Only \$22 per thousand for best Chicago lumber at Waterman & Co's.

---My stars how our merchants are laying in goods this fall.

Read our baby travels done up in "werse" this week. Streight, Post Office Streight, has more than got a house full of new

goods. Sam Barker & Co. shipped about 300 head of fat hogs to Chicago last Wed-

nesday. Solomon & Nathan have the side walk full of boxes of goods, to say

nothing of two stores full. White & Russell are selling out a large stock of goods very low. Call

and try for yourselves. Clark & Plummer have just received a new stock of fall goods. Mr. Plummer having returned home a few days

Henry Beck, the furniture man, has got a new handsome red wagon with a green box and Henry and the big borse just laugh all over now. His stock of furniture is large and varied.

Business must be brisk in Plattsmonth, the street is crammed with teams daily. In fact we don't see any other place in our travels that looks any more like substantial prosperity than our own town in spite of some grumblers.

I buy the largest stock of Boots & Shoes, and consequently buy and sell cheaper than any one in Cass county. Call, examine, and be convinced. PETER MERGES.
