THE SCHOOLS. The annual examination of the city schools, commenced on Monday of this week. The first ward, under the charge of Miss Marcia Lincoln, was examined on Monday, by Prof. Wise, and Mayor Livingston, Mr. Carruth and Mr. Pollock of the Council were present more or less of the time, but no parents or other visitors.

The school passed a fair examination, and was especially good in numbers, Roman and Arabic.

THE SECOND WARD school, teacher, Mrs. Arnold, was examined on Tuesday. Present, Prof. Wise, Mayor Livingston, Councilmen Johnson, Rev. Mr. Arnold and the editor. We would like to tell all the little folks said, and notice each scholar's good points, if we had time and space. Not having these two requisites at our command, we must simply say we were very much pleased indeed, with the little folks.

THE THIRD WARD school, Miss Cattie Foster, was examined on Wednesday. Present, Prof. Wise, Mayor Livingston, Councilmen Johnson, Newman and Carruth. The examination was fair.

THE FOURTH WARD will be examined to-day, as we go to press. We will give a report in our next, and also of the High School examination, which will take place the ensuing week.

The absence of parents and visitors, except those connected in an official way with the schools, has been very noticeable, and was commented on by the examining board and teachers, who feel hurt that the parents exhibit so little interest in what has been done for the children. We sincerely hope the High School examination next week will be better attended.

BOYS WILL BE BOYS.

Straight has put up a bell in the Post Office, connecting by a wire through the hall above to the Ice Cream Parlor over the Drug Store. Monday evening some boys hitched a long cord to the wire in the hall and then stationing themselves across the street, how the bell rang. Tinkle, tinkle-elle, rip, snip, snap, tinkle-elle, le-le. Straight was away. Capt. Marshall thought the Ice Cream outfit must be on fire, so he locked the Post Office and rushed up stairs only to find no one there. After some search he found the boys' cord, and tracing it down stairs he commenced hauling in. A perfect roar of boy shouts told the story at the other end. Cap. has about a hundred feet of good cord.
