REASONS FOR INSUSING IN THIS COMPANY

MILLIONS Bear Testimony to their Wonderful Curative Effects. They are not a vile Fancy Drink, Made of Poer Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the faste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimu-lants. They are the GREAT BLOOD PURI-FIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring theblood to a healthy condition. No person can take these Bit-ters according to directions and remain long unwell, provided their bones are not destroyed by mineral olson or other means, and the vital organs wasted

They are a Gentle Pargative as well as a

Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rheuma-tism and Gout, Dyspepsia or Indigestics, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kid-ueys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Readache, Pain in the Shoulders, Coughs, Tightness of the
Chest, Dizziness, Sour Eructations of the Stomach. Bad Taste in the Mouth. Billous Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the re-

gions of the Kidneys, and a hundred other painful symp-toms, are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the tory w Liver and Bowels, which render them of unequalled tificacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimpies, Pustules, Bolls, Carpuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipeas, Itch, Scuris, Discolorations of the Skin, flumors and
Discasses of the Skin, of whatever name or nature, are
literally dug up and carried out of the system in a short
lime by the use of these Bitters. One bottle in such
cases will convince the most incredulous of their curalive effects.

Cleanse the Vitiated Blood whenever you find its im-purities bursting through the skin in Pimples, Erup-tions or Sores; cleanse it when you find it obstructed and slaggish in the veins; cleanse it when it is foul, A N D B O S T O N.

A N D B O S T O N.

Pin, Tupe, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physislogist there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and alimy deposits that breed these living monsters of disease. No System of Medicine, no vermituges, no anthelmintics will free the system from werms like these Bitters.

Plantation Bitters. S. T. 1860-X.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachies. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. Dec. 26. d&w lyr.
