Centaur Liniment.

There is no pain wilch the Centaur Linkmen will not relieve, no swelling it will not subdue and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has roduced more cures of rheumatism, neuralgia. ock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., spon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples threw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a sear. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do.
