press of the state, both Republican and Democratic, are just now engaged in discussing the proper action to be taken in regard to the State lands by the next legislature. It is right and proper that this should be done, and we think it right and proper that members elected should keep themselves free from all the various influences which surround this question, in order that their action when the time comes for action, may be for the best interests of all concerned. We make this suggestion from the fact that present indications are that the question will be a knotty one, and one which will be argued in many different shapes and in many different interests.

Democrat's Monthly Magazine well deserves its great and increasing patronage. It is such a work as a man need not be afraid of introducing into his house. Though fashionable, it is not frivolous. On the contrary, it is full of sound sense, useful information, and vigorous high toned thought. There is more for the money than in any other two Magazines, and the quality is as good as the quantity is generous. Surprise your wife, sister or daughter, with a year's subscription, as a birthday, Thanksgiving or Christmas gift. It will pay well for the investment. W. Jennings Demorest, 473 Broadway, N. Y. \$3.00 per year.

How ABOUT THE STITCH? IS IT RELIABLE?—They tell you you have a splendid machine, but that your stitch is not reliable. How is it? This is the substance of an inquiry usually made at the office of a certain Sewing Machine, by parties visiting it in search of "the best machine for family use." If asked who "they" are that tell them so? whether any who have used the machine, and proved its work, make that complaint? The uniform reply is, "No, it is only at the Offices of competing machines that we hear any objections made; but we would like to hear what you have to say about it." To such, our answer is this: If you will consult any of the sixty thousand householders who are now using our machine, you will find that the twisted loop stitch never fails to give perfect satisfaction, and there is no better authority on this subject than experience. The following testimonial presents the neighborhood: "We the undersigned, having used the Wilcox & Gibbs Sewing Machine in our families, consider it the best Machine for family use now invented. The Stitch's Unexceptionable"—Mrs. C. P. Norris, Mrs. Dr. Priest and fifteen other ladies of Union New York.

\$1200 and all Expenses Paid!—See advertisement of AMERICAN SHUTTLE SEWING MACHINE, in our advertising columns.

HOW ARE YOU, "NIGGER?"—Mr. W. H. Bowman, a very intelligent colored citizen of Omaha, was elected Sergeant-at-Arms of the Senate of Nebraska yesterday afternoon. Mr. Bowman was nominated by Mr. J. N. H. Patrick, a Democratic Senator from Douglas county, and was voted for by every Democratic Senator on the floor. About the same time he received the vote of every Democrat in the lower house for the same office in that body.

We might add that Mr. Bowman was unanimously elected to the position in both houses, but sworn in as the officer of the Senate.

In view of this unanimous action of the Democrats in the Nebraska Legislature, we would like to ask the "nigger" hating Democrats how they like it for high?—Republican.
