> The best book in the market-Best terms over offered-Attention agents -Send for circulars of our new work, INGERSOE'S LIFE AND

The most popular biography extant- The best of Fresh Meats always on The most graphic political history-Candor, Fullness, Truth, Impartiality-A book for the Laboring Man-A book for Statesmen; Scholars and Thinkers-A book for every American family.

No biographical work of such interest to the No biographical work of such interest to the whole people has before rappeared in American literature. It is a full, complete, henest account of the life of the most laborious and influential of our country's reformers, the first journalist of his age, and the busiest man who ever lived. There are also extended notices of very many

MANY EMINENT MEN. This work is, in short, the great biographicohistorical work is, in saort, the great inographico-historical work of the times. It is the great filt-erary success of the times. Every intelligent man and woman will have it. Orders are ai-ready coming in in such a way as to show they ill soon begin to pour. Mechanically it is the handsom lished, being profusely and ELEGANTLY 11,-IUSTRATED with about 40 cugravings, includ-ing portraits, also a steel engraving of Mr. Gree-ley, which is the most pleasing and natural of any yet published—making a volume
